Introduction to Law

As a result of globalization, the barriers between countries are coming down. There is more interaction between countries than ever and mutual understanding and communication have become essential considerations. In such an atmosphere, the Korea Legislation Research Institute has published this book to spread awareness of outstanding Korean law and of its legal system throughout the globe, as the authoritative sources of legal information for other countries. This book explains Korean law in nine chapters that focus on its distinguishing aspects. The nine authors who have participated are all prominent scholars who have contributed their expertise to the project.

**An Introduction to the Study of Real Law** Routledge

Discover the business law book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read.

Beatty/Samuelson/Abril's *ESSENTIALS OF BUSINESS LAW, 7E* is packed with current examples and real scenarios that bring law to life, whether you are a business learner or practicing professional. This reader-friendly presentation uses conversational writing to explain complex topics in easy-to-understand language. The authors draw from their law practices to offer memorable real stories that illustrate how legal concepts apply to everyday business practice. This edition also emphasizes today's digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions. Important Notice: Media content

**Acp Law 101 - Introduction to Law @ Cerritos College** Oxford University Press, USA

"[A] fully updated survey of American law that incorporates fresh materials on recent Supreme Court cases, the latest developments in Internet law, and sensational criminal trials"--Flap page 1 of dust jacket.

Education Law Xlibris

"International Trade Law offers comprehensive analysis of international sale transactions through case law, policy documents, legislation, international conventions and rules adopted by international organisations such as the ICC."--

Introduction to Law and the Legal System CRC Press

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. *Business Law I Essentials* is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. *Business Law I Essentials* may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

**Introduction to Taxation** Wadsworth

Publishing Company  
Introduction to LawSpringer  
*Introduction to Law and the Legal System* West Academic

Law and Society is a rapidly-growing interdisciplinary field that turns on its head the conventional, idealized view of the "Law" as a magisterial abstraction. Kitty Calavita's *Invitation to Law and Society* brilliantly brings to life the ways in which law shapes and manifests itself in the institutions and interactions of human society, while inviting the reader into conversations that introduce the field's dominant themes and most lively disagreements. Deftly interweaving scholarship with familiar personal examples, Calavita shows how scholars in the discipline are collectively engaged in a subversive exposé of law's public mythology. While surveying prominent issues and distinctive approaches to the use of the law in everyday life, as well as its potential as a tool for social change, this volume provides a view of law that is more real but just as compelling as its mythic counterpart. In a field of inquiry that has long lacked a sophisticated yet accessible introduction to its ways of thinking, *Invitation to Law and Society* will serve as an engaging and indispensable guide.

*An Introduction to Law* Springer Science & Business Media

This book introduces the basics of law in Papua New Guinea, and it targets upper secondary legal studies teachers and students. Everyone in this country, including the educated, other than lawyers needs to know and understand our own laws. The National Education Department's motto is "Prosperity through self-reliance"; thus, this project is one out of many the department is yet to accomplish. No recommended text was available at the time when the new

course, legal studies, was introduced in 2010 to be taught as an examinable subject. Newly elevated secondary schools in the country are facing reference material problem. The problem of rare stock of resource material is truly a considerable physical and psychological stress suffered by most teachers in the country. This book was written exactly in line with Upper Secondary Legal Studies syllabus as a text material to be used across the nation in all secondary schools in which Legal Studies course is offered. The subject itself is fundamentally interesting. I enjoyed teaching law for the last six years. I gained the insights of basic introductory law while in the process of teaching and writing this book. Hope you enjoy reading this book, "Introduction to Our Laws" and gain the insights of law.

*Outcomes Edition for Papua New Guinea Gr. 11&12 Legal Studies Student Book* Psychology Press

Using an innovative storytelling style to bring cases and legal concepts to life, *INTRODUCTION TO BUSINESS LAW, 5E* presents a full range of business law topics in a series of brief, quick-reading chapters. The text delivers succinct coverage of core business law topics, emphasizes the business applications of chapter concepts, and includes summarized cases to illustrate the point of law. The fifth edition includes all-new chapters on LLCs and employment discrimination, new Case Questions, and a new emphasis on social media issues throughout. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Marketing and the Law** Cengage Learning

Written from a legal and institutional

perspective, this text provides students with an overview of the American legal system. Broad coverage, flexible organization, and inclusion of up-to-date, teachable cases make Introduction to Law suitable for a variety of departments (business, political science, government and criminal justice departments, and paralegal and pre-law) and courses (Survey of Law, Introduction to Law and the Legal System, Law and Society, Legal Studies for Paralegals, and Legal Process). Expanded ethics coverage includes a chapter (devoted entirely to the topic) with icons highlighting interesting ethical dilemmas and an appendix discussing the ethical dimensions of case studies.

An Introduction to the Law of Contracts  
Cengage Learning

The third edition of this well-respected text presents a road-map approach for thinking about contracts problems. Steps in the road map include choice of law, contract formation, unenforceable contracts, breach of contract, and plaintiff's remedies. The rules of the law are presented first as theory, followed by and example and either a paralegal exercises or a case so that students can relate the abstract to a concrete set of facts. The text also teaches students how to analyze a contracts problem using common law and a code approach (articles 1 and 2 of the UCC). ALSO AVAILABLE INSTRUCTOR SUPPLEMENTS CALL CUSTOMER SUPPORT TO ORDER Computerized Test Bank, ISBN: 0-7668-1772-5 Instructor's Manual with Test Bank and Powerpoint Slides on Disk ISBN: 0-7668-1024-0

An Introduction to Legal Theory Wolters  
Kluwer

Since the publication of its first edition, this textbook has become the definitive student introduction to the subject. As

with earlier editions, the seventh edition gives a clear understanding of fundamental legal concepts and their importance within society. In addition, this book addresses the ways in which rules and the structures of law respond to and impact upon changes in economic and political life. The title has been extensively updated and explores recent high profile developments such as the Civil Partnership Act 2005 and the Racial and Religious Hatred Bill. This introductory text covers a wide range of topics in a clear, sensible fashion giving full context to each. For this reason An Introduction to Law is ideal for all students of law, be they undergraduate law students, those studying law as part of a mixed degree, or students on social sciences courses which offer law options.

**Introduction to Business Law**  
Springer

Understanding Jurisprudence by Raymond Wacks adopts a novel approach to this challenging subject; It reveals the nature of legal theory with clarity, enthusiasm, and wit, without avoiding its complexities and subtleties. The author provides an illuminating guide to the central questions of legal theory. An experienced teacher of jurisprudence and distinguished writer in the field, his approach is stimulating, accessible, and even entertaining. The concept of law lies at the heart of our social and political life. Jurisprudence explores the concept of law and its role in society. It elucidates its meaning and its relation to the universal questions of justice, rights, and morality. And it analyzes the nature and purpose of our legal system, and its practice by courts, lawyers, and judges.

**Foundations of Law: Cases, Commentary and Ethics** Houghton  
Mifflin College Division

This edition of Introduction to Taxation was originally published as Fundamentals of Federal Income Tax Law. In writing this book, the author was guided by a view that as income tax law becomes increasingly complex the best approach to its teaching is to return to basics. Thus, Part I contains a concise treatment of federal income tax law focuses on the fundamentals. References throughout to supplementary materials allow for more in-depth exploration of issues. The Fifth Edition contains more than 25 notes about statutory interpretation, reflecting that tax law is an ideal vehicle for statutory interpretation. The materials also convey two key points about the legislative process as it pertains to tax law: (a) tax law is not static, but is ever changing; and (b) tax law is strongly influenced by special interest group pressures on our legislative body. The name change for the book reflects the addition of Part II which allows professors to expand an introductory course to include survey materials on taxes other than the federal income tax. Part II addresses property taxes, the estate and gift tax, the social security payroll tax, the taxation of trusts and estates, corporate taxation, international tax issues, and multistate taxation. A Teacher's Manual is also available for professors.

*An Introduction to Jewish Law* Kluwer Law International B.V.

Specifically written for paralegal students, CONSTITUTIONAL LAW: PRINCIPLES AND PRACTICE, 2nd Edition identifies and explains the concepts behind constitutional law, and connects them to everyday experiences both inside the law practice and out. Carefully edited for non-lawyers, the major cases presented show how the Supreme Court's decisions impact lawyers,

lawmakers, and the general public, while breaking down complex concepts for paralegals-in-training to grasp more easily. Each chapter also contains numerous pedagogical elements including learning objectives, review and analysis questions, and vocabulary terms to build reader confidence with the material, and demonstrate the ways paralegals perform in the workplace. Focusing on practical application, CONSTITUTIONAL LAW: PRINCIPLES AND PRACTICE, 2nd Edition offers multiple hands-on opportunities to help students excel. Helpful appendices include samples of commonly used legal documents, while the readings are packed with hypothetical cases, ethical dilemmas, and end-of-chapter assignments for practicing analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**An Introduction to the Law of Contract in New Zealand** Cambridge University Press

Medical Law and Ethics covers the core legal principles, key cases, and statutes that govern medical law alongside the key ethical debates and dilemmas that exist in the field. Carefully constructed features highlight these debates, drawing out the European angles, religious beliefs, and feminist perspectives which influence legal regulations. Other features such as 'a shock to the system', 'public opinion' and 'reality check' introduce further socio-legal discussion and contribute to the lively and engaging manner in which the subject is approached. Online resources This book is accompanied by the following online resources: - Complete bibliography and list of further reading - Links to the key cases

mentioned in the book - A video from the author which introduces the book and sets the scene for your studies - Links to key sites with information on medical law and ethics - Answer guidance to one question per chapter

*An Introduction to the American Legal System* Cengage Learning

"An Introduction to the American Legal System" is ideal for undergraduate students in legal studies, political science, criminal justice, pre-law, and sociology programs, paralegal programs, as well as for anyone with an interest in the historical and contemporary approaches to law in America.
