Slaying In My Lane 52 Weekly Affirmations You have the incredible potential to be, do, and receive whatever you desire, imagine, and truly believe. Unfortunately, however, only a small number of people achieve their full human potential, because they fail to recognize and harness the infinite power of the subconscious mind--the divinity within them and around them. The secret to success is no secret. It has been in practice for thousands of years. The most successful people throughout history are not those who merely accept the reality presented to them but those who imagine a better reality and believe in it so deeply that they are actually able to create a new reality--to change the state of being around them. In this book, you discover how to create your own new reality through desire, imagination, and belief: Part 1: Affirmation Essentials: Here you

discover how to plant thoughts into your subconscious mind, so it can begin to work miracles in transmuting your thoughts into reality, often with little or no effort on your part. Part 2: Weekly Affirmations: These 52 weekly affirmations empower you to improve every aspect of your life, including your health, wealth, relationships, marriage, and career. Each weekly affirmation is accompanied by commentary that places the affirmation in the context of real life, so you can more clearly imagine and start appreciating the new reality you are about to experience. Part 3: More Techniques for Planting Thoughts in the Subconscious Mind: These additional techniques enable you to plant thoughts in your subconscious mind and crystallize your vision. The more clearly and distinctly you are able to imagine yourself being, doing, or receiving that which you desire, the more certain your desire will be fulfilled. Part 4: Unlock the Infinite Power Within You: Part 4 reveals the principles upon which the practice is based and relates true stories of people who solved

problems, healed themselves and others, saved lives, improved relationships, achieved career success, and attracted wealth, through the power of affirmation. Part 4 also reveals the role the subconscious mind plays in out-of-body experiences, extrasensory perception, mental telepathy, clairvoyance, precognition, remote viewing, and other psychic powers. This book is your personal guide to leading a happier, wealthier, and more fulfilling life. By following the guidance offered here, you can stop going through life as a victim of circumstances and become the master of your own destiny. You discover how to harness the power of your own mind and the infinite resources surrounding you to be, do, and receive whatever you desire, imagine, and believe. **Success Affirmations** 'Jack has been inspiring people to live their best lives for decades' Oprah Winfrey Bestselling author of **CHICKEN SOUP FOR THE SOUL** will guide you through to new levels of passion, purpose and prosperity, with 52 affirmations and time-tested wisdom. Tuesday Morning Love

Tuesday Morning Love is a

compelling book of memoirs that impact - and transform - the seat of the soul. In this book, Rochelle Soetan, creative publisher of the popular inspirational blog 'Tuesday Morning Love' explores the questions and answers of personal growth that emerge from the challenges of everyday life. From matters of health to humanity and audacity to inspiration, Rochelle expresses through her writings that awareness is the bridge to facilitate the shift from obliviousness to mindfulness. Using chronicles from her own life experiences, as well as exclusive narratives shared by some of the courageous people she's met over the years, Rochelle Soetan offers inspirations and affirmations as road maps to help us navigate through the journey of life. The 52 commentaries in Tuesday Morning Love transport the reader from page to page, with love and light, and each represent a quality of usefulness that can provide thought-provoking space for deliberation, gratefulness, and renewal. Whether the experience is loss, forgiveness, transformation, or finding

inner peace - Tuesday Morning Love provides reinforcement on how to honor one's self and withstand the storms of life in order to embrace the rainbows that are sure to follow. Written in the same engaging style and personal approach as the blog, Tuesday Morning Love is a book that deliberately speaks to the soul, and compels the reader to reach deep within for reflection, restoration, and radical reform.
