Online
Practice offers
everything*

you'll need to hone your skills before taking the big test. In this easy-to-use, complete guide, expert Rod Powers – a retired First Sergeant from the U.S. Air Force – covers the Armed Services Vocational Aptitude Battery like no one else can. The book offers in-depth reviews of all nine test subjects, along with complete explanations for every question. To give you the opportunity to sharpen your

test-taking skills, the guide also offers exercises and tips that will help you pinpoint the areas where you need the most help. To make sure you're as prepared as can be, access to practice tools online takes things one step further, featuring over one thousand questions that allow you to create your own optimized exams so you'll be ready on test day. Offers comprehensive preparation

with six full-length ASVAB practice tests that will sharpen your test-taking skills Provides two AFQT practice tests to assess enlistment eligibility Gives you the ability to create your own tests for practice where you really need it, along with feedback on your progress Offers 300 flashcards to improve your vocabulary Jump in to 2015/2016 ASVAB For Dummies and take your military test-

taking skills to the next level.
