10 Life Lessons From 10 Years on Broadway McFarland
 Dr. Smith's diet has been featured on VH1's number-one rated show, *Celebrity Fit Club*, where Hollywood celebrities follow his customized diet plan and compete to lose weight. Now, with *The Fat Smash Diet*, everyone will have access to the revolutionary eating plan that leads to lifestyle changes and permanent weight loss forever. *The Fat Smash Diet* is not a gimmick or short-term fix. It is a four-phase diet that starts out with a natural detox phase to clean impurities out of the system. Once this nine-day phase is completed, the next three phases encourage the addition of everyday foods that promote significant weight loss. In just thirty days, most dieters will complete all four phases and be on their way to a thinner lifetime of good health. Best of all, there is no calorie counting, and Dr. Smith guarantees there never will be. As an added bonus, there are over fifty easy-to-

cook, tasty recipes that make it easier to stick with Dr. Smith's plan. *The Fat Smash Diet* is unlike any other program on the market. In fact, it's the LAST DIET YOU'LL EVER NEED!

The Cove Thomas Telford

The practice of using children to participate in conflict has become a defining characteristic of 21st century warfare and is the most recent addition to the canon of international war crimes. This text examines the development of this crime of recruiting, conscripting or using children for participation in armed conflict, from human rights principle to fully fledged war crime, prosecuted at the International Criminal Court. The background and reasons for the growing use of children in armed conflict are analysed, before discussing the origins of the crime in international humanitarian law and human rights law treaties, including the Convention on the Rights of the Child and its Optional Protocol. Specific focus is paid to the jurisprudence of the Special Court for Sierra Leone and the International Criminal Court in developing and expanding the elements of the crime, the

modes of ascribing liability to perpetrators and the defences of mistake and negligence. The question of how the courts addressed issues of cultural sensitivity, notably in terms of the liability of children, is also addressed.

Your Secret Guide to Ending the Stress of School and Totally Ruling the World Price Stern Sloan

The founder and CEO of Askinosie Chocolate, an award-winning craft chocolate factory, shows readers how he discovered the secret to purposeful work and business – and how we can too, no matter what work we do. Askinosie Chocolate is a small-batch, award winning chocolate company widely considered to be a vanguard in the industry. Known for sourcing 100% of his cocoa beans directly from farmers across the globe, Shawn Askinosie has pioneered direct trade and profit sharing in the craft chocolate industry with farmers in Tanzania, Ecuador, and the Philippines. In addition to developing relationships with smallholder farmers, the company also partners with schools in their origin communities to provide lunch to 1,600 children every day with no outside donations. Twenty-five years ago, Shawn Askinosie was a successful criminal defense lawyer trying his first murder death penalty case that would later go on to become a Dateline special. For many years he found law satisfying, but after several high profile trials he reached a breaking point and found solace in the search for a new career. In this inspiring guide to discovering a vocation that feeds your heart and soul, Askinosie describes his quest to discover more meaningful work – a search that led him to volunteering in the palliative care wing of a hospital, to a Trappist monastery where he became inspired by the monks focus on “being” rather than “doing,” and eventually traipsing through jungles across the globe in search of excellent cocoa bean farmers to make award winning chocolate. Askinosie shares his hard-won insights into doing work that reflects one’s values and purpose in life. He shares with readers visioning tools that can be used in any industry or field to create a work life that is inspired and fulfilling. Askinosie shows us that everyone has the capacity to find meaning in their work and be a positive force for good in the world.

& Other Stories SitePoint

Praise for *Be the Solution* "In the past, many believed you either went into 'public service' to do good, or you 'went into business' to make money. Few realized that the long-term success of business depends on serving people, not making money. Few realized that perhaps the best way to serve the public was through free enterprise. Whole Foods Market founder John Mackey, visionary thinker Michael Strong, micro lender Muhammad Yunus, and a few others understand these truths. *Be the Solution* is the best single book to read to understand the emerging ways in which entrepreneurs can change the world." —Gary Hoover, serial entrepreneur, founder of Hoover's Business Information Service, Hooversworld.com "Michael Strong speaks the truth. A must-read for our new American government." —Sam Wyly, founder, Green Mountain Energy; author of *1,000 Dollars and an Idea* "This book is totally fantastic. Treat your mind to a feast. Use it to tune your vision towards what really works." —Charles Harper, Senior Executive VP, Chief Strategist, John Templeton Foundation "Perhaps more than ever before, young people today are motivated by the desire to make the world a better place. Unfortunately, many have little idea about how to do it, and their educational studies provide them with little direction. In contrast, this book is a road map about how we can get from where we are to where we want to be—to a more peaceful, more prosperous, and more environmentally sound world. Plus, it is exciting, uplifting, and adventurous. Indeed, it provides the recipe for a better world." —Dr. James Gwartney, coauthor of *Economic Freedom of the World: 2007 Annual Report*;

Gus A. Stavros Eminent Scholar Chair at Florida State University "This is a very thoughtful and timely book that asks us to look around—and to look within—the amazing opportunities that entrepreneurship offers to the world. I recommend this book to anyone interested in finding solutions to the current crisis."

—Giancarlo Ibarguen, Executive President, Universidad Francisco Marroquin "At last, a book about the heart of capitalism as a force for creating good in the world for solving many of our tough societal problems. I hope our political leaders read it." —R. Edward Freeman, Olsson Professor of Business Administration, Academic Director, Business Roundtable Institute for Corporate Ethics, University of Virginia

Love Smart Wiley

An exclusive look at one of the world's most successful and controversial companies, and the mysterious family behind it. BMW is arguably the most admired carmaker in the world. It's financial performance is the envy of its competitors, and BMW products inspire near-fanatical loyalty. While many carmakers struggle with falling sales, profits and market share, demand for BMWs continues to grow, frequently outpacing production. Now, David Kiley-Detroit Bureau Chief at USA Today and author of *Getting the Bugs Out*, which covered Volkswagen's demise and rebirth, goes inside the fabled German automaker to see how it does what it does so well. With unprecedented access to BMW executives, Kiley goes behind the walls of BMW's famed "Four Cylinders" headquarters in Munich at a time when the company is in its most aggressive, and some say riskiest, expansion in its history and when some of the company's new products, like the 7 Series sedan and Z4 roadster, are for the first time drawing as many barbs from critics as bouquets. Kiley covers intimate details of the boardroom drama surrounding the company's nearly disastrous acquisition and subsequent sale of the British Rover Group and its expansion into selling MINI and Rolls Royce cars. Besides being a world-class carmaker, BMW is also considered one of the smartest consumer marketing companies and Kiley explores the extraordinary value and management of the BMW brand mystique. He also takes a revealing look at the mysterious and ultra-private Quandt family of Bad Homburg Germany, which owns a controlling stake in BMW: Johanna and Susanne Quandt, two of the wealthiest women in Europe and Stefan Quandt, one of the wealthiest bachelors on the continent. David Kiley (Ann Arbor, MI) is the Detroit Bureau Chief at USA Today who has covered the auto industry for 17 years. He has been featured on Nightline, CNBC, CNN, MSNBC, NPR and the Today show. He is also the author of *Getting the Bugs Out: The Rise, Fall, and Comeback of Volkswagen in America* (0-471-26304-4), also available from Wiley.

Conscious Capitalism, With a New Preface by the Authors John Wiley & Sons

Residential Design Using Autodesk Revit 2021 is designed for users completely new to Autodesk Revit. This text takes a project based approach to learning Autodesk Revit's architectural tools in which you develop a single family residence all the way to photorealistic renderings like the one on the cover. Each book also includes access to extensive video training designed to further help you master Autodesk Revit. The lessons begin with a basic introduction to Autodesk Revit 2021. The first four chapters are intended to get you familiar with the user interface and many of the common menus and tools. Throughout the rest of the book a residential building is created and most of Autodesk Revit's tools and features are covered in greater detail. Using step-by-step tutorial lessons, the residential project is followed through to create elevations, sections, floor plans, renderings, construction sets, etc. About the Videos Access to extensive video training is also included with your purchase of this book. These videos break

down each topic into several short videos so that you can easily navigate to a specific aspect of a tool or feature in Autodesk Revit. This makes the videos both a powerful learning tool and convenient video reference. The videos make it easy to see the menu selections and will make learning Revit straightforward and simple. It's like having the author by your side showing you exactly how to use all the major tools in Autodesk Revit.

A Lapsed Anarchist's Approach to Building a Great Business 368 Press

This book describes and explains the many features of ground engineering that require special design attention to ensure safety and adequate performance. It is useful for civil and structural engineers code-drafting committees; clients; structural-design students and public authorities.

The War Crime of Child Soldier Recruitment A&C Black

How To Shift Your Company Beyond Being Transactional to Truly Transform and Even Transcend Business...Forever Evolved Enterprise is an illustrated journey for 21st century entrepreneurs ready to explore how greater purpose, joy and meaningful impact create fierce brand loyalty, marketplace leadership and deliver exceptional profits.

The Straight-A Conspiracy Algonquin Books

The bestselling book, now with a new preface by the authors At once a bold defense and reimagining of capitalism and a blueprint for a new system for doing business, Conscious Capitalism is for anyone hoping to build a more cooperative, humane, and positive future. Whole Foods Market cofounder John Mackey and professor and Conscious Capitalism, Inc. cofounder Raj Sisodia argue that both business and capitalism are inherently good, and they use some of today's best-known and most successful companies to illustrate their point. From Southwest Airlines, UPS, and Tata to Costco, Panera, Google, the Container Store, and Amazon, today's organizations are creating value for all stakeholders—including customers, employees, suppliers, investors, society, and the environment. Read this book and you'll better understand how four specific tenets—higher purpose, stakeholder integration, conscious leadership, and conscious culture and management—can help build strong businesses, move capitalism closer to its highest potential, and foster a more positive environment for all of us.

How Entrepreneurs and Conscious Capitalists Can Solve All the Worlds Problems Springer Science & Business Media

Retinopathy of Prematurity presents a review of the current knowledge of this disease, which tragically renders many premature infants blind. First, the volume covers the natural history, classification and histopathology of ROP, followed by examination techniques, recommendations for follow-up and therapy and finally a panel discussion providing answers to frequent questions and areas of legal concern.

How Any Man Can Achieve Lasting Health, Great Sex, and a Stronger, Leaner Body D C Books

Humanity is on the ropes, and after years of fighting a two-front war with losing odds, so is North American Defense Corps officer Andrew Grayson. He dreams of dropping out of the service one day, alongside his pilot girlfriend, but as warfare consumes entire planets and conditions on Earth deteriorate, he wonders if there will be anywhere left for them to go.

Evolved Enterprise Simon and Schuster

Californian Merrit Chase travels to Ireland to meet her father, a celebrated matchmaker, in hopes that she can mend her troubled past. Instead, her arrival triggers a rising tide of violence, and Merrit finds herself both suspect and victim, accomplice and pawn, in a manipulative game that began thirty years previously. When she discovers that the matchmaker's treacherous past is at the heart of the chaos, she must decide how far she will go to

save him from himself--and to get what she wants, a family.

A Thriller John Wiley & Sons

The first in a series of books by Zingerman's co-founding partner Ari Weinzweig examines the basic building blocks of the culture and structure we know now as Zingerman's. These approaches are applicable whether you're running a law office, a library, a restaurant, a record label, a software firm, or an organic farm. They are the behind-the-scenes "secret" stuff that goes into making a very special, sustainable business of any kind. Inc. Magazine calls it one of the Best Books for Business Owners. *A True Story of Money, Marriage, Sex and Murder* Faith Today Trilogy

A Complete Description of History, Geography, Flora & Fauna, Economy, Polity, Culture and many more ...

Unmasking What Matters Open Road + Grove/Atlantic

What if the only reason you aren't doing well in school is that you've been lied to about your own brain? For centuries, students worldwide have been tricked into making school more difficult, more stressful, and less successful than it needs to be. In reality, you already have the ability to make anything that you do in school easy. From writing essays to mastering any math concept to acing even your most difficult final exam, The Straight-A Conspiracy takes you through the simple, stress-free ways to conquer any class in school. The truth about straight-A's has been kept from you. It's time you knew about The Straight-A Conspiracy.

The Rise, Fall, and Comeback of Volkswagen in America Ramesh Publishing House

60 of the very best horror movie posters ever made.

The Last Diet You'll Ever Need Taylor & Francis

A septuagenarian fitness expert outlines a program that combines exercise, nutrition, hormones and holistic medicine to counsel men on how to approach aging from a strong and healthy perspective, drawing on various exercise disciplines while providing an accessible menu schedule. Reprint. 50,000 first printing.

Driven Simon and Schuster

#1 International Best Seller Living a meaningful, satisfying life is an enigma for most people today. We feel stuck, small, without the self-confidence to move in the direction of what we really want. Or, if we do muscle through our fear in pursuit of our dreams, we exhaust ourselves working and striving and achieving and yet somehow, no matter our level of outer-world success, are left dazed and disheartened, asking ourselves, "Is this all there is?" After ten years on Broadway, Sandra Joseph—the longest-running leading lady in Broadway's longest-running show, The Phantom of the Opera—knows one thing for sure: the only way to have a truly fulfilling life and achieve success that satisfies is to recognize that the journey up is no substitute for the journey in. In *Unmasking What Matters*, Joseph uses lessons learned on the road to Broadway, during her decade as Christine, and through the challenges she faced after walking away from the business to show readers how to courageously bring their inner voice to the outer world, stop seeking success for achievement's sake and start creating the life they truly desire. With her hard-won wisdom, poignant personal stories, and practical, experiential exercises to guide them, readers will learn to shed their limiting masks, mindfully work through their fears, stand in their authentic power, and build a life rich with satisfaction, meaning, and significance. Warm, humble, encouraging, and inspiring, *Unmasking What Matters* can help anyone move from stuck, fearful, and playing it safe to embracing their passions, gifts, and opportunities and living life "full-out" today.

Her Own Place Baen Publishing Enterprises

"A worthy successor to Kilmoon in tone, mood, complexity, and

keen insight into human failures and triumphs.”—Kirkus Reviews
 There’s a whisper in the mists In Lisfenora, Ireland, a strange fog has rolled in off the Atlantic. Along with the fog comes tales of the Grey Man, a predatory faery of local lore who snatches innocent souls into his deadly gloom. And with the mists come murder
 When a teenage boy dies in Detective Sergeant Danny Ahern’s arms, Danny finds himself pursuing his own grey man, a killer who becomes more elusive the closer Danny gets to the truth. A mute woman may be the key to solving the murder and helping Danny heal his own broken life, but first she must unlock the memories from her past. “Rich, dark, and complex—every aspect of Alber’s second novel rises above the commonplace. The mystery’s resolution is expertly teased from layers of motive, obligation, attraction and repulsion, all in a memorably

atmospheric setting.”—Sophie Littlefield, bestselling author of *The Guilty One*

Pandavapuram She Writes Press

Charlie has a story to tell, about his best friends Sinéad and James and the bad things that happened. But he can't tell it yet, at least not 'til he's worked out where the beginning is. Because is the beginning long ago when Sinéad first spoke up for him after Charlie got in trouble at school for the millionth time? Or was it later, when Sinéad and James followed the music and found each other? Or was it later still on that terrible night when something unspeakable happened and someone chose to turn a blind eye? This is the story of the dark heart of an Irish village, of how daring to be different can be dangerous and how there is nothing a person will not do for love. This is the story of the Gamal.
