An in-depth study of the heart-centered teachings of Mary Magdalene • Explains how the Fourth Gospel of the New

Testament, specifically the Gospel of Signs, is actually a direct transcription of Mary Magdalene's oral teachings • Reveals Mary Magdalene as a gifted visionary teacher and the best qualified disciple to lead the Jesus movement after his death • Details how the Gospel of Signs outlines 7 key steps for personal transformation and healing The

discovery and translation of the Gnostic Gospels have revealed Mary Magdalene to be a gifted visionary teacher and the best qualified disciple to lead the Jesus movement following his death. Yet, according to most scholars, only a few fragments of her actual teachings have survived. Sharing more than 20 years of research, inspired by a profound experience at the cave in southern France where Mary Magdalene is reputed to have spent her final years, Jack Angelo reveals that the Fourth Gospel of the New Testament, traditionally attributed to John, is actually a direct transcription of Mary Magdalene's oral teachings. He explains how the Fourth Gospel was recast by more conservative members of the Jesus movement, such as Peter and Andrew, to

hide Mary's authorship and suppress her role as head disciple. Delving deeply into the many layers of meaning within the "Gospel of Signs"--the first 11 chapters of the Fourth Gospel which describe seven of Jesus' miracles--he shows how Mary's teachings outline seven key steps for personal transformation and profound healing. For example, the sixth sign describes the shamanic healing of a blind man when Jesus spits on clay and smears the paste over the man's eyes. Angelo explains how the deeper meaning of this sign is about perceiving with the "eyes of the heart." Beyond the beauty and simplicity of Mary's wisdom for personal transformation and healing, Angelo also shows how Mary's heart-centered teachings embody the resurgence of feminine energy that is

vitally needed to restore balance to the psyche and health of humanity as well as to Earth.

Exploring cultural expressions of Puerto Rican queer migration from the Caribbean to New York, Philadelphia, Chicago, and San Francisco, Lawrence La Fountain-Stokes analyzes how artists have portrayed their lives and the discrimination they have faced in both Puerto Rico and the United States. Highlighting cultural and political resistance within Puerto Rico's gay, lesbian, bisexual, and transgender subcultures, La Fountain-Stokes pays close attention to differences of gender, historical moment, and generation, arguing that Puerto Rican queer identity changes over time and is experienced in very different ways. He traces an arc from 1960s Puerto Rico and the writings of Luis Rafael Sánchez to New York City

in the 1970s and 1980s (Manuel Ramos Otero), Philadelphia and New Jersey in the 1980s and 1990s (Luz María Umpierre and Frances Negrón-Muntaner), and Chicago (Rose Troche) and San Francisco (Erika López) in the 1990s, culminating with a discussion of Arthur Avilés and Elizabeth Marrero's recent dance-theater work in the Bronx. Proposing a radical new conceptualization of Puerto Rican migration, this work reveals how sexuality has shaped and defined the Puerto Rican experience in the United States.

No matter how one defines its extent and borders, Eastern Europe has long been understood as a liminal space, one

whose undeniable cultural and historical continuities with Western Europe have been belied by its status as an "Other" in the Western imagination. Across illuminating and provocative case studies, *The World beyond the West* focuses on the region's ambiguous relationship to historical processes of colonialism and Orientalism. In exploring encounters with distant lands through politics, travel, migration, and exchange, it places Eastern Europe at the heart of its analysis while decentering the most familiar narratives and recasting the history of the region.

This is a book that shows you a full-sized panoramic drama unfolding in full detail through the eyes of the Lord, from the first day of creation to that dreadful day of Armageddon. It's a reliable cipher of riddles that humanity has confronted and stumbled upon throughout history. It is a tool of the Almighty God, one that smites and slashes all the theories and hypotheses that science and skeptics alike have produced in order to mislead humanity. Our generation is knowingly

walking on a tightrope and freely accepts the deceptions of fraudulent people seeking wealth and fame. These puppets, who belong to the kingdom of darkness, will eventually lead us into the abyss of eternal damnation. This book is one of the tools that should wake up this generation to action. To those who have ears, The Lord's Code is the pathfinder to the Living God. It's a guide for you to follow, one that should help you to observe His Commandments and to respect, read and accept the Word of the Almighty God written in Holy Scripture. There are two entities that are constantly fighting for your soul, good and evil! Your future lies on a pair of scales: which way it will go depends on your choice! One final word: In one of the chapters, there is an eerie hidden

message address to the Western world!

“Angelo Lacuesta’s stories are a state-of-the-art reckoning of modern-day realities. Refined and cosmopolitan in tone and diction, they manifest a global, nay, universal awareness of the delicate nuances of relations, from the quirky to the erotic. Subtle in their underpinnings, these savvy narratives locate characters in myriad depths of provenance. From the upbeat to the downbeat, the cadence of imaginative contretemps bespeaks an old soul with a fresh voice. Marvelously, this collection can only augur well for contemporary Philippine fiction in English.” — Alfred A. Yuson, author of *Poems Singkwenta’y Cinco*
