DELACRUZ ADRIENNE

revista profesional del
libro Cambridge
Discovery Education
With his uncanny wit
and perception, Saul
Bellow tells the story of
Charlie Citrine, a young
man whose life is
reaching a critical
moment. Over several
years, Charlie's almost

obsessive love of
literature has led him
into a deep friendship
with the renowned
poet Von Humboldt
Fleisher, and when
Humboldt dies, the
young man's life
rapidly begins to
unravel. A stalling
career and an ugly
divorce feed Charlie's
instability, and he
engages in dubious
friendships and an
unwise liaison with the

wrong woman. Amidst the chaos of a life in shambles, Charlie emerges by virtue of a legacy left by his departed companion, a legacy that offers him a glimpse of a new trajectory.

Be Curious Level 3

Pupil's Book

Cambridge University Press

Based on the true story of two sisters sheltered from the Nazis by a group of Catholic nuns during World War II.

Mama had always told twelve-year-old Susan that there was no safe place for a Jew, especially in German-occupied Hungary in 1944. Susan is skeptical and afraid when she and her little sister, Vera, are sent to a convent to be kept "safe" from the Nazis. Susan and Vera find their lives transformed

and soon discover the true nature of courage when they are sheltered by a group of nuns who risk their lives to protect them.

"Guardian Angel House" was the nickname given to a convent operated by the Sisters of Charity in Budapest that sheltered over 120 Jewish children in German-occupied Hungary during World War II. This book tells the story of author Kathy Clark's mother and aunt, who were sheltered there by the nuns. Includes historical photographs and notes about the author's family and the Hungarian convent that became known as "Guardian Angel House."

 Christy Brown was born a victim of cerebral palsy. But the hapless, lolling baby concealed the brilliantly imaginative and sensitive mind of a writer who would take his place among the giants of Irish literature. This is Christy Brown's own story. He recounts his childhood struggle to learn to read, write, paint and finally type, with the toe of his left foot. In this manner he wrote his bestseller *Down all the Days*.

 The Heinemann Plays series offers contemporary drama and classic plays in

durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is an adaptation of the humorous diary of a young intellectual, suffering the traumas of love, parental divorce and spots.

My Left Foot

Waveland Press
 Discover how your greatest creative power is also your greatest spiritual power. "All of us possess some electrical and magnetic forces within, and, just like a magnet, we exert a force of attraction and repulsion... Between lovers that magnetic force is particularly powerful and its action has a far-reaching effect." - Samael Aun Weor
 In the heart of every religion there are teachings about

intimate human relationships, a sacred knowledge about the transformative power of sex, which states that true spiritual mastery is a result of conquering base desires and transforming them into conscious virtues. Harnessing and transforming the most powerful forces within places us on a revolutionary path to spiritual awakening. Every birth is a magical act, performed through sex. Spiritual birth is no exception, and is accomplished through a divine form of sexuality. "The physical union of a man and a woman, in essence, is a supernatural act, a reminiscence of paradise, the most beautiful of all the hymns of praise

dedicated to the Creator by the creature; it is the alpha and the omega of all creation." - Samael Aun Weor * Enter into the sacred mysteries hidden in all major religions * Learn to practice the ancient science that inspired Tantra, Alchemy, Taoism, and other traditions * Filled with lively, entertaining stories, and practical exercises and guidance for personal development

 In 1893 New York, thirteen-year-old Maks, a newsboy, teams up with Willa, a homeless girl, to clear his older sister, Emma, from charges that she stole from the brand new Waldorf Hotel, where she works. Includes

historical notes.

Brothers in Arms, Level

4 Heinemann

Fiction. In English

translation. Jos Mara

Arguedas is one of the

few Latin American

authors who loved and

described his natural

surroundings, and he

ranks among the

greatest writers of any

time and place. He saw

the beauty of the

Peruvian landscape, as

well as the grimness of

social conditions in the

Andes, through the

eyes of the Indians

who are a part of it.

Ernesto, the narrator of

Deep Rivers, is a child

with origins in two

worlds. The son of a

wandering country

lawyer, he is brought

up by Indian servants

until he enters a

Catholic boarding

school at age 14. In

this urban Spanish

environment he is a

misfit and a loner. The

conflict of the Indian

and the Spanish

cultures is acted out

within him as it was in

the life of Arguedas.

For the boy Ernesto,

salvation is his world of

dreams and memories.

While Arguedas poetry

was published in

Quechua, he invented

a language for his

novels in which he

used native syntax

with Spanish

vocabulary. This makes

translation into other

languages extremely

difficult, and Frances

Horning Barraclough

has done a masterful

job, winning the 1978

Translation Center

Award from Columbia

University.

 Fuente Ovejuna (C.1613) is the most famous and frequently performed play by the creator of Spanish theatre, Lope de Vega (1562-1635).
 Astonishingly for its period, it celebrates the murder in 1476 of a nobleman, the Grand

Commander of the Military Order of Calatrava, by the peasants he had oppressed, and their subsequent solidarity under torture. Fuente Ovejuna, however, is less a history lesson or political tract than an optimistic moral fable. Lope de Vega: Fuente Ovejuna Odyssey Editions

Read this thought-provoking, critically acclaimed novel from Frances Hardinge, winner of the Costa Book of the Year and Costa Children's Book Awards for *The Lie Tree*. When Triss wakes up after an accident, she knows something is very wrong. She is insatiably hungry, her sister seems scared of her, and her parents whisper behind closed doors. She looks through her diary to try

to remember, but the pages have been ripped out. Soon Triss discovers that what happened to her is more strange and terrible than she could ever have imagined, and that she is quite literally not herself. In a quest to find the truth she must travel into the terrifying underbelly of the city to meet a twisted architect who has dark designs on her family—before it's too late . . . Set in England after World War I, this is a brilliantly creepy but ultimately loving story of the relationship between two sisters who have to band together against a world where nothing is as it seems.

Student's Book SCB Distributors

"The Pupil's Book presents and practises

new language through stories, songs and language practice activities, all within the framework of an optional unit task called the Mission. It provides 9 units, Review sections and a complete Grammar Reference in levels 4 to 6. Exam preparation is fully integrated in every unit with tasks gently introduced. Levels 2 to 6 include specific Exam practice lessons. Levels 1 and 2 provide Spanish handwriting font with a gentle introduction to reading and writing in Level 1."

commerce, tourism, nursing, or technology.

Collaborate Level 4 Student's Book English for Spanish Speakers Second Story Press

First published in Spain in the summer of 1929, *Concerning the Angels* (*Sobre los angeles*) is the great Spanish poet Rafael Alberti's masterpiece, on a par with T.S. Eliot's *The Waste Land*, Pablo Neruda's *Residencia en la tierra*, and Federico Garcia Lorca's *Poeta en Nueva York*. It marks a major departure from the light-hearted tone of the poet's earlier verse, which was notably influenced by Andalusian folksong. This bilingual text is at once intensely imaginative and intimately realistic, a lyrical illumination of the poet's "dark night

of the soul." Rafael Alberti, born in 1902, is the last surviving member of the so-called Generation of 1927 that included such notable Spanish poets Federico Garcia Lorca, Vicente Alexandre, Pedro Salinas, Jorge Guillen, and Luis Cernuda. Christopher Sawyer-Laucanno lives in Massachusetts and teaches in the program in Writing and Humanistic Studies at MIT.
