World Of Culinary Management
LeadershipThe World of Culinary
Management: Leadership and
Development of Human Resources, 6/e,
one of the only texts designed for human
resource management from a culinary

perspective, gives aspiring chefs the
foundational knowledge and skills
required to lead, supervise, and manage
food service workers. It outlines in clear
terms those elements crucial to success
in today's quality-driven foodservice
industry, with in-depth exploration of the
roles and responsibilities of a successful
food service ...World of Culinary
