RAFAEL COWAN

A Community History of African America, 1619-2019 Spiritual Growth

Two years have passed since the experience of what they called "The Dark Autumn" in the small town of Talihina, Oklahoma. Most residents were never aware of the actual truth behind the violence and deaths that plagued the small community during late October and early November of 2014. Most locals claim it was nothing more than a simple crime spree committed by a group of outlaw bikers funded by a corrupt local attorney. Other citizens made claims of a wilder story involving Sasquatch-like creatures preying upon the community's citizens. Debates had been whispered over coffee

in local restaurants the past two years. A select few local citizens who had helped the Redstone's bring peace back to the community were the ones who knew the factual truth. Although happy to be reunited with his lifelong love, Sam Redstone struggles to adjust to the emotional trauma. Carrying guilt from the events of 2014, Sam feels off balance and unsure about his place in the community. He is more uncertain of how to proceed when the specter of Sasquatch activity returns to his father's property and in the small community of Honobia, just twenty miles to the south. Meanwhile, Addison has settled in happily with his new wife, although he keeps a watchful eye for activity of any kind that could mean the creatures have returned. He also remains in contact with General Malcolm Henderson, the man in charge of the Special Forces operations in 2014. Addison

finds the information received from the General to be a vague and confusing mixture of biblical history and supernatural mystery. Both Addison and Sam are unprepared for the explosion of activity, as the beginning of the holiday season for 2016 overtakes them with violence, loss, and confusion. Even the unexpected return of a couple of allies from 2014 isn't enough to ensure they'll survive the onslaught set in motion against them from a rejuvenated enemy from two years past. An enemy now controlled by an ancient evil so powerful they can't comprehend what they're facing. Neither men are ready for the truths they are about to learn from a Choctaw elder living outside Honobia, Oklahoma. As they discover they had not battled against traditional Sasquatch two years earlier. Instead, they learn they are part of a larger war carried on more

recently by Nathan Parks and Trent Williams in Afghanistan. Their new ally and mentor, Joshua Nashoba, has fought the same enemy in the sky above the frigid waters off Antarctica in 1947 and again above the waters of the steaming jungle coast of Vietnam in 1968. A sweeping, intense story of determined warriors against an enemy that first came to prominence as a god in ancient Mesopotamia. The mountains above Honobia, Oklahoma, become the backdrop for another life and death struggle involving the Redstone's and their friends. A battle where the enemy can attack you in any form; beast, otherworldly craft, or even your own government.

I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. (1 Timothy 2:1-2) At the admonition of the Lord to study the Awakenings in America in 2008, this unique book examines this directive, along with others. You will learn: The history of spiritual Awakenings, and the people and events that founded and preserved this special nation. How they relate to the next great Awakening; including the Revival and prayer roots of President Trump. The role of the Church in government affairs. Uniting the Body of Christ in the First of All campaign. The success of this or any future administration falls primarily upon the shoulders of the Body of Christ. Dr. Billye Brim has ministered this revelation through the various platforms available to her and has now written about it, believing the body of Christ can unite in this prayer effort and overcome the enemy's plot to destroy us through division. "America can finish her God-given course. America can, will, and must reach her destiny. And that depends upon the prayers of God's people. That depends on you and me." --Billye Brim

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. 2 Tim. 2:15 It started with a revelation she received while peeling potatoes in her kitchen in Oklahoma and listening to a message by Kenneth E. Hagin. Since that memorable day, Dr. Billye Brim has studied and taught on the rules of Bible interpretation and the three groups of people spoken of in scripture that are so important to understanding the Word of Truth. How to Rightly Divide the Word will give you a firm foundation for your study of the Bible and help you to avoid the errors that have done so much harm to the church over the centuries.

This book outlines what the Bible teaches about the Jewish people and religion.

Jewish Themes in the New Testament is an examination of what the New Testament teaches about the Jewish people in the era of the New Covenant. The core of that teaching is an affirmation of God's continued faithfulness to them. In a day when opinions regarding the Jewish people are increasingly polarised as some stress their position centre-stage and others consign them to the dustbin of history, this book seeks to demonstrate from the New Testament that both extremes are wrong. This unique book considers the theological issues, but it is concerned for much more; it is about Jewish people and the Jews as a people, as the New Testament sees them. *Between Jew and Arab* Destiny Image Publishers

Is there life after death? After a tragic accident, doctors pronounced Richard Sigmund legally dead. Eight hours later, God miraculously brought him back to life on the way to the morgue. During those hours, God allowed him to experience the glorious beauty, heavenly sounds, sweet aromas, and boundless joys of heaven that await every believer. God then returned him back to earth with a mission to tell the world what he saw. You will thrill to Sigmund's eyewitness accounts of strolling down heaven's streets of gold, seeing angels playing with children, talking with Jesus, meeting with people from the Bible, as well as departed family and friends, seeing the mansions, and much more! Through Sigmund's testimony, God restored sight to the blind, hearing to the deaf, and even raised several people from the dead. Also, glimpse into the horrifying reality of "the other place"—a place where no one wants to go.

El arte de la oracion, conocido por los primeros Pentecostales, virtualmente se ha perdido durante los ultimos anos. Sin embargo, para que Dios lleve a cabo lo que El desea, el verdadero arte de la oracion debe ser revivido en la Iglesia. El libro de Kenneth E. Hagin, El Arte de la Oracion, muestra como puede ser hecho esto y refleja el material nuevo y actualizado del Rev. Hagin sobre este tema. El Rev. Hagin anota: "Creemos que Dios va a utilizar este libro para levantar y entrenar un gran numero de personas que sepan como orar y que estaran a la vanguardia de la obra del Senor en estos ultimos dias". Este texto es imprescindible para toda iglesia y para todo grupo de oracion. Los capitulos en esta importante guia sobre el arte perdido de la oracion, cubren temas como: Oracion por su patria, intercesion por los perdidos, oracion por liberacion, gemidos en el Espiritu, ayuno y oracion por aquellos que estan en pecado. Is it really God's will for you to be healed? As a born-again believer, you've got to be sure. One day your life may depend on it. Let Gloria Copeland guide you through the Word of God and show you the scriptural answers to questions that may be standing between you and the healing power of God. Questions such as: What is the real origin of sickness and disease? Does God use illness to teach us spiritual lessons? What was Paul's "thorn in the flesh"? Did God really refuse to deliver him from it? Is God glorified in the brave way Christians suffer or does He receive glory when we are healed? If healing is God's will, then why aren't Christians always healed? The answers to these controversial and provocative questions begin in chapter one! Don't stay in the dark another moment. Let the Word remove every shadow of doubt. Discover God's Will for Your Healing.

"In my study of the Word of God, I discovered something very important about honor. Honor carries and is supported by the supernatural power of God. An honorable man may look like a lamb being led to the slaughter. He may look like he has just stuck out his chin for someone to hit. He appears this way because he lives by biblical teachings and principles. If we choose to do the honorable thing if we choose to live by the Word of God then the honor of God will hold us up. He has promised us that He

will honor us when we honor Him." Kenneth Copeland. Honor Today, almost an entire generation has never experienced God's honor and presence. Now we live in a dishonorable society because the concept of honor is not being passed on from parent to child. Many parents don't even know what it means to be honorable. What Does Honor Mean? This powerful and scriptural look at the biblical definition of honor will challenge you to live the honorable life and demonstrate that God has provided a way to live and succeed the honorable way. *Selected Writings One World* You may know it is God's will to answer your prayers, yet often your prayers have gone unanswered. Have you ever wondered the secrets of effective prayer? This small but mighty book is your opportunity to learn those truths from someone who, as one minister put it, could pray heaven and earth together. Throughout this book, Penny Riddle shares important lessons gleaned from her praying grandmother, Mrs. Sylvia Patterson. She chronicles not only the many answers to Sylvia's prayers, but the prayer practices that brought her such success. These practices are part of a legacy that continues to bless Penny and her family. Now Penny wants to share these secrets with you. Be inspired by the biblical wisdom of Sylvia Patterson, a woman whose practical yet profound prayers yielded incredible results even in the midst of difficult circumstances. And be encouraged because you can get the same kind of results by embracing these Secrets of Praying Heaven and Earth

Jones on Jamestown's first slaves to historian Annette Gordon-Reed's portrait of Sally Hemings to the seductive cadences of poets Jericho Brown and Patricia Smith, *Four Hundred Souls* weaves a tapestry of unspeakable suffering and unexpected transcendence."—O: The Oprah Magazine The story begins in 1619—a year before the *Mayflower*—when the *White Lion* disgorges "some 20-and-odd Negroes" onto the shores of Virginia, inaugurating the African presence in what would become the United States. It takes us to the present, when African Americans, descendants of those on the *White Lion* and a thousand other routes to this country, continue a journey defined by inhuman oppression, visionary struggles, stunning achievements, and millions of

ordinary lives passing through extraordinary history. *Four Hundred Souls* is a unique one-volume "community" history of African Americans. The editors, Ibram X. Kendi and Keisha N. Blain, have assembled ninety brilliant writers, each of whom takes on a five-year period of that four-hundred-year span. The writers explore their periods through a variety of techniques: historical essays, short stories, personal vignettes, and fiery polemics. They approach history from various perspectives: through the eyes of towering historical icons or the untold stories of ordinary people; through places, laws, and objects. While themes of resistance and struggle, of hope and reinvention, course through the book, this collection of diverse pieces from ninety different minds, reflecting ninety different perspectives, fundamentally deconstructs the idea that Africans in America are a monolith—instead it unlocks the startling range of experiences and ideas that have always existed within the community of Blackness. This is a history that illuminates our past and gives us new ways of thinking about our future, written by the most vital and essential voices of our present.
