**Second April** HarpPeren

An indispensable collection of the groundbreaking poet's most masterful and innovative work, celebrating a bold early voice of female liberation, independence, and queer sexuality—featuring a new introduction by poet Olivia Gatwood, author of *Life of the Party* Edna St. Vincent Millay defined a generation as one of the most critically

acclaimed poets of the Modernist era. Her work pushed boundaries within the literary canon for its lyrical expression of female embodiment and progressive feminist politics, and she was honored as only the third woman to be awarded the Pulitzer Prize for Poetry. The Selected Poetry of Edna St. Vincent Millay demonstrates Millay's legacy and influence on contemporary poetry. Sometimes satirical, often sharp, and always striking, the poems in this collection span Millay's remarkable career, from the success of *Renascence and Other Poems* to the sting of *A Few Figs from Thistles*, and *Second April*, as well as "The Ballad of the Harp-Weaver" and eight sonnets from the early twenties. Millay's incandescent poetry continues to inspire today as broadly

and deeply as during her lifetime. The Modern Library Torchbearers series features women who wrote on their own terms, with boldness, creativity, and a spirit of resistance. Everyman's Library

A noted biographer and poet illuminates the unique woman who wrote the greatest American love poetry of the twentieth century *What Lips My Lips Have Kissed* is the story of a rare sort of American genius, who grew up in grinding poverty in Camden, Maine. Nothing could save the sensitive child but her talent for words, music and drama, and an inexorable desire to be loved. When she was twenty, her poetry

would make her famous; at thirty she would be loved by readers the world over. Edna St. Vincent Millay was widely considered to be the most seductive woman of her age. Few men could resist her, and many women also fell under her spell. From the publication of her first poems until the scandal over *Fatal Interview* twenty years later, gossip about the poet's liberated lifestyle prompted speculation about who might be the real subject of her verses. Using letters, diaries and journals of the poet and her lovers that have only recently become available, Daniel Mark Epstein tells the astonishing story of the life, dedicated to art and love, that inspired the sublime lyrics of Edna St. Vincent Millay.

Tracing Millay's life from her youth in Maine to the bohemian fervor of her early adulthood in Greenwich Village and

Paris, this fascinating biography will captivate middle grade readers. Including photos, full-length poems, plentiful letter and diary excerpts, a time line, source notes, and bibliography, this is an indispensable resource for any young person interested in poetry, literature, or biographies of remarkable people in American history.

Thirty years after the smashing success of *Zelda*, Nancy Milford returns with a stunning second act. *Savage Beauty* is the portrait of a passionate, fearless woman who obsessed American ever as she tormented herself. If F. Scott Fitzgerald was the hero of the Jazz Age, Edna St. Vincent Millay, as flamboyant in her love affairs as she was in her art,

was its heroine. The first woman ever to win the Pulitzer Prize, Millay was dazzling in the performance of herself. Her voice was likened to an instrument of seduction and her impact on crowds, and on men, was legendary. Yet beneath her studied act, all was not well. Milford calls her book "a family romance"—for the love between the three Millay sisters and their mother was so deep as to be dangerous. As a family, they were like real-life *Little Women*, with a touch of *Mommie Dearest*. Nancy Milford was given exclusive access to Millay's papers, and what she found was an extraordinary treasure. Boxes and boxes of letter flew back and forth among the three sisters and their mother—and Millay kept the most intimate diary, one whose ruthless honesty brings to mind

Sylvia Plath. Written with passion and flair, *Savage Beauty* is an iconic portrait of a woman's life.

Second April is a collection of poems by the famous author, playwright, and feminist activist, Edna St. Vincent Millay. There will be rose and rhododendron when you are dead and under ground; Still will be heard from white syringas Heavy with bees, a sunny sound.

*Edna St. Vincent Millay* Modern Library More than sixty years after her death, the Pulitzer Prizewinning poet Edna St. Vincent Millay continues to captivate new generations of readers. The twentieth-century American author was catapulted to fame after the publication of *Renascence*, her first major work and a poem written while she was still a teenager. Millay's frank attitude toward sexuality along with immortal lines such as "My candle burns at both

ends"solidified her reputation as the quintessential liberated woman of the Jazz Age. In this authoritative volume, Timothy F. Jackson has compiled and annotated a new selection that represents the full range of her published work alongside previously unpublished manuscript excerpts, poems, prose, and correspondence. The poems, appearing as they were printed in their first editions, are complemented by Jackson's extensive, illuminating notes, which draw on archival sources and help situate her work in its historical and literary context. Two introductory essays by Jackson and the other by Millay's literary executor, Holly Peppel, also help critically frame the poet's work.

**Collected Poems Edna St. Vincent Millay** Library of Alexandria

A treasure for Edna St. Vincent Millay fans — and anyone who loves poetry. The collection includes the complete selection of poems from her first three books: *Renaissance and Other Poems*, *A Few Figs from Thistles*, and *Second April*. *Collected Sonnets* (Courier Corporation, Edna St. Vincent Millay (1892-1950), winner in 1923 of the second annual Pulitzer Prize for Poetry), was a daring, versatile writer whose work includes plays, essays, short stories, songs, and the libretto to an opera that premiered at New York's Metropolitan Opera House to rave reviews. Millay infused new life into traditional poetic forms, bringing new hope to a generation of youth disillusioned by the political and social upheaval of the First World War. She ventured fearlessly beyond familiar

poetic subjects to tackle political injustice, social discrimination, and women's sexuality in her poems and prose. In the 1920s and '30s, Millay was considered a spokesperson for personal freedom in America, particularly for women, and we turn to her lines to illuminate the social history of the period and the Bohemian lifestyle she and her friends enjoyed. Yet Millay's poetry is still decisively modern in its message, and it continues to resonate with readers facing personal and moral issues that defy the test of time: romantic love, loss, betrayal, compassion for one another, social equality, patriotism, and the stewardship of the natural world. *Collected Poems* features Millay's incisive and impassioned lyric poetry and sonnets, many of which are

considered among the finest in the language, as well as the poet's last volume, *Mine the Harvest*, compiled and published in 1956 by her sister Norma Millay.

Edna St. Vincent Millay New York, Row Edna St Vincent Millay (1892–1950) was one of the most popular American writers of her generation, and the first woman to win the Pulitzer Prize for Poetry. Thomas Hardy once remarked that America had only two great wonders to show the world: skyscrapers, and the poetry of Edna St Vincent Millay. *Poems and Satires* restores that wonder to view, while also revealing Millay as a more innovative and versatile talent than she is usually given credit for being. It includes some of her wickedly funny satires (published under the pseudonym

Nancy Boyd, out of print since 1924), as well as her acclaimed play *Aria da Capo*, and reveals her to be not only the defining 'flapper' poet of the 1920s but a crucial voice for the 2020s. The 'fierce and trivial' persona she cultivated in her early lyric poems and sonnets – with their dazzling wit and daring attitudes towards love and sexuality – captured the whirl of bohemian life in New York. In her genre-defying satires, she questioned society's treatment of women and artists in surreal stories and plays, non-fiction and spoof agony aunt letters, and even a *Handmaid's Tale*-esque dystopia disguised as an almanac from the future.

The Poet and His Book Harper Collins  
Praised by poets and critics ranging from A. E. Housman and Thomas Hardy to

Edmund Wilson, Edna St. Vincent Millay's bold, exquisite poems take their place among the enduring verse of the twentieth century. Claiming a lyric tradition stretching back to Sappho and Catullus and making it very much her own, Millay won over her contemporaries—and readers ever since—with her passion, erotic candor, formal elegance, and often mischievous wit. J. D. McClatchy's introduction and selections offer new and surprising insights into Millay's achievement. Included are her most beloved and justly admired poems, such as the wry bohemian anthem "Recuerdo" and the sonnet sequence *Fatal Interview*, the poetic record of a love affair that is presented in its entirety. McClatchy has also chosen works that extend our sense

of Millay's range: translations, her play *Aria da Capo*, and excerpts from her libretto *The King's Henchman*. "I have for the most part been guided by my taste for Millay at her tautest and truest," writes McClatchy. "There are precise and resonant images everywhere." About the *American Poets Project Elegantly* designed in compact editions, printed on acid-free paper, and textually authoritative, the American Poets Project makes available the full range of the American poetic accomplishment, selected and introduced by today's most discerning poets and critics.
