Immortality Book By Milan
 Kundera Milan Kundera's
 'Immortality', starts great,
 gets better, and ended
 with a lump in my throat,
 and a soul that was struck
 by a chord. No actually,
 forget the single chord,
 this was more like an
 Orchestra going in full
 swing. Kundera has
 worked wonders here. To
 become engaged within
 the first few pages of a
 book is always a good
 sign. Immortality by Milan
