 With The Ultimate Guide to Chakras, tune in to your chakras, the power centers connecting your physical

body and the world of energy. Your chakras are the power centers that translate between the seen world of the physical body and the unseen world of energy. First discussed in ancient Hindu texts and studied for thousands of years in numerous spiritual traditions, including acupuncture, meditation, and yoga, chakras hold the key to our well-being. By tapping into the power of our chakras,

we can live healthier, balanced, and more abundant lives. Athena Perrakis, leading metaphysical teacher and creator of the world's largest online metaphysical resource website, SageGoddess.com, addresses the nine major chakras we can tap into to balance, heal, and manifest. This guide explains how and why different crystals, essential oils, and sacred plants help to

support each chakra. Each chapter of *The Ultimate Guide to Chakras* includes magical exercises for accessing the energy of each chakra, including meditations, journal exercises, and working with goddesses and spirit guides. Readers will even learn how to create a dedicated chakra altar. Lavishly photographed and illustrated, this guide promises to be an

essential volume for beginners and experienced energy workers alike. *The Ultimate Guide to...* series offers comprehensive beginner's guides to discovering a range of mind, body, spirit topics, including tarot, divination, crystal grids, numerology, witchcraft, aromatherapy, and more. Filled with beautiful illustrations and designed to give easy access to the information you're looking

for, each of these references provides simple-to-follow expert guidance as you learn and master your practice. *The Ultimate Guide to Text Girls, Sexting & Pickup* Penguin The creators of the popular blog HeTexted.com offer practical dating advice relevant for today's iPhone generation that clears up any mysteries about texting, friending, following, liking, LOLing and poking that have

become commonplace in the smartphone era.

How Pick Up Artists get more phone numbers and turn phone numbers into dates! Picking up young, beautiful women is changing.
Phones, texting, and social media are much

bigger parts of women's dating lives than they were five years ago. Attention spans are shorter. If you're not relevant to her - day to day, not just on "date night" - someone else will be. That's why we're giving you the top secret techniques that the world's top pickup artists have been using and refining for the past two years. Now you can use them too. Here's what

you'll be able to do after just the first few pages: Get her number almost EVERY TIME using the "magic words" that make flaking nearly impossible. (pg. 14-15)
Avoid the one fatal error that 60% of guys make after getting her phone number that kills their chances right then and there. (pg. 12-13)
Know whether to use phone or text (pg. 29-31) and how long to wait to get in touch (pg. 31-5) for every

situation. Use "callback humor" to make sure your first phone call has her dying to see you again... but only if you set it up properly when you first met her. (pg. 21-24) Text her while you're still talking to her so that your conversation continues 'naturally' even after you leave - and leads to a same night encounter or a date. Choose from among dozens of scripted messages to send. (pg. 15-18)

The Message Game is about many things. It's not just a dating guide for men to get dates quickly and efficiently through dating apps like Tinder, or social media. It's about becoming a good communicator, knowing how to lead conversations and being able to set up genuinely fun activities that maximize your sexual results

and relationships. With hundreds of analyzed screenshots collected from dedicated Message Game followers and Ice White himself, this is a visual guide with real stories of sex and adventures, and real conversations that have provided an understanding of successes and failures. All the learning has been done for you and compiled into a structured guide that can answer all

your possible questions. From maximizing how many contacts and phone numbers you get to setting up dates quickly, from getting dates to getting laid, and from logistics to escalation. The book also features special sections that are especially useful, such as: The Situation Index - A table of common situations with references to every single page that has explained or showed the

given situation. She isn't responding? She doesn't want anything serious? She says she is busy? She is only visiting your town or city? She thinks you just want sex? Whatever it is, we have the pages. Frequently Asked Questions - A summary of many common questions, such as how long you should wait to reply, how often you should message someone, if

you should use Tinder superlikes, if you should swipe a certain way on Tinder, and SO MUCH MORE. Without hesitation, this book is your own personal guide to getting the dates you want as frequently as possible. HOW Books Read the Wall Street Journal Bestseller for "cultivating intense focus" for fast, powerful performance results for achieving success and true meaning in one's professional life (Adam

Grant, author of Give and Take). Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly

competitive twenty-first century economy. And yet, most people have lost the ability to go deep—spending their days instead in a frantic blur of e-mail and social media, not even realizing there's a better way. In Deep Work, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is bad, he instead celebrates the power of its opposite.

Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four "rules," for transforming your mind and habits to support this skill. 1. Work Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A

mix of cultural criticism and actionable advice, Deep Work takes the reader on a journey through memorable stories-from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air-and no-nonsense advice, such as the claim that most serious

professionals should quit social media and that you should practice being bored. Deep Work is an indispensable guide to anyone seeking focused success in a distracted world. Finally! A Useful Guide on How to Text Girls

_____ Hi, my name is Zac Miller, and in my book The Art of The Text, I go over everything when it comes to how to text a girl. When you are done reading this book, you will know the right words to text to girls and the right time to say it. Girls will feel a sense of urgency to reply to your texts. You will get more dates and less flakes. You will understand

exactly what to text girls! Here's What You'll Learn In My Book:

—————▼—————

- • Why texting is such a BIG DEAL in today's society and how it can make or break your chances with girls! • Use the equation on this page to GUARANTEE you won't ever get flaked on for a date again. • My 3-step system for texting girls that has been time tested and it WORKS. • I devout all of Chapter 3 to explaining the

easiest ways to get a girl's number. • Learn how to build attraction with women and what your main focus of texting should be. • Should you use emoticons? • Don't be another guy making this very common mistake! • If a girl puts any of these items in her text messages, she's into you. • Violation of this rule will kill your chances with a girl faster than anything else. • Use this copy and paste line

after you get a girl's number to introduce yourself. • The two MAIN reasons guys mess up with texting AND with girls in general. • Use any of these TWENTY NINE "copy and paste" example opener messages to start texting girls right away. • I've found doing this one thing is the best chance you have if a girl isn't responding to your text messages. • Flip a common technique girls use on guys

and have her thinking about you all day. • A HUGE list of example nicknames you can assign to different girls you are texting. • The science of projecting messages into the future. • In chapter 6 I teach you how to ask girls on dates by giving you lines you can use via texts or on the phone. I don't leave you hanging either, I give you tons of great first date ideas and how to handle texts after the

date. • And so much MORE!

_____ As a complimentary bonus, only for book buyers, you'll receive my special report titled Subconscious Attraction, which teaches you 3 techniques which attract women on a subconscious level. This report is not available to the general public.
