Raise a Leader-- God's Way Creation House

As parents, we deeply desire the best for our kids. We look for the right preschool, teach them to read, and get them involved in extracurriculars. We take our job as parents seriously. But are we also putting our time and energy into teaching them the Bible? Leading our kids to life through Scripture is not only doable, it's an essential part of parenting kids for Jesus. And the good news is studying God's Word as a family doesn't have to be hard or

overly time-consuming. This book will give you the tools and confidence to study the Bible as a family. It will help you identify and overcome your objections and fears, give you a crash course in what the Bible is all about and how to teach it, and provide the tools and techniques to set up a family Bible-study habit. You will finish this book feeling encouraged and empowered to initiate and strengthen your child's relationship with the Lord through his Word.

The Holy Bible Thomas Nelson

This 90 day nightly bible study and prayer book is written expressly to inspire new, or new-in-the-faith Christian parents. Psalm 119 is in the middle of the bible, it is the longest chapter in the bible. It is full of wisdom teaching us to love God's law, to write it on our hearts and to write it on the palms of our hands. Repetition is key to learning God's laws so when your children are grown, they will not forget it because they have repeated it so many times. This is crucial for your children so when they are away from you and are afraid, worried, or concerned, they have the comfort of the Word of God to rely on. Each day of teaching begins with a scripture directly from King James Bible Online .org text, then it has a summary from me. Next, there are prayers for you to share with your children so both of you are praying. There is a line for suggestion of using your child/children's names in the

prayer. At the end of the prayer we pray daily for our leaders and first responders to protect them, as God asks us to do. After the prayer there is a question and discussion topic for you to encourage better understanding of the scripture and the prayer. Inside the middle watermark there is a little extra suggestions or poems for enhancing bedtime prayers with fun ways to interact together. It is with the utmost hope and love, I write these prayers for you and your children. Repetition is necessary to forge the bridge of safety of God's Word. Be consistent and they will look forward to prayer time each night. God bless You!

Train Up a Child Zondervan

To Train Up a Child, first published in 1994, began as a letter to a homeschool mother in answer to her question, "How did you train your children to be so happy and obedient?" Mike did not consider himself to be an author, nor did Debi possess the means or the knowledge to publish a book. They realized that it was a big subject that could not be put into a few pages, so they wrote

a book. Friends and neighbors were consulted, gleaning their views and methods of child training. They analyzed how they were influenced by the traditions they inherited from their parents, and they looked at the methods that were unique to their family. Friends and members of their church periodically read and critiqued the manuscript as it grew to book size. Twenty-one years later, *To Train Up a Child* has sold over 1.2 million copies in twelve languages. TTUAC has been on Amazon's best-seller list several times. This new book has added chapters and several updates. Mike and Debi have received tens of thousands of letters of gratitude and been approached by thousands of young people thanking them for their influence in the way they were raised, their parents having implemented the principles expressed in TTUAC. Mike and Debi are humbled to have played a part in so many young people's lives. There has been no editing to modify their stance on spanking. To the contrary, due to the media attacks, they have expanded and strengthened their arguments for traditional, biblical child training. There are now more than a million TTUAC books circulating in the United States that will continue to stand for traditional, biblical parenting.

The Truth about Finding Unconditional Love & Fulfilling Relationships Dial Press Trade Paperback

Train Up a Child explores how private schools in Old Order Amish communities reflect and perpetuate church-community values and identity. Here, Karen M. Johnson-Weiner asserts that the reinforcement of those values among children is imperative to the survival of these communities in the modern world. Surveying settlements in Indiana, Michigan, Ohio, Pennsylvania, and New York, Johnson-Weiner finds that, although Old Order communities have certain similarities in their codes of conduct, there is no standard Old Order school. She examines the choices each community makes—about pedagogy, curriculum, textbooks, even school design—to strengthen religious ideology, preserve the social and linguistic markers of Old Order identity, and protect their own community's beliefs and values from the influence of the dominant society. In the most comprehensive study of Old Order schools to date, Johnson-Weiner provides valuable insight into how variables such as community size and relationship with

other Old Order groups affect the role of these schools in maintaining behavioral norms and in shaping the Old Order's response to modernity.
