BOOK The Knight in Rusty Armor has been a real success among its audience, selling more than one million copies worldwide. It is considered to be a motivational book that falls into the self-help category. It is an easy-to-follow narrative, making it accessible to everyone, built with some humor, and is enjoyed by adults, teenagers and children alike. The book tells a story of a somewhat

egocentric man, who lives his life concerned with his appearance. Everything he does is without consideration for his wellbeing, rather with the aim of seeking approval of others... Little by little he is locked in his armor, which over time rusts and leaves him imprisoned by his appearance. Then comes a life of reflection and recovery for him. He embarks on a

journey to free himself from his prison, during which he enlists the help of a magician. It is an excellent allegory that teaches the importance of being who you are on the inside, without the need to mask your appearance. *Good With His Hands* Fog City Publishing, LLC
 “When you think that life cannot get better, Blake Pierce comes up with another masterpiece of thriller and mystery! This

book is full of twists, and the end brings a surprising revelation. Strongly recommended for the permanent library of any reader who enjoys a very well-written thriller." -- Books and Movie Reviews (re Almost Gone) DEATH IN FLORENCE is book #2 in a charming new cozy mystery series by USA Today bestselling author Blake Pierce, whose #1 bestseller Once Gone has received 1,500 five-star reviews. The

series (A YEAR IN EUROPE) begins with book #1 (A MURDER IN PARIS). Diana Hope, 55, is still adjusting to her recent separation when she discovers her ex-husband has just proposed to a woman 30 years younger. Secretly hoping they would reunite, Diana is devastated. She realizes the time has come to reimagine life without him—in fact, to reimagine her life, period.

Devoting the last 30 years of her life to being a dutiful wife and mother and to climbing the corporate ladder, Diana has been relentlessly driven, and has not taken a moment to do anything for herself. Now, the time has come. Diana never forgot her first boyfriend, who begged her to join him for a year in Europe after college. She had wanted to go so badly, but it had seemed like a wild, romantic idea, and a

gap year, she'd thought, would hinder her resume and career. But now, with her daughters grown, her husband gone, and her career no longer fulfilling, Diana realizes it's time for herself—and to take that romantic year in Europe she'd always dreamed of. Diana prepares to embark on the year of her life, finally turning to her bucket list, hoping to tour the most beautiful sights and sample the

most scrumptious cuisines—and maybe, even, to fall in love again. But a year in Europe may have different plans in store for her. Can A-type Diana learn to go with the flow, to be spontaneous, to let down her guard and to learn to truly enjoy life again? In **DEATH IN FLORENCE** (Book #2), Diana arrives in Florence, ready to shake off the events of Paris and fulfill her lifelong dream of being

proposed to on the romantic Ponte Vecchio bridge. But Diana can never possibly anticipate what she is about to find on that bridge, and how it may just turn her romantic dream into a ridiculous nightmare! **A YEAR IN EUROPE** is a charming and laugh-out-loud cozy mystery series, packed with food and travel, with mysteries that will leave you on the edge of your seat, and with experiences that will leave

you with a sense of wonder. As Diana embarks on her quixotic quest for love and meaning, you will find yourself falling in love and rooting for her. You will be in shock at the twists and turns her journey takes as she somehow finds herself at the center of a mystery, and must play amateur sleuth to solve it. Fans of books like *Eat, Pray, Love* and *Under the Tuscan Sun* have finally found the cozy

mystery series they've been hoping for! Book #3 (*VENGEANCE IN VIENNA*) in the series is now also available! *Taken by the Duke* Entangled: Scandalous Sarah Jardin has been quite dreadfully in love with David Rochester her whole life. As the youngest of five daughters, her family and society neglect her. She's outspoken, brash, and terribly ungraceful. In

short, not at all a lady...until she's taken under the benevolent wing of Lady Lancaster and invited to join the Young Ladies Garden Society. But Sarah's new life—filled with the mysteries and intrigues of high society—is interrupted by an unexpected scandal. Her scandal. In a moment of kindness, David comforts her...and they are discovered and forced to marry. Even as the

newlyweds must come to terms with their new arrangement, they find themselves drawn into the investigation of a dangerous conspiracy. With life and love on the line, their unexpected marriage will either end in rapture...or ruin. Each book in the Lady Lancaster Garden Society series is **STANDALONE:**

Dirt, blood and iron: an unputdownable medieval epic for fans for M.K. Hume and Matt Harffy. France, 1351-2: Kemp and his men are captured in a skirmish near Calais, and subsequently imprisoned in a French castle. All attempts at

escape are punished with death. Then Sir Hugues de Beauconray comes to Kemp with an offer: escort a Dominican friar on a quest to steal a mysterious book from an abbey in Scotland. Fail, and ten of Kemp's friends will be hanged. In the hotly-disputed border country, Kemp will need all his skills as a swordsman and archer if he is to return to France and rescue his comrades. But more importantly,

A brilliant medieval action thriller perfect for fans of Bernard Cornwell, Matthew Harffy and

Giles Kristian. It is 1347 and the French, after a crushing defeat at Crécy, are licking their wounds while their king raises a new army. Locked into a fruitless siege, the English are camped in the marshes around Calais. Among them is foot soldier and archer Martin Kemp, whose dreams of serving his king and reliving the chivalrous adventures of King Arthur's Knights of the Round Table are tempered

by the gory and brutal reality of siege warfare. Having narrowly escaped death in a surprise attack from the French, Kemp sees a chance for a reprieve when a shaky truce is signed. But can there really be peace for a man like Kemp? Kemp: Passage at Arms is packed with authentic period detail and narrative verve, and cements Jonathan Lunn's reputation as one of the

most entertaining historical thriller writers working today. *A Love Song for Dreamers* Blake Pierce No matter what field one may be in, there is a need to market oneself, and Girard, bestselling author of "How to Sell Anything to Anybody," reveals important sales secrets for everyday life. *The Past Revealed* Founded on Goodbye "Barbara Freethy is one

Molly Trent is a passionate herbalist whose sorrow-filled childhood has driven her to a new mission in life—to make people feel better. Unfortunately, a series of burglaries at her wellness shop and a disgruntled

customer put her in the path of a cynical and suspicious detective, who thinks she does more harm than good. She's used to criticism, but she sees something in the tightly-controlled police detective that she wants to unleash, if only she could get him to trust her. Trust doesn't come easily to Detective Adam Cole. He has been a loner for as long as he can remember. He's very good at

protecting people. He's great at being a friend, but relationships that go beyond that—not so much. After a heartbreaking tragedy at nineteen, he put up walls that are never coming down. Despite what Molly Trent might think, he does not need help or herbs to be happy. Unfortunately, what he needs is her. The chemistry between them almost makes him wonder if she hasn't cast some sort of spell over

him. But he fights their attraction hard, because he doesn't do forever, and he can't imagine that an optimistic romantic like Molly would settle for anything less. But when they get tangled up in life and love, anything can happen... Irresistible and captivating romance awaits in TANGLED UP IN YOU, the next book in the Whisper Lake Series.
