Being able to forecast your future gives you a remarkable edge. Whether it's taking advantage of approaching opportunities or preparing for challenges that are heading your way, predictive astrology helps you maximize your innate potential—and make choices that will lead to a more satisfying life. The perfect companion to Llewellyn's Complete Book of Astrology, popular astrologer Kris Brandt Riske lends her signature easy-to-understand style to this definitive guide to predictive astrology. Step by step, she lays out clear instructions for performing each major predictive technique, including solar arcs, progressions, transits, lunar cycles, and planetary returns. She also provides a basic introduction to horary astrology, the method used to obtain answers to specific questions. Discover how to read all elements of a predictive chart and pinpoint when changes in your career, relationships, finances, and other important areas of life are on the horizon. To make learning even easier, this astrology book includes examples that illustrate major events in the lives of the author's clients as well as celebrities such as Marilyn Monroe, Jimmy Carter, Martha Stewart, and Pamela Anderson.

Llewellyn's Little Book of Halloween
 Llewellyn Worldwide

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. *No Country for Old Men* is a triumph.

Llewellyn's Complete Book of Divination Llewellyn Worldwide

Beyond the Taboos, the Power of Magick Awaits The rites and rituals of Witchcraft

are life-changing experiences, but they are also steeped in mystery.

Transformative Witchcraft delves into some of the most persistent mysteries of the Craft and provides insightful guidance for raising and directing magickal energy in accordance with your desires. Jason Mankey distills his decades of experience as he shares practical wisdom for raising a cone of power and detailed insights into creating powerful rituals for dedications, initiations, and elevations. In his chapter on drawing down the moon, he provides a vivid exploration of invocation and the subtle nuances in preparation and execution that can take the ritual to its most magisterial heights. This book also discusses one of the most mysterious of all the magickal rituals—the Great Rite. Whether you're interested in the Great Rite in token or in truth, there is much to be gleaned from the experiences related here on a topic that is frequently treated as taboo in much of the magickal literature. Direct experience with the divine and the potent energies of magick are defining experiences in a life of Witchcraft. Filled with compelling personal stories, a fascinating brief history of modern Wicca and Witchcraft, striking original rituals, and a wealth of tips and techniques, this book provides the beginning or intermediate Witch with the practical and theoretical keys they need to unlock the mysteries of the Craft. Praise: "A remarkable and refreshing exploration that is a must-read for anyone exploring contemporary Wicca and Witchcraft. Through a combination of in-depth historical research and charming personal narrative, Jason Mankey provides candid insight into important rituals and practices that are often glossed over or minimally explained in other

texts."—Laura Tempest Zakroff, author of *Sigil Witchery* and *Weave the Liminal*
"Transformative Witchcraft by Jason Mankey finds the perfect balance between the core teachings of magical tradition and the fresh cutting-edge magic of the modern witch. This well researched book digs deep exploring the foundations of witchcraft in a conversational and honest tone that makes the witchcraft mysteries accessible and current."—Mickie Mueller, author of *The Witch's Mirror* and *Llewellyn's Little Book of Halloween*
