Excerpt from Modern English, Vol. 2: A Practical English Grammar With Exercises in Composition The two books of this series have been named the Modern English Course, first because they aim to present the subject of language in accordance with modern principles of teaching, and second because they make no attempt to teach

historical grammar. The chief purpose of this book is to awaken an interest in the correct use of the English of to-day. It aims to give our boys and girls a clear insight into the structure of the English sentence, ability to express their own thoughts and to understand the thoughts of others, and an appreciation of the higher uses of language in literature. The aim of the work is to give the pupil a mastery of the fundamental facts of English grammar, and to lead him to use that knowledge in the interpretation of literature and in the expression of his own thought. The instruction has been made concrete by the use of illustrative examples. These examples have been

selected with great care from the works of the best writers, and they not only serve to make clear the grammatical points under consideration, but also aid in the formation of the pupil's literary taste, and help him to see that the laws of language are derived from the usage of the best writers and speakers. A Practical English Grammar DD BOOKS Learn English Grammar in 2 Weeks is a peerless book for those who are interested in having a written and spoken command of the English language. The fascination of this international language is unmatched. But it is replete with pitfalls which must be carefully avoided if one does not want to become a butt of laughter either in written or spoken English. Let us quote from the book itself; ♥♥A student of the English language ought to know the difference between 'English' and 'the English'♥♥ This book is a treasure house

of modern and current usage in English. As one flips through the pages of the book; one gains in knowledge and confidence The mystery of the English language unfolds itself in every page of this wonderful treatise. It is a single volume book that combines source grammar and practice exercises while explaining the rules of grammar and tackling seemingly contradictory rules. Since the book is for students of an Intermediary level, concise explanations are provided. It focuses on topics like grammar contrasts (whether to use 'would' or 'used to' in past tense construct) and grammar patterns for example will be going among others. What will you Learn from THE BEST BOOK OF ENGLISH GRAMMAR ✓ The book also explores more than hundred

units of grammar concepts and each unit is allocated two pages. While the left hand page is filled with grammar concepts with concise examples, the facing page comprises of practice exercises. ✓ This format has been followed to ensure that each point is brief but comprehensive. ✓ The book has been designed in such a way that it gives students freedom to choose what unit they want to practice. ✓ The order of the book does not need to be strictly followed as it is a revision guide and each topic is complete and self contained. Therefore, a student can just begin from the middle of the book, concentrate on the unit he or she finds difficulty in. If a student gets stuck at a certain exercise.

Best English Grammar Book Learn English Grammar in Two Week (Revised Edition) Adjective of English Grammar 2 Minute Grammar class This book was begun as a result of the author's experience in teaching some classes in English in the night preparatory department of the Carnegie Technical Schools of Pittsburg. The pupils in those classes were all adults and needed only such a course as would enable them to express themselves in clear and correct English. English Grammar, with them, was not to be preliminary to the grammar of another language, and composition was not to be studied beyond the everyday needs of the practical man. A verb is a kind of word (part of speech) that tells about an

action or a state. It is the main part of a sentence: every sentence has a verb. In English, verbs are the only kind of word that changes to show past or present tense. Best English Grammar Book Learn English Grammar in Two Week (Revised Edition) Adjective of English Grammar 2 Minute Grammar class Great difficulty was experienced because of the inability to secure a text that was suited to the needs of the class. A book was needed that would be simple, direct, and dignified; that would cover grammar, and the essential principles of sentence structure, choice of words, and general composition; that would deal particularly with the sources of frequent error, and would omit the non-essential points; and, finally that would contain an abundance of exercises and practical

work. Best English Grammar Book Learn English Grammar in Two Week (Revised Edition) Adjective of English Grammar 2 Minute Grammar class It is with these ends in view that this book has been prepared. The parts devoted to grammar have followed a plan varying widely from that of most grammars, and an effort has been made to secure a more sensible and effective treatment. The parts devoted to composition contain brief expositions of only the essential principles of ordinary composition. Especial stress has been laid upon letter-writing since this is believed to be one of the most practical fields for actual composition work. Because such a style seemed best suited to the general scheme and purpose of the book, the method of treatment has at times been

intentionally rather formal. Best English Grammar Book Learn English Grammar in Two Week (Revised Edition) Adjective of English Grammar 2 Minute Grammar class
