The Fault in Our Stars Harper Collins
"A sexy contemporary romance novel set in New York City about a love triangle"--
The Boyfriend App Emily Snow Books
For fans of smart romantic comedies, this is a clever Cinderella story with a tech twist. When Public Corporation, a giant tech company, announces a contest for the best app developed by a high school student—with \$200,000 in prize

money—computer whiz Audrey McCarthy is all in. Audrey's been searching for her one ticket out of town ever since her dad died and her best friend, perfect and popular Blake Dawkins, turned into her worst nightmare—and this scholarship may be it. Audrey comes up with an idea so simple, yet so brilliant, she can't believe it hasn't been done before: the Boyfriend App. With a simple touch of the screen, romance blooms among the unlikeliest couples at school—and people start to take notice. But it's not quite enough. To beat out the competition, Audrey will have to dig deeper—right into

a scandal that would rock Public to its core. Launched into unexpected fame and passionately kissed by the hottest guys in school, Audrey finds that her invention has thrown her life into complete chaos . . . but can it bring her true love?

Harlequin

I'm the first-born son of the mafia king. The favorite. Destined to rule, I'm a dangerous man, a ruthless one. But in my world, you have to be. Then Natalie stumbles into my life. Wrong place. Wrong time. Twice, fate put her in my path. Twice, fate placed the innocent lamb at the mercy of the monster. I gave her a chance to walk away. Told her it would be better for her if she did. But she didn't listen. And now it's too late. Because I'm not good. I never wanted to be. And I won't let her go anymore. See, I'm not the hero. When I touch her, it's with dirty hands. I know my reckoning is coming though. I know I'll burn for the things I've done, the sins I've committed. And I don't deny hell is where I belong, but I want my time first. I want my time with her. She's

mine. Forever. No matter what. Author's Note: Sergio is an emotional romance set in the Benedetti Mafia world. It is not a traditional romance. It is recommended that you read both *Salvatore: a Dark Mafia Romance* and *Dominic: a Dark Mafia Romance* before reading Sergio's story. *Nowhere But Here* Simon and Schuster When she garners the attention of Meredith, Tesla Martin is flattered by her attention and becomes drawn into a love triangle between Meredith and her husband Charlie who both embody everything she ever needed, wanted, or dreamed of.

A Novel Forever

Asher Wellingham, Duke of Carisbrook, was captivated by her! He had happened upon Lady Emma Seaton swimming naked and, beyond her beauty, had seen the deep curling scar on her thigh— a wound that could only be the mark of a sword. Who was this creature of contradictions? Something about her brought back tantalizing memories from the past. Her ill-fitting, threadbare clothes concealed the body of an angel, but what kind of woman truly lay behind her refined mask? Highborn lady or artful courtesan, she

intrigued him and Asher wanted to possess both!

Lucia It all started with a contract signed by him, then by me, while our families watched. While my father sat silent, a man defeated, giving his daughter to the Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a

passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction. It's how it had always been. How I believed it would always be. Until Lucia.
