No.1 Mumbai Municipal Corporation ... - Building REPAIR  
 Structural Audit Of Buildings Research2. Structural Audit 2.1  
 What is Structural Audit? Structural Audit is an overall health and  
 performance checkup of a building like a doctor examines a  
 patient. It ensures that the building and its premises are safe and  
 have no risk. It analyses and suggests appropriate repairs and  
 retrofitting measures required for the buildings to perform better  
 in its service life. Structural audit is done by an experienced and  
 licensed structural consultant. 2.2 Purpose of Structural  
 AuditStructural Audit of BuildingsStructural Audit is an overall  
 health and performance check-up of a building like a doctor  
 ensures that the building and its premises are safe and have no  
 risk. It analyses and suggests appropriate repairs and retrofitting  
 measures required for the buildings to perform better in its  
 service life.Structural Audit of Old StructuresThe structural  
 auditing will help to weed out death traps in form of habitation  
 and inform maintenance and repair work which will lead to  
 prolonged life of the building and safety of the occupants.(PDF)  
 Structural Audit of Buildings: Perspectives and ...The structure  
 can be of any kind like residential building or non-commercial  
 buildings or historical or ancient monuments had the huge impact  
 on human life because of their long lifespan which made them  
 efficient structure, but this effect of nowadays structures can't be  
 seen anywhere.Research Paper: Structural audit of RCC building  
 ...Structural Audit of Buildings 413 2.3 Bye-Laws As per clause  
 No.77 of revised Bye-Laws of Cooperative Housing Societies: "The  
 Society shall cause the 'Structural Audit' of the building as  
 follows: For building aging between 15 to 30 years once in 5  
 years For building aging above 30 years Once in 3 years  
 3.Structural Audit Of Buildings - Research India ...Structural Audit  
 is an important tool for knowing the real status of the old  
 buildings. The Audit should highlight & investigate all the risk  
 areas, critical areas and whether the bldg. needs immediate  
 attention.Structural Audit - Research Publish JournalsA 'read' is  
 counted each time someone views a publication summary (such  
 as the title, abstract, and list of authors), clicks on a figure, or  
 views or downloads the full-text.Building Inspection Table format  
 for Structural Audit of ...Structural audit is the overall health and

performance checkup of the building like doctor check the  
 patient. Structural audit helps to understand the status of the old  
 building. The Audit helps to highlight & investigate all the risk  
 areas, critical areas and whether the building. needs immediate  
 attention. It cover the structural analysis ofSTRUCTURAL AUDIT
