 A nationally

 astrologer
 explores the
 connection
 between
 spiritual

emergencies
 at age 30, 40,
 and 50 and
 key
 astrological
 passages of
 Saturn,
 Uranus, and

Chiron. •
Provides techniques for directing the kundalini energy released during planetary passages for optimal personal and psychic development. • Includes charts for birth years starting in 1930 so that readers can determine the timing of their planetary passages. • By Barbara Hand Clow, author of the bestselling Pleiadian Agenda (60,000 copies sold).

Kundalini--the energy of eros that lies at the base of the spine--can be overwhelming once activated. Times of activation coincide with the key astrological passages of Saturn, Uranus, and Chiron in one's birth chart and are often experienced as periods of spiritual emergency, confusion, and imbalance. In Liquid Light of Sex, Barbara Hand Clow opens up new dimensions for understanding

what occurs during these key life passages, which most of us experience three times in our lives. In the author's words, "we form at age 30, we transform at age 40, and we transmute at age 50." Focusing on the transformation at age 40--the time of imbalance and spiritual confusion often referred to as the "midlife crisis"--she explores how kundalini energy, the liquid light of

sex, can be creatively channeled by unblocking the chakras. Offering effective methods for achieving physical, emotional, and spiritual growth during this important life passage, *Liquid Light of Sex* presents a roadmap for using celestial cycles to navigate positively and productively in times of great life change. *Astrological Aromatherapy* Austin Macauley Publishers In this

groundbreaking book, Michelle draws from such diverse fields as biology, mythology, energy medicine, and the spiritual traditions. While bravely sharing her own process, she weaves a poetic and practical. *Becoming Sacred Space* is a primer to help us realign to our inner truth, reconnect to our deep resources, and bring forth the sustainable and vibrant Selves that our beloved

planet needs us to be in this time of transformation. By attuning to the archetypes and integrating their wisdom, we as a species can come back into balance with the greater ecological system. Some of the shifts in understanding of these timeless stories have altered the way the energy manifests. By reconnecting directly to these sources, we can update the Message

in its living form within us and our actions in the world will reflect this new, yet never forgotten, truth of our being.

Reverend Sunday has discovered the secrets and the intentions of his lifes work, and you will be amazed to find out WHO Nostradamus really was. If you are curious about Planet X- Wormwood, then you will find out how

that ties into these hidden revelations. There always comes a time when hidden things are revealed to a Prophet. (Daniel 2:22; Amos 3:7.) The second Prophet, William Branham, was way ahead of his time in his understanding of supernatural phenomenon; and his revelations on the Book of Genesis regarding the apple and its sexual connotations lost him favor with the approved

church then, and now. Prophets are rarely understood in their own age. These TWO PROPHETS were brought together to this unknown Sophe/Scribe chosen to disclose the hidden, amazing information, and revelation for our day...To GOD be the GLORY. ancient Mesopotamia to the 21st century. In addition to surveying the Western tradition, the book explores Islamic, Indian, East Asian, and Mesoamerican astrology. The field of astrology is growing rapidly, as historians recognize its centrality to the intellectual life of the past and sociologists and anthropologists treat its importance in a number of modern

cultures. Despite the historical and cultural significance of the subject, most reference works on astrology focus on instructional techniques and are written by astrologers with little or no interest in the history of the topic. This book instead offers an objective treatment of astrology across world history from ancient Mesopotamia to the present. The book provides

alphabetically arranged entries by expert contributors writing on such topics as horoscopes, court astrologers, Renaissance astrology, and comets. While it considers the Western tradition, it also treats Islamic, Indian, East Asian, and Mesoamerican astrology. In doing so, it explores the role of astrology in shaping science, literature, religion, art, and other defining

cultural traditions. Sidebars offer excerpts from various historical texts, while entries provide suggestions for further reading. 360 Degrees of Your Star Destiny Llewellyn Worldwide A fresh and insightful guide to using astrology to nurture the creative spirit. Few aspects of life are as mysterious, or as rewarding, as expressing our creativity, in whatever form it takes. Writing,

painting, dancing, designing, acting, inventing, teaching—the self and other creative pursuits require courage, determination, and visions, qualities that can be elusive, for beginners and professionals alike. Astrologer and writer Trish MacGregor offers more than words of encouragement; after years of astrological study and practice, she delivers concrete advice,

meditations, and exercises to help each of us find and develop our creative voice. Covering Sun, Moon, Ascendant, and Jupiter signs as well as the houses and other aspects of an astrological chart. The Mayan Code shows how the time cycles of the Calendar match important periods in the evolutionary data banks of Earth and the Milky Way Galaxy. These stages of evolution are converging during the final stage of the Calendar, the period between 1999 and 2011. War and

territoriality, resource management and separation from nature, are all part of daily events we must process during these few short years: evidence of the tightening spiral of time that we experience as time speeding up. Barbara Hand Clow counsels that our own personal healing is the most important factor as we prepare to make this critical leap in human evolution--now

referred to as the awakening of the World Mind. The Alchemy of Nine Dimensions Inner Traditions / Bear & Co Completing our conscious evolution by releasing our collective fear of catastrophes • Explains how we are on the cusp of an era of incredible creative growth • Shows how we are about to overcome the collective fear caused by ancient catastrophes as we awaken to the

memories of our lost prehistory • Examines legendary cataclysms and scientific evidence of a highly advanced global culture that disappeared 11,500 years ago In this completely revised and expanded edition of *Catastrophobia*, bestselling author Barbara Hand Clow explains how we are on the cusp of an age of incredible creative growth made possible by restoring our

lost prehistory. Examining legendary cataclysms-- such as the fall of Atlantis and the biblical Flood-- and the mounting geological and archaeological evidence that many of these mythic catastrophes were actual events, she reveals the existence of a highly advanced global maritime culture that disappeared amid great earth changes and rising seas 14,000 to 11,500 years

ago, nearly causing our species' extinction and leaving humanity's collective psyche deeply scarred. Tracing humanity's reemergence after these prehistoric catastrophes, Clow explains how these events in the deep past influence our consciousness today. Guided by Carl Johan Calleman's analysis of the Mayan Calendar, she reveals that as the Earth's 26,000-year precessional cycle shifts,

our evolution is accelerating to prepare us for a new age of harmony and peace. She explains how we are beginning a collective healing as ancient memories of prehistory awaken in our minds and release our unprocessed fear. Passed from generation to generation, this fear has been responsible for our constant expectations of apocalypse. She shows that by remembering and moving

beyond the trauma of our long lost past, we bring the era of cataclysms to an end and cross the threshold into a time of extraordinary creative activity.

Inspired by the Chandra Symbols-- evocative images for each degree channeled by John Sandbach nearly 40 years ago--as well as his studies with master astrologers Dane Rudhyar and Marc Edmund Jones, Lonsdale explores the deeper story, or Star Spark, of each of the 360 degrees of the zodiac, providing detailed write-ups for each degree. The author explains how to use the degree of your Sun sign and other planets from your birth chart for personal chart interpretation. Offering a way to tune in to your future star cycles as well as analyze a past event, he discusses how you can learn about personal cycles from studying the

degree of a transiting or progressed planet at a specific time, such as Mercury Retrograde, or by following the degree meanings for successive New Moons or Solar Returns, revealing collective as well as personal timings. He also details how to use the 360 Star Sparks as an astrological oracle to consult when you need guidance or support for your awakening process as

The recent discovery of the remains of ancient villages buried beneath the Black Sea is the latest instance of mounting evidence that many of the "mythic" catastrophes of history--the fall of Atlantis, the Biblical

In Catastrophobi a Barbara Hand Clow shows that a series of cataclysmic disasters, caused by a massive disturbance in the Earth's crust 11,500 years ago, rocked the world and left humanity's collective psyche permanently scarred. We are a wounded species, and this unprocessed fear, passed from generation to generation, is
