CBRE's Perspective on the Global Data Center Landscape 'EdgeCenter — The Modular Data Center' by PRASA [The Cisco Data Center Story in 7 minutes.](#) Data Center Solutions Pivot3 Pivot3 offers hyperconverged infrastructure solutions for video-based workloads such as surveillance, analytics, visualization, and VDI in Safe and Smart environments including campuses, cities, casinos, airports, transit systems, and Federal facilities. Safe Airport. Designed to modernize airport security, surveillance and IT operations, the Safe Airport solution protects travelers and airport staff, safeguards entry points, and centralizes workload and system management. Pivot3 | Solutions Pivot3 builds hyperconverged solutions for mission-critical infrastructure in Safe and Smart environments such as campuses, cities, casinos, airports, transit and Federal facilities. Designed specifically for video-based workloads such as surveillance, analytics, visualization, and VDI, Pivot3 solutions lower TCO, reduce risk and liability and simplify management through automation. Pivot3 | Home Pivot3's patented EC, a technology it uses to achieve fault tolerance, enables up to 82% usable capacity compared to less than 50% on common HCI platforms. Rich data services that include data reduction technologies, thin provisioning, and space efficient snapshots and clones reduce capacity requirements further. Pivot3 | Datacenter Modernization Pivot3, a leading provider of intelligent infrastructure solutions for mission-critical video, has announced that American Security Today (AST) recognized the Pivot3 Virtual Security Operations Center (vSOC) with the Platinum 'ASTORS' Homeland Security Award For Best Video Data Storage Solution. The Annual 'ASTORS' Awards, now in its fifth year, is the preeminent U.S. Homeland Security ... Pivot3 vSOC Wins 2020 'ASTORS' for Best Video Data Storage ... LOUISVILLE, Colorado, December 15, 2020 — Pivot3, the leading provider of intelligent infrastructure solutions

for mission-critical video, announced today that American Security Today recognized the Pivot3 Virtual Security Operations Center (vSOC) with the Platinum 'ASTORS' Homeland Security Award For Best Video Data Storage Solution. The Annual 'ASTORS' Awards, now in its fifth year ... Pivot3 | Pivot3 Virtual Security Operations Center Wins ... Built-in Data Security. Pivot3 delivers only the desktop image to the client viewing station using a secure protocol; video and related data remain securely in the data center, and stateless clients do not store any data locally. This eliminates the risk of compromise or unauthorized download and distribution of sensitive data. Pivot3 | Pivot3 Virtual SOC The new Pivot3 solutions empower organizations dealing with the enormous growth of video to capture, store and analyze massive amounts of video data while controlling infrastructure investments. The new solutions combine the power of the AMD EPYC processors along with Pivot3's software optimized for video workloads to help ensure video loss ... Pivot3 | Pivot3 Improves Economics For Mission Critical ... Pivot3's intelligent hybrid cloud and IoT solutions provide security, resilience and simplicity at scale for customers' mission-critical business services. Powered by the industry's only Intelligence Engine, Pivot3 automates the management of applications, delivers industry-leading performance, eliminates unplanned downtime and reduces the cost of traditional IT infrastructure by half or more.
