"You want the dreams they dreamed of to come true-Then They Do." That line from one of country music's best songs in recent memory pretty much sums up the way millions of parents feel about their children. Many times as they are growing up and driving you crazy, you dream of when they will be out of the house-and you will have your life back again-and then they do. Then They Do is filled with heartwarming, and sometimes tear-inducing, stories from parents about cherishing the moments with your children and celebrating the fine young men and women they have become. This book will serve as a reminder to parents to seize those moments when their tiny ones are still underfoot, and will be a nostalgia-inducing keepsake for those whose children have moved upwards and onwards. A fine gift for parents young and old or for grown children in the midst of raising their own families.

Hace años que los entendidos venían pronosticando el exitoso crossover de Shakira. La cantante firmó su primer contrato discográfico a los trece años, grabó su segundo álbum a los quince y actuó en una telenovela popular en su Colombia natal. Tenía solamente diecinueve años cuando su tercer álbum, *Pies descalzos*, la convirtió en la artista de mayor venta en Latinoamérica. Si bien su siguiente álbum, *Dónde están los ladrones?*, ganó ocho discos de platino en Estados Unidos, no fue hasta su actuación electrizante en la primera entrega de los Premios Grammy Latinos que llamó la atención de todo el país. Aunque el éxito le llegó a una edad tan temprana, a los veinticuatro años Shakira tiene los pies firmes sobre la tierra y rechaza los estereotipos que rodean a las estrellas de rock. Ella es una católica devota, vive con sus padres y cuando no está grabando o de gira prefiere pasar el tiempo con su familia. Esta rockera es una de las pocas estrellas que combinan talento, carisma y sensibilidad, y que además saben

muy bien lo que quieren. Para la cantante más fascinante de América Latina desde Ricky Martin, las posibilidades son ilimitadas. Para los millones de personas que ya compran sus discos, Shakira representa la voz de la nueva generación.
