Sugar and Spice . . . Not everyone's nice. Fresh from being betrayed by one of her closest friends, new reality-television celebrity Jane Roberts has learned a few lessons. Most important: know who to trust. And in Hollywood, that list is short. Although the press is intent on creating a tabloid war between her and ex-friend/current-costar Madison Parker, Jane just wants to take control of her life. She's started by swearing off guys and the drama that comes with them. But when her high school sweetheart Caleb and her unrequited L.A. crush Braden show up, both acting sweeter than ever, Jane has a hard time remembering her no-boys rule. . . . Her best friend, Scarlett, has only one guy on her mind: her new boyfriend, Liam. The girl who once thought love was a four-letter word is now head over heels. The problem is, being on a hit reality show means hanging out with other guys on-camera, and Liam isn't too happy with pretending to play a

bit part in her love life. Just when everything feels out of control, Jane makes a shocking discovery—one that changes everyone's definition of "reality" forever. In her deliciously entertaining novel, television star Lauren Conrad pulls back the curtain on young Hollywood and shows that sometimes the real drama is behind the scenes.

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from

which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic.  Why is What's My Line? TV star and Pulitzer-Prize-nominated investigative reporter Dorothy Kilgallen one of the most feared journalists in history? Why has her threatened exposure of the truth about the JFK assassination triggered a cover-up by at least four government agencies and resulted in abuse of power at the highest levels? *Denial of Justice*—written in the spirit of bestselling author Mark Shaw's

gripping true crime murder mystery, *The Reporter Who Knew Too Much*—tells the inside story of why Kilgallen was such a threat leading up to her unsolved murder in 1965. Shaw includes facts that have never before been published, including eyewitness accounts of the underbelly of Kilgallen's private life, revealing statements by family members convinced she was murdered, and shocking new information about Jack Ruby's part in the JFK assassination that only Kilgallen knew about, causing her to be marked for danger. Peppared with additional evidence signaling the potential motives of Kilgallen's arch enemies J. Edgar Hoover, mobster Carlos Marcello, Frank Sinatra, her husband Richard, and her last lover, *Denial of Justice* adds the final chapter to the story behind why the famous journalist was killed, with no investigation to follow despite a staged death scene.
