The Things They Carried HarperCollins

A self-described failed filmmaker falls obsessively in love with her theorist-husband's colleague: a manifesto for a new kind of feminism and the power of first-person narration. In *I Love Dick*, published in 1997, Chris Kraus, author of *Aliens & Anorexia*, *Torpor*, and *Video Green*, boldly tore away the veil that separates fiction from reality and privacy from self-expression. It's no wonder that *I Love Dick* instantly elicited violent controversies and attracted a host of passionate admirers. The story is gripping enough: in 1994 a married, failed independent filmmaker, turning forty, falls in love with a well-known theorist and endeavors to seduce him with the help of her husband. But when the theorist refuses to answer her letters, the husband and wife continue the correspondence for each other instead, imagining the fling the wife wishes to have with Dick. What follows is a breathless pursuit that takes the woman across America and away from her husband and far beyond her original infatuation into a discovery of the transformative power of first person narrative. *I Love Dick* is a manifesto for a new kind of feminist who isn't afraid to burn through her own narcissism in order to assume responsibility for herself and for all the injustice in world and it's a book you won't put down until the author's final, heroic acts of self-revelation and transformation.

The State of Food Security and Nutrition in the World 2021 Harper Collins

"The object of this essay is to explain as clearly as I am able, the grounds of an opinion which I have held from the very earliest period when I had formed any opinions at all on social or political matters, and which, instead of being weakened or modified, has been constantly growing stronger by the progress of reflection and the experience of life: That the principle which regulates the existing social relations between the two sexes- the legal subordination of one sex to the other- is wrong in itself, and now one of the chief hindrances to human improvement ; and that is ought to be replaced by a principle of perfect equality, admitting no power or privilege on the one side, nor disability on the other."--Page 1.

Achilles in Vietnam Knopf

The million-copy bestseller, which is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling.

Small is Beautiful Sheba Blake Publishing Corporation

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective

stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

Andersonville Diary, Escape, and List of the Dead Houghton Mifflin Harcourt

Going After Cacciato HarperCollins UK

During the Vietnam War Bao Ninh served with the Glorious 27th Youth Brigade. Of the five hundred men who went to war with the brigade in 1969, he is one of only ten who survived. *The Sorrow of War* is his autobiographical novel. Kien works in a unit that recovers soldiers' corpses. Revisiting the sites of battles raises emotional ghosts for him and the memory of war scenes are juxtaposed with dreams and remembrances of his childhood sweetheart. *The Sorrow of War* burns the tragedy of war in our minds.

Tomcat in Love Gale, Cengage Learning

In the days when hunger could be cultivated and practiced as an art form, the individuals who practiced it were often put on show for all to see. One man who was so devout in his pursuit of hunger pushed against the boundaries set by the circus that housed him and strived to go longer than forty days without food. As interest in his art began to fade, he pushed the boundaries even further. In this short story about one man's plight to prove his worth, Franz Kafka illustrates the themes of self-hatred, dedication, and spiritual yearning.

A Study of Economics as If People Mattered Spark Notes

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa,

and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Why We Tell Stories Chelsea House

INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. "This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom." —Wim Hof Wim Hof has a message for each of us: "You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation." With *The Wim Hof Method*, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as "The Iceman" for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- **Breath**—Wim's unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body's untapped strength
- **Mindset**—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- **Science**—How users of this method have redefined what is medically possible in study after study
- **Health**—True stories and testimonials from people using the method to overcome disease and chronic illness
- **Performance**—Increase your endurance, improve recovery time, up your mental game, and more
- **Wim's Story**—Follow Wim's inspiring personal journey of discovery, tragedy, and triumph
- **Spiritual Awakening**—How breath, cold, and mindset can reveal the beauty of your soul

Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. "This is how we will change the world, one soul at a time," Wim says. "We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction." If you're ready to explore and exceed the limits of your own potential, *The Wim Hof Method* is waiting for you.

their arrival, his wife mysteriously vanishes into the watery wilderness.

The Virtual Community, revised edition HMH

Howard Rheingold tours the "virtual community" of online networking. Howard Rheingold has been called the First Citizen of the Internet. In this book he tours the "virtual community" of online networking. He describes a community that is as real and as much a mixed bag as any physical community—one where people talk, argue, seek information, organize politically, fall in love, and dupe others. At the same time that he tells moving stories about people who have received online emotional support during devastating illnesses, he acknowledges a darker side to people's behavior in cyberspace. Indeed, contends Rheingold, people relate to each other online much the same as they do in physical communities. Originally published in 1993, *The Virtual Community* is more timely than ever. This edition contains a new chapter, in which the author revisits his ideas about online social communication now that so much more of the world's population is wired. It also contains an extended bibliography.

A CLASSIC FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF *THE THINGS THEY CARRIED* "To call *Going After Cacciato* a novel about war is like calling *Moby-Dick* a novel about whales." So wrote *The New York Times* of Tim O'Brien's now classic novel of Vietnam. Winner of the 1979 National Book Award, *Going After Cacciato* captures the peculiar mixture of horror and hallucination that marked this strangest of wars. In a blend of reality and fantasy, this novel tells the story of a young soldier who one day lays down his rifle and sets off on a quixotic journey from the jungles of Indochina to the streets of Paris. In its memorable evocation of men both fleeing from and meeting the demands of battle, *Going After Cacciato* stands as much more than just a great war novel. Ultimately it's about the forces of fear and heroism that do battle in the hearts of us all. Now with Extra Libris material, including a reader's guide and bonus content

10:00 tonight at the water tower. Tell no one. -Chaos Club When Max receives a mysterious invite from the untraceable, epic prank-pulling Chaos Club, he has to ask: why him? After all, he's Mr. 2.5 GPA, Mr. No Social Life. He's Just Max. And his favorite heist movies have taught him this situation calls for Rule #4: Be suspicious. But it's also his one shot to leave Just Max in the dust... Yeah, not so much. Max and four fellow students-who also received invites-are standing on the newly defaced water tower when campus security "catches" them. Definitely a setup. And this time, Max has had enough. It's time for Rule #7: Always get payback. Let the prank war begin. Oceans 11 meets The Breakfast Club in this entertaining, fast-paced debut filled with pranks and cons that will keep readers on their toes, never sure who's pulling the strings or what's coming next.

The Classic Tale (Large Print): (Thomas Hardy Masterpiece Collection) Sounds True Linguists routinely emphasise the primacy of speech over writing. Yet, most linguists have analysed spoken language, as well as language in general, applying theories and methods that are best suited for written language. Accordingly, there is an extensive 'written language bias' in traditional and present day linguistics and other language sciences. In this book, this point is argued with rich and convincing evidence from virtually all fields of linguistics.

[Activate Your Full Human Potential](#) Bloomsbury Publishing

A "perceptive, affectionate, and often very funny" novel about old college friends at a thirty-year reunion, by the author of *The Things They Carried* (Boston Herald). From a National Book Award

winner who's been called "the best American writer of his generation" (San Francisco Examiner), July, July tells the story of ten old friends who attended Darton Hall College together back in 1969, and now reunite for a summer weekend of dancing, drinking, flirting, reminiscing—and regretting. The three decades since graduation have brought marriage and divorce, children and careers, hopes deferred and replaced. This witty, heart-rending novel about men and women who came into adulthood at a moment when American ideals and innocence began to fade, a New York Times Notable Book, is "deeply satisfying" (O, the Oprah Magazine) and "almost impossible to put down" (Austin American-Statesman). "A symphony of American life." —All Things Considered, NPR
With Name, Co., Regiment, Date of Death and No. of Grave in Cemetery Gale, Cengage Learning

A classic from the New York Times bestselling author of *The Things They Carried* "One of the best, most disturbing, and most powerful books about the shame that was / is Vietnam." —Minneapolis Star and Tribune Before writing his award-winning *Going After Cacciato*, Tim O'Brien gave us this intensely personal account of his year as a foot soldier in Vietnam. The author takes us with him to experience combat from behind an infantryman's rifle, to walk the minefields of My Lai, to crawl into the ghostly tunnels, and to explore the ambiguities of manhood and morality in a war gone terribly wrong. Beautifully written and searingly heartfelt, *If I Die in a Combat Zone* is a masterwork of its genre. Now with Extra Libris material, including a reader's guide and bonus content.
