Why Ministry in Forgotten Communities Matters Tyndale House
 Learn the secret of living with contentment, peace, and security. Pause for a moment and ask yourself what it would be like to be completely without fear. If you did not fear death. If you did not fear life and what it might bring. If you did not fear any man, or woman, or any living creature. How would you go about

your days differently? In *Life Without Lack*, Dallas Willard revolutionizes our understanding of Psalm 23 by taking this comfortably familiar passage and revealing its extraordinary promises: "The Lord is my shepherd, I shall not want. . . . I will fear no evil." The psalmist claims to live without any need and without any fear. How is that possible? Written with Willard's characteristic gentle wisdom, *Life Without Lack* helps readers experience God's presence, his abundant generosity, and peace and freedom from worry. Based on a series of talks by the late author and edited by his friend Larry Burtoft and by his daughter, Rebecca Willard Heatley, *Life Without Lack* will forever change the way

you understand and apply the most well-known passage in all Scripture. *The Divine Conspiracy* Colchis Books
 A hands-on and time-tested look at ways to pray that will strengthen your relationship with God and lead to transformation. *7 Ways to Pray* explores ancient prayer practices to help you encounter God and avoid an over-intellectualization of your faith. Each chapter shares real-life examples, is rooted in the Bible, and includes prayer exercises for individuals or groups. This is a sourcebook for prayer, not a simple to-do list. Amy is a storyteller that brings these proven practices to life so you can make them immediately actionable. This is

a great resource for your retreat, prayer group, or book club. Prayer is a gift from God; praying is a practice. We are always a simple word or single step away from a conversation with God. And yet taking that step or saying that word can sometimes feel confounding. This book draws from the deep well of Christian history to make praying a habit to enjoy in our crazy, bustling, wearying times. With seven ways of approaching prayer and practical examples of those ways to pray, you will find yourself regularly and repeatedly turning to God and finding him happy to hear from you.

Final Words on Heaven and the Kingdom of God InterVarsity Press

At a time when popular atheism books are talking about the irrationality of believing

in God, Willard makes a rigorous intellectual case for why it makes sense to believe in God and in Jesus, the Son.

Recover the Christian Mind, Renovate the Soul, Restore the Spirit's Power
InterVarsity Press

Western society is in crisis, the result of our culture's embrace of naturalism and postmodernism. At the same time, the biblical worldview has been pushed to the margins. Christians have been strongly influenced by these trends, with the result that the personal lives of Christians often reflect the surrounding culture more than the way of Christ, and the church's transforming influence on society has waned. In *Kingdom Triangle*, J.P. Moreland issues a call to recapture the drama and power of kingdom living. He examines and provides a penetrating critique of these worldviews and shows how they have ushered in the current societal crisis. He then lays out a strategy for the Christian community to regain the potency of kingdom life and influence in the world. Drawing insights from the early church, he outlines three essential ingredients of this revolution: ? Recovery of the Christian mind ? Renovation of Christian spirituality ? Restoration of the power of the Holy Spirit He believes that evangelical Christianity can mature and lead the surrounding society out of the meaningless morass it finds itself in with humility and vision.

Why We Can Trust Spiritual Knowledge Harper Collins

Bible teacher and acclaimed spoken-word artist David Bowden reveals the secret to winning the battle with sin. Many Christians believe the only way to fight sin is to grit our teeth, strengthen our resolve, and rise above the onslaught of temptation. But in reality, we have a far better weapon in our struggle with sin than the will-power mantras associated with diet and exercise. This weapon is not saying "no" to sin but saying "yes" to God. In *Rewire Your Heart*, David Bowden helps us discover God's plan to overcoming sin by rewiring our desires with the Gospel. When we invite the Holy Spirit to transform our underlying affections with the good news of Jesus, we begin to break free from the patterns of sin, guilt, and determination, and discover the richer fulfillment found in joyfully obeying God's commands.

Marcel Lewis is the owner of the only construction company on the island and is the key to making Cynthia's new dream a reality. The Divine Conspiracy has revolutionized how we think about the true meaning of discipleship. In this classic, one of the most brilliant Christian thinkers of our times and author of the acclaimed *The Spirit of Disciplines*, Dallas Willard, skillfully weaves together biblical teaching, popular culture, science, scholarship, and spiritual practice, revealing what it means to "apprentice" ourselves to Jesus. The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper

helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God.

Putting on the Character of Christ

Jazen Ink Press

From Dallas Willard, one of the most important Christian intellectuals of the twentieth century, comes a collection of readings, interviews, talks, and articles—many previously unpublished. In his groundbreaking books *The Divine Conspiracy*, *The Great Omission*, *Knowing Christ Today*, *Hearing God*, *The Spirit of the Disciplines*, *The Divine Conspiracy Continued*, and *The Allure of Gentleness*, teacher, philosopher, and spiritual guide Dallas Willard forever changed the way many Christians experience their faith. Three years after his death, the influence of this provocative Christian thinker—“a man devoted to reestablishing the exalted place moral reasoning once held in the academy” (*Christianity Today*) remains strong. Compiled, edited, and introduced by his friend and fellow theologian, Gary Black, Jr., *Renewing the Christian Mind* is a collection of essays, interviews, and articles that brilliantly encapsulate Willard's spiritual philosophy and his contributions to theology. *Renewing the Christian Mind* offers insight into spiritual formation, avocation, and theology, and includes sections directed at specific audiences, from church leaders to laypeople looking for spiritual counsel and nurture. Reasoned, honest, thought-provoking, and illuminating, this important anthology is an invaluable introduction and companion to Dallas Willard's acclaimed body of work.

Complete the Cycle of Grace How sweet the sound—it saved a wretch like you. It's amazing. But has God's grace changed you? Is it changing others through you? Richard Blackaby explores what may be causing you to miss out on an abundant life of grace, and how simply knowing about it is a far cry from embracing a grace-filled lifestyle. Once you fully experience and grasp its essence, you can't help but “practice” God's undeserved favor by passing it on to everyone around you. Grace shares a close relationship with love, is never static, and is always searching for those willing to receive it. This book focuses on pointed

and practical life application so that you can attain the power of gracious living today! Let God's Grace Flow Through You God's grace is so boundless, so contrary to human nature, and so unconditionally given that you will never understand it... ..until you give it away. Get ready to be washed in pure joy, renewed by a fresh sense of gratitude for the rich, undeserved favor God continually bestows upon you. Dr. Richard Blackaby explores what it means to make God's grace a lifestyle and how it will become personal, practical, and recognizable in your life. You'll discover: What genuine grace is and what it is not The power of life words and the devastation of death words The secret to establishing a grace-filled home How to recognize grace-giving opportunities Ways to extend grace when you don't think you can Unable to deny His unconditional love, or even to keep it to yourself, soon grace will have a face. And the reflection in your mirror will tell its story. Amazing Grace, How Sweet the Sound It's a living, breathing testament to the depth of God's love. You don't deserve it, but you've got it. So, what are you doing with God's amazing grace? Many Christians sing of its sweet sound, but fail to extend it to others—missing the point entirely. Putting a Face on Grace provides practical ways you can become a conduit of God's grace to those around you. Dr. Richard Blackaby's personal stories will have you nodding in agreement, laughing with empathetic understanding, and eagerly embracing a new life worth passing on. You will become the essential element that keeps God's life-giving grace flowing. And if you think you're unworthy of such an honor, that's good. That's grace... Story Behind the Book Much has been said about God's grace. Observing it, defining it, soaking it in. But little has been said about bringing it full circle, to the point where we freely receive and give it on a daily basis. This is what lifestyle grace is all about. Richard Blackaby's book hits a market in need, and “reinvents” grace for us all—exploding our understanding of this tremendous gift and bringing it into a new, tangible dimension.

We know that faith means “being sure of what we hope for and certain of what we do not see” (Hebrews 11:1, NIV). *Love Your God with All Your Mind* explains the importance of using your mind not only to win others to Christ but also to experience personal spiritual growth. Author J. P.

Moreland challenges you to use logic and reason to further God's kingdom through evangelism, apologetics, worship, and vocation. This revised edition includes expanded appendixes and three new chapters that outline how to reason for the reality of God and the historicity of Jesus' life teachings, death, and resurrection. *Renewing the Christian Mind* Crossway In this updated and expanded edition of Dallas Willard's beloved book, you'll gain rich spiritual insight into how to hear God's voice clearly and develop an intimate partnership with him. Including new material from Willard's teaching at Renovaré and reformatted for easier reading, this classic is still one of today's best spiritual resources.

Renovation of the Heart Zondervan

The revered Christian author whose bestselling classics include *The Divine Conspiracy* and *The Spirit of the Disciplines* provides a new model for how we can present the Christian faith to others. When Christians share their faith, they often appeal to reason, logic, and the truth of doctrine. But these tactics often are not effective. A better approach to spread Christ's word, Dallas Willard suggests, is to use the example of our own lives. To demonstrate Jesus's message, we must be transformed people living out a life reflective of Jesus himself, a life of love, humility, and gentleness. This beautiful model of life—this allure of gentleness—Willard argues, is the foundation for making the most compelling argument for Christianity, one that will convince others that there is something special about Christianity and the Jesus we follow.

Living a Life Worth Passing On

NavPress Publishing Group

Ask a crowd of Christians whether they believe in Jesus as Lord and Savior, and all hands will go up. Ask the same crowd whether they live like Jesus, and most of those same hands will come down. Why is this? Why is it so hard to bridge the gap between belief and real life? Respected author, professor, and psychologist Gary W. Moon thinks it has to do with our hyper-intellectual but non-experiential method of living the Christian life. In this winsome book Moon provides a thirty-day apprenticeship with Jesus, whereby readers will actively practice being with Jesus day in and day out. Each day's reading uses compelling stories and scripture to illustrate a point and closes with a suggested apprenticeship activity.
