 "The Life of Josiah Henson, Formerly a Slave, Now an Inhabitant of Canada" by Josiah Henson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or

yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Greek and Roman Slaveries
 Good Press

Ideal for students taking honors- and AP-level world history courses, this eBook allows readers to follow the evolution of slavery in world history from prehistory to the fall of Rome, including Western and non-Western cultures.
نظام العبودية القديم و النموذج المثالي للإنسان GRIN Verlag
 A study of the two Late Republic slave revolts, exploring their social context,

the nature of slavery at the time, and the causes of the conflicts. In 136 BC, in Sicily (which was then a Roman province), some four hundred slaves of Syrian origin rebelled against their masters and seized the city of Henna with much bloodshed. Their leader, a fortune-teller named Eunus, was declared king (taking the Syrian royal name Antiochus), and tens of thousands of runaway

slaves as well as poor native Sicilians soon flocked to join his fledgling kingdom. Antiochus' ambition was to drive the Romans from the whole of Sicily. The Romans responded with characteristic unwillingness and relentlessness, leading to years of brutal warfare and suppression. Antiochus' "Kingdom of the Western Syrians" was extinguished by 132, but his agenda was revived in 105 BC when

rebellious slaves proclaimed Salvius as King Tryphon, with similarly bitter and bloody results. Natale Barca narrates and analyses these events in unprecedented detail, with thorough research into the surviving ancient sources. The author also reveals the long-term legacy of the slaves' defiance, contributing to the crises that led to the seismic Social War and setting a

precedent for the more-famous rebellion of Spartacus in 73-71 BC. Praise for Rome's Sicilian Slave Wars "An interesting read, and a good account of these large scale and very significant slave uprisings, giving us an idea of what the rebels were attempting to achieve, the methods they chose, and each revolt managed to survive for so long before being crushed."

—History of War
Representing the Body of the Slave
 Oxford University Press
 From the ancient world through to modern times the bodies of slaves have been represented in literature, documentary and personal narrative writing, and in art. This volume presents evidence of the past sins of mankind in both art and literature.
On the Right of Petition
 Good Press

In this thought-provoking essay, William Lloyd Garrison passionately advocates for the immediate abolition of slavery amidst a time of war with the British Empire and Mexico. As a prominent American Christian, abolitionist, journalist, suffragist, and social reformer, Garrison was a leading voice in the fight against slavery. He founded The Liberator, a widely read anti slavery

newspaper, and was a founding member of the American Anti-Slavery Society. Garrison's call for the government to abolish slavery was rooted in his rejection of the corrupt and tyrannical nature of a government engaged in war, imperialism, and slavery. This essay is a powerful reminder of the importance of speaking out against injustice and fighting for what is right,

even in the face of powerful opposition. *Anti-Slavery Monthly Reporter*, March 1829 Oxford University Press
A pathbreaking study of the role played by ancient Greek and Roman sources and voices in the struggle to abolish transatlantic slavery and in representation of that struggle in the twentieth century. Thirteen essays by an interdisciplinary team of

specialists from three continents, led by the Centre for the Reception of Greece and Rome at Royal Holloway University of London, ask how both critics and defenders of slavery in media ranging from parliamentary speeches to poetry, fiction, drama, and cinema have summoned the ghosts of the ancient Spartans, Homer, Aristotle, Aeschylus, Pliny, Spartacus, and

<p>Prometheus to support their arguments.</p> <p><u>The Bible and Slavery</u></p> <p>Classical Association</p> <p>"Lucia is a story that is at once desperate and uplifting, a story that touches you deep in your soul. If you only read one more book this year, it should be Lucia." - Sharon Bennett Connolly, author of <i>Silk and the Sword</i> What makes life worth living for a slave of Rome? The promise of</p>	<p>vengeance, no matter how long it takes!</p> <p>At eight years old, Lucia is torn from the life she knew. Her village burned to the ground and parents murdered by Romans, she is kidnapped, sold and shipped abroad to the Villa Tempestatis in Britannia to serve the young Roman army officer Castus. Faced with a bleak future of decades of servitude to her master, as well as sadistic brutality at</p>	<p>the hands of his manageress, Paltucca, she finds herself fixated by one thought alone: vengeance.</p> <p>Yet Villa Tempestatis, with its picturesque surroundings in Britannia's green countryside, offers a life that's a little easier than elsewhere in the Roman empire. The slaves form strong bonds of love and friendship, enjoy feasts and holiday celebrations together, and are even allowed,</p>
---	--	--

sometimes, to start a family. Many of them are happy enough with their lot. Despite that, every moment of Lucia's life is blighted by her hatred for Castus and Paltucca, and only seeing them both destroyed will bring her a measure of peace, even if it takes decades of work and planning... This standalone novel from the bestselling author of The Druid tells the tale of one woman's life against a

richly woven backdrop of love and hate, revenge and redemption, and finally gives this forgotten class of people a voice. PRAISE FOR LUCIA "A compelling 5* story from McKay, an author who continues to amaze me with his writing." - David's Book Blurg "McKay changes gear and slips easily into a different world and commands it from the start. This is the Shawshank Redemption of

revenge stories." - David N. Humphrey, author of Valguard - Knight of Coins "With the triumph that Lucia turns into, the good Mr McKay is clearly proving he is so overflowing with good ideas and writing spirit that he can throw out Lucia as a one-off, away from the Robin Hood series that made his name, or the awesome success that is the Warrior Druid of

Britain series." - Steve Denton of Speesh Reads *What Is a Slave Society?* Good Press "The slave-auction" by John Theophilus Kramer. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. *The Life of Josiah Henson, Formerly a Slave, Now an Inhabitant of Canada* Routledge This title in the best-selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing readers at the centre of the history, encouraging them to become emotionally-involved with the characters and aiding their understanding of what life would have been like as a slave in

ancient Greece. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14. *The Interest in Slavery of the Southern Non-slave-holder* Speedy Publishing LLC "Slavery and the slave trade in Africa" by Henry M. Stanley. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Freamon offers a comprehensive

e legal history of slavery and slave-trading in Islam, considering the impact of Western abolitionism, its failure, and the implications of the rise of ISIS and Boko Haram.

Social Justice and the Legitimacy of Slavery

Taylor & Francis
This collection of essays represents Vogt's personal contribution to the collective enterprise; the English edition is translated from the

second German edition of 1972, which included three additional papers and a supplement bringing his earlier work up to date. The distinctive features of Vogt's approach to ancient slavery are his social awareness and sympathetic commitment, and his refusal either to ignore or be dominated by the dogmas of the left and the structures of sociology. His systematic investigation

of ancient slave wars, which is the centre of this collection, is a reasoned refutation of more extreme Marxist interpretations, and a brilliant demonstration that a pragmatic approach to the analysis of a general phenomenon can lead to conclusions as far-reaching as any a priori system. Other outstanding essays investigate with subtlety and insight the position of slaves in literature and

in utopian theory, the concept of the slave of God in early Christian thought, and the extent to which rigid distinctions between slave and free were eroded by the daily contact between individuals in different social roles, and by their inability to forget that both masters and slaves were human beings, with personal loyalties and friendships. The volume ends with two essays on the interrelationship between

ancient and modern attitudes to slavery since the Renaissance. *Slavery and the slave trade in Africa* Cambridge University Press
 Welche Arten privater und öffentlicher Fürsorgemaßnahmen für Sklaven sind im Westen des Römischen Reiches nachweisbar und welche Motive verbergen sich dahinter? Diesen beiden Fragen geht die Untersuchung anhand der juristischen

und literarischen Quellen systematisch nach und konzentriert sich dabei auf die Zeit vom 1. Jhd. v.Chr. bis zum 3. Jhd. n.Chr. Der Fürsorgebegriff wird bewußt weit gefaßt und berücksichtigt möglichst alle Maßnahmen, die den Sklaven in ihrem Lebens- und Arbeitsalltag zugutekamen. Dabei setzt sich die Arbeit mit zentralen Problemen der römischen Gesellschaftsgeschichte auseinander

<p>und arbeitet die grundlegende Bedeutung von humanitas und utilitas für die Sklavenfürsorge heraus. Stefan Knoch ist stellvertretender Leiter der Staatsbibliothek Bamberg. Mit der antiken Sklaverei beschäftigt er sich seit seiner Mitarbeit im Projekt Forschungen zur antiken Sklaverei der Mainzer Akademie der Wissenschaften und der Literatur ab Ende der</p>	<p>1990er Jahre. Er war Mitglied des DFG-Graduiertenkollegs Sklaverei - Knechtschaft und Frondienst - Zwangsarbeit und wurde mit der Erstauflage dieser Arbeit an der Universität Trier promoviert. *** Stimmen zum Buch: 'Vom Blickwinkel der Alten Geschichte aus betrachtet, beweist das Buch den Reichtum an Informationen, den die juristischen</p>	<p>Quellen über den Alltag im kaiserzeitlichen Rom zu bieten haben, sofern man sich mit den Eigenheiten des Diskurses bei den römischen Juristen (und der rechtshistorischen Forschung) vertraut macht; dem Rechtshistoriker eröffnet sich der faszinierende (und oftmals das juristische Problem erhellende) soziale Hintergrund, in den die juristischen Diskussionen eingebettet</p>
--	--	---

<p>waren. Beide Disziplinen können von ähnlichen Arbeiten nur profitieren.' (Richard Gamauf, Zeitschrift der Savigny-Stiftung für Rechtsgeschichte, 124 Bd./2007) 'Knochs Arbeit ist ein schönes Beispiel für den Gewinn, welcher aus Disziplinen übergreifender Forschung gezogen werden kann. Für die Sozialgeschichte der römischen Antike hat Knoch zahlreiche interessante</p>	<p>Details zu Tage gefördert, die unser Bild vom Alltagsleben der Sklaven facettenreicher gestalten; Rechtshistoriker werden mit Nutzen auf dieses Werk zurückgreifen, wenn sie die patria/dominica potestas in ihrem sozialen Rahmen besser verstehen lernen wollen.' (Richard Gamauf, Gymnasium Bd. 114, Heft 3, Mai 2007)*****The author of this volume uses legal and</p>	<p>literary sources to investigate private and public measures for the welfare of slaves in the Western Roman Empire (1st century BC to 3rd century AD). The concept of welfare is deliberately taken to cover a broad range of topics and intends to take into account all possible measures which were devised for the good of slaves in their work and their everyday lives. At the same time the</p>
---	---	--

study engages with central problems of Roman social history, especially with the much-disputed question of the concepts of humanitas and utilitas. *Slavery Good* Press

Think of the ancient Greek society like a ladder. The bottom steps are always the slaves and the soldiers while the high steps are the aristocrats. The slaves and the soldiers lived pitiful lives doing all the dirty work but with little or

no pay. They're made to feel like they were only born to serve. Unfair, isn't it? This book will detail more. [The Curse of Ham in the Early Modern Era](#) Routledge

The practice of slavery has been common across a variety of cultures around the globe and throughout history. Despite the multiplicity of slavery's manifestations, many scholars have used a simple binary to categorize slave-holding

groups as either 'genuine slave societies' or 'societies with slaves'. This dichotomy, as originally proposed by ancient historian Moses Finley, assumes that there were just five 'genuine slave societies' in all of human history: ancient Greece and Rome, and the colonial Caribbean, Brazil, and the American South. This book interrogates this bedrock of comparative

slave studies and tests its worth. Assembling contributions from top specialists, it demonstrates that the catalogue of five must be expanded and that the model may need to be replaced with a more flexible system that emphasizes the notion of intensification. The issue is approached as a question, allowing for debate between the seventeen contributors about how best to conceptualize

the comparative study of human bondage. **Lucia** Georg Olms Verlag The original essays in this volume discuss ideas relating to democracy, political justice, equality and inequalities in the distribution of resources and public goods. These issues were as vigorously debated at the height of ancient Greek democracy as they are in many democratic societies

today. Contributing authors address these issues and debates about them from both philosophical and historical perspectives. Readers will discover research on the role of Athenian democracy in moderating economic inequality and reducing poverty, on ancient debates about how to respond to inborn and social inequalities, and on Plato's and Aristotle's critiques of

<p>Greek participatory democracies. Early chapters examine Plato's views on equality, justice, and the distribution of political and non-political goods, including his defense of the abolition of private property for the ruling classes and of the equality of women in his ideal constitution and polis. Other papers discuss views of Socrates or Aristotle that are particularly relevant to</p>	<p>contemporary political and economic disputes about punishment, freedom, slavery, the status of women, and public education, to name a few. This thorough consideration of the ancient Greeks' work on democracy, justice, and equality will appeal to scholars and researchers of the history of philosophy, Greek history, classics, as well as those with an interest in political philosophy.</p> <p><i>They Did All</i></p>	<p><i>the Dirty Work in Ancient Greece: Slaves and Soldiers - Ancient History Illustrated Children's Ancient History</i> Oxford University Press</p> <p>For hundreds of years, the biblical story of the Curse of Ham was marshalled as a justification of serfdom, slavery and human bondage. According to the myth, having seen his father Noah naked, Ham's is cursed to have his</p>
---	--	--

descendants be forever slaves. In this new book the Curse of Ham is explored in its Reformation context, revealing how it became the cornerstone of the Christian defence of slavery and the slave trade for the next four hundred years. It shows how broader medieval interpretations of the story became marginalized in the early modern period as writers such as Annius of

Viterbo and George Best began to weave the legend of Ham into their own books, expanding and adding to the legend in ways that established a firm connection between Ham, Africa, slavery and race. For although in the original biblical text Ham himself is not cursed and race is never mentioned, these writers helped develop the story of Ham into an ideological and

theological defence for African slavery, at the precise time that the Transatlantic Slave Trade began to establish itself as a major part of the European economy during the sixteenth and seventeenth centuries. Skilfully weaving together elements of theology, literature and history, this book provides a fascinating insight into the ways that issues of religion, economics

and race could collide in the Reformation world. It will prove essential reading, not only for those with an interest in early modern history, but for anyone wishing to try to comprehend the origins of arguments used to justify slavery and segregation right up to the 1960s. [Avoid Being a Sumerian Slave!](#) Manchester University Press Ancient Rome was an agrarian and

slave economy, whose main concern was to feed the large number of citizens and legionaries who populated the Mediterranean region. Slaves were considered property under Roman law and had no legal personality. They could be subjected to corporal punishment, sexual exploitation (prostitutes were often slaves), torture and summary execution. Over time,

however, slaves obtained greater legal protection, including the right to file complaints against their masters.
