**The Sweetness of  
Water (Oprah's Book  
Club)** Red & Black Pub  
In this fascinating account  
of Thomas Cochrane's  
extraordinary life, David  
Cordingly (Under the

Black Flag and The Billy  
Ruffian) unearths startling  
new details about the  
real-life "Master and  
Commander"-from his  
heroic battles against the  
French navy to his role in  
the liberation of Chile,  
Peru, and Brazil, and the  
stock exchange scandal  
that forced him out of  
England and almost

ended his naval career.  
Drawing on previously  
unpublished papers, his  
own travels, wide reading,  
and original research,  
Cordingly tells the rip-  
roaring story of the  
archetypal Romantic hero  
who conquered the seas  
and, in the process,  
defined his era.  
*An Untold Maritime*

*History* Chicago Review Press

In the spirit of *The Known World* and *The Underground Railroad*, "a miraculous debut" (*Washington Post*) and "a towering achievement of imagination" (*CBS This Morning*) about the unlikely bond between two freedmen who are brothers and the Georgia farmer whose alliance will alter their lives, and his, forever. In the waning days of the Civil War, brothers Prentiss and Landry—freed by the Emancipation

Proclamation—seek refuge on the homestead of George Walker and his wife, Isabelle. The Walkers, wracked by the loss of their only son to the war, hire the brothers to work their farm, hoping through an unexpected friendship to stanch their grief. Prentiss and Landry, meanwhile, plan to save money for the journey north and a chance to reunite with their mother, who was sold away when they were boys. Parallel to their story runs a forbidden romance between two Confederate

soldiers. The young men, recently returned from the war to the town of Old Ox, hold their trysts in the woods. But when their secret is discovered, the resulting chaos, including a murder, unleashes convulsive repercussions on the entire community. In the aftermath of so much turmoil, it is Isabelle who emerges as an unlikely leader, proffering a healing vision for the land and for the newly free citizens of Old Ox. With candor and sympathy, debut novelist Nathan Harris creates an

unforgettable cast of characters, depicting Georgia in the violent crucible of Reconstruction. Equal parts beauty and terror, as gripping as it is moving, *The Sweetness of Water* is an epic whose grandeur locates humanity and love amid the most harrowing circumstances. Among the Pirates Under the Black Flag The Romance and the Reality of Life Among the Pirates Random House *My Damage* Random House Trade Paperbacks Agatha Christie meets Patrick O'Brian in the first book in a new series of swashbuckling historical mysteries featuring Spider John Rush, a most reluctant pirate. 1722-- aboard a pirate ship off the American Colonial Coast. Spider John Rush never wanted to be a pirate, but it had happened and he'd

learned to survive in the world of cut and thrust, fight or die. He and his friend Ezra knew that death could come at any moment, from grapeshot or storm winds or the end of a noose. But when Ezra is murdered in cold blood by a shipmate, Spider vows revenge. On a ship where every man is a killer many times over, how can Spider find the man who killed his friend? There is no law here, so if justice is to be done, he must do it. He will have to solve the crime and exact revenge himself. One

wrong step will lead to certain death, but Spider is determined to look into the dying eyes of the man who killed his friend, even if it means his own death.

**Black Flag** Roberts Rinehart Pub

What were pirates really like? How much, if any, of the piratical stereotype - of a dashing handsome man with an eye-patch, peg-leg and a parrot on his shoulder - is based on the documented fact. In this revealing and highly original study David Cordingly sets out to discover the truth behind

the piracy myth, exploring its enduring and extraordinary appeal, and answering such questions as: why did men become pirates? Were there any women pirates? How much money did they make from plundering and looting? And were pirates really dashing highwaymen of the Seven Seas or just vicious cut-throats and robbers? From Long John Silver to Henry Morgan, Robert Louis Stevenson to J.M. Barrie, **LIFE AMONG THE PIRATES** examines all the heavyweights of history

and literature and presents the essential survey of this fascinating phenomenon.

Blackbeard: The Lost Journal University Press of Kentucky

'I was spellbound by the hooded man at work. Mesmerized by this agent of death, who had ignored the carnage around him by biding his time and waiting to strike.' It is the Golden Age of Piracy and the New World beckons. Edward Kenway - the brash young son of a wool merchant who dreams of gold - cannot resist the

lure of a life of glory on the high seas. When his family homestead is attacked there seems like no better time to escape, and Kenway soon establishes himself as one of the deadliest privateers of his day. But greed, ambition and betrayal follow closely in his wake. And when evidence of a crippling conspiracy begins to surface, threatening to destroy everything that he holds dear, Kenway can't resist the urge for retribution. And so he is drawn into the centuries-old battle

between the Assassins and the Templars. Indiana University Press Freedom and Slavery in 18th Century life in the Caribbean and South American are studied in this sea adventure story. **The Romance and the Reality** Seaforth Publishing This is the Big Book of False Flags and Government Conspiracies, I tried to fit as much as I could find in one place for your reading enjoyment. *Pirata: The Black Flag* Bloomsbury Publishing From renowned pirate

historian David Cordingly, author of *Under the Black Flag* and film consultant for the original *Pirates of the Caribbean*, comes the thrilling story of Captain Woodes Rogers, the avenging nemesis of the worst cutthroats ever to terrorize the high seas. Once a marauding privateer himself, Woodes Rogers went from laying siege to laying down the law. During Britain's war with Spain, Rogers sailed for the crown in sorties against Spanish targets in the Pacific; battled scurvy, hurricanes, and mutinies;

captured a treasure galleon; and even rescued the castaway who inspired Robinson Crusoe. Appointed governor of the Bahamas in 1717, the fearless Rogers defended the island colony of King George I against plundering pirates and an attempted Spanish invasion. His resolute example led to the downfall of such notorious pirates as Blackbeard, Calico Jack, and the female pirates Anne Bonny and Mary Read. A vividly detailed and action-packed portrait of

one of the early eighteenth century's most colorful characters, *Pirate Hunter of the Caribbean* serves up history that's as fascinating and gripping as any seafaring legend. *Black Flag of the North*  
 Headline

"This is the most authoritative and highly literate account of these pernicious people that I have ever read."—Patrick O'Brian "[A] wonderfully entertaining history of pirates and piracy . . . a rip-roaring read . . . fascinating and unexpected."—Men's

Journal This rollicking account of the golden age of piracy is packed with vivid history and high seas adventure. David Cordingly, an acclaimed expert on pirates, reveals the spellbinding truth behind the legends of Blackbeard, Captain Kidd, Sir Francis Drake, the fierce female brigands Mary Read and Anne Bonny, and others who rode and robbed upon the world's most dangerous waters. Here, in thrilling detail, are the weapons they used, the ships they sailed, and the ways they

fought—and were defeated. Under the Black Flag also charts the paths of fictional pirates such as Captain Hook and Long John Silver. The definitive resource on the subject, this book is as captivating as it is supremely entertaining. Praise for Under the Black Flag “[A] lively history . . . If you've ever been seduced by the myth of the cutlass-wielding pirate, consider David Cordingly's Under the Black Flag.”—USA Today, “Best Bets” “Engagingly told . . . a tale of the power of

imaginative literature to re-create the past.”—Los Angeles Times “Entirely engaging and informative . . . a witty and spirited book.”—The Washington Post Book World “Plenty of thrills and adventure to satisfy any reader.”—The Philadelphia Inquirer [The Civil War Guerrilla](#) Mariner Books The recently announced Assassin's Creed® IV Black Flag™ sees a sea change for the game franchise with a harsh new setting in the Golden Age of pirates. With intricately detailed

environments and finely honed and evocative historical re-imaginings, *The Art of Assassin's Creed® IV Black Flag™* includes the game's vast nautical gameplay, and its amazing range of locations, characters and action.

*Bartholomew Roberts,  
King of the Atlantic Pirates*  
Dundurn  
In the first-ever  
comprehensive survey of  
the world's female  
buccaneers, Pirate

Women: The Princesses,  
Prostitutes, and Privateers  
Who Ruled the Seven  
Seas tells of the women,  
both real and legendary,  
who through the ages  
sailed alongside—and  
sometimes in command  
of—their male  
counterparts. These  
women came from all  
walks of life but had one  
thing in common: a desire  
for freedom. History has  
largely ignored these  
female swashbucklers,  
until now. Here are their  
stories, from ancient  
Norse warriors like Awilda,  
Stikla, and Rusla; to

Sayyida al-Hurra of the  
Barbary corsairs; from  
Grace O'Malley, who  
terrorized shipping  
operations around the  
British Isles during the  
reign of Queen Elizabeth;  
to Cheng I Sao, who  
commanded a fleet of 400  
ships off China in the  
early 19th century. Author  
Laura Sook Duncombe  
also looks beyond the  
stories to the storytellers  
and mythmakers. What  
biases and agendas  
motivated them? What  
did they leave out? *Pirate  
Women* explores why and  
how these stories are told

and passed down and how history changes depending on who is recording it. It's the largest overview of women pirates in one volume and chock-full of swashbuckling adventures. In this book, pirate women are pulled from the shadows into the spotlight that they deserve.

**Life Among the Pirates**

Omnibus Press

For this rousing, revisionist history, the former head of exhibitions at England's National Maritime Museum has

combed original documents and records to produce a most authoritative and definitive account of piracy's Golden Age. As he explodes many accepted myths (i.e. walking the plank is pure fiction), Cordingly replaces them with a truth that is more complex and often bloodier. 16 pp. of photos. Maps. From the Hardcover edition.

*The Surrender of Germany's U-Boat Forces on Land and at Sea* Little Brown

Jake Keller finds himself in

a familiar position--on the run for his life and desperate to find the shadowy figures behind a global conspiracy. CIA agent Jake Keller and his partner, Curt Roach, are in Yemen on an important mission. They've been tipped off to a secret meeting of top al Qaeda leaders. The plan is to interrupt the meeting with a few unexpected visitors--a pair of Hellfire missiles from an orbiting drone. But the drone stops responding to their signals and soon disappears over the

horizon. When next seen, the drone is attacking innocent pilgrims in Mecca. Jake and Curt are staggered. The U.S. government is desperate to disavow this atrocity. Who better to blame than a couple of rogue CIA agents? With all the governments of the Middle East looking for them and no help from their own side, they are in a desperate race to stay ahead of the mob and find out who's actually behind the crime.  
Under the Black Flag Lulu Press, Inc

When the taste you thought you never needed becomes a thirst you cannot quench, then what? Jameson Riley, a NASCAR rookie driver, and Sway Reins, his pregnant girlfriend, are put to the test. They have love; they have lust, and a bond that proves to be vital. But do they have what it takes to make it through his lifestyle. When tested, it's either fight, or give in. Two things Jameson has a hard time drawing a line between. Desperate for the series title in his rookie season, Jameson

becomes engrossed in the battle between himself and rival driver Darrin Torres. After a horrific crash in Pocono, Darrin attempts to even the score when his warnings do nothing to deter Jameson and his diligent focus on his dream and his family. Between the blurred lines of love and racing, and the weight of the world on his shoulders, can this racing prodigy achieve what he was born to do?  
Get In The Van Cambridge University Press  
As the War of the Spanish

Succession, 1702, rages through the American colonies between Spain and England, a merchant sea captain James Beard and his young son, Edward, participate in the colonial siege of Saint Augustine. The boy, Edward, has shown courage and seamanship beyond his years and is moved by the epic battle that he watches unfold. Later, while sailing an errand with his father, their ship comes into contact with Caribbean privateers, led by the notorious Captain Charles

Vane. Moved by the ideology of the freebooter, Edward swears that one day he wants to be just like his new hero. After being betrayed by the colonial government and facing financial ruin, his father makes the decision to pursue a career in privateering, taking Edward along for the journey. The Beards and their ship, the Emmeline, quickly gain notoriety upon the high seas. Over time, Edward grows into a man and sets his own course for adventure,

following in his fathers wake, as a privateer himself in Queen Annes War. Years later, the war has ended the privateers disbanded. Yet again feeling betrayed by his government, Edward and his loyal crew are set upon an errand to search for a sunken Spanish treasure ship. Leaving the love of his life behind, Edward sets a course for enemy waters that will change his life forever. Instead of Spanish treasure, he finds an ocean full of cutthroats and ports full of enemy

soldiers. Edward quickly learns that retrieving the Spanish gold may cost him more than he bargained for. On the brink of losing everything that he holds dear, he discovers a new path. It is an adventure that fills his pockets with more gold than he could have ever imagined but may end up costing him his very soul. How far is Edward willing to allow the winds of the storm to push his sails? Will he ever make it back to the life that he once knew? Whether he survives the perilous

journey or gets swallowed in the wake of who he has had to become, he will be forever remembered. For the world will never forget Blackbeard the pirate! Knight of the Black Flag captures the romanticism and adventure of the pirate genre but, at the same time, takes the reader to places previously unexplored. This is an amazing tale that challenges every stereotype that has come to epitomize this amazing figure and the life that he led. It is rooted in the small fragments of truth

that have been recorded over the ages. Names and real events were pulled straight out of Colonial American deed books from Bath County, NC, 1702-1718, and blended with a wildly entertaining tale that will leave the reader wanting more (The Kirkland Press). [A Spider John Mystery](#) Createspace Independent Publishing Platform Originally published in 1914, this is Kit Dalton's memoirs of his time serving under William Quantrell during the American Civil War and

his time as a border outlaw following the surrender of the Confederate States.

### **Under the Black Flag**

Da Capo Press

On the eve of Germany's surrender in May 1945, Grossadmiral Karl Dönitz commanded thousands of loyal and active men of the U-boat service. Still fully armed and unbroken in morale, enclaves of these men occupied bases stretching from Norway to France, where cadres of U-boat men fought on in ports that defied besieging Allied

troops to the last. At sea U-boats still operated on a war footing around Britain, the coasts of the United States and as far as Malaya. Following the agreement to surrender, these large formations needed to be disarmed - often by markedly inferior forces - and the boats at sea located and escorted into the harbours of their erstwhile enemies. Neither side knew entirely what to expect, and many of the encounters were tense; in some cases there were unsavoury incidents, and stories of

worse. For many Allied personnel it was their first glimpse of the dreaded U-boat menace and both sides were forced to exercise considerable restraint to avoid compromising the terms of Germany's surrender. One of the last but most dramatic acts of the naval war, the story of how the surrender was handled has never been treated at length before. This book uncovers much new material about the process itself and the ruthless aftermath for both the crews and their

boats.
