The Samaritan Pentateuch and the Origin of the Samaritan Sect

BRILL
From the dramatic find in the caves of Qumran, the world's most ancient version of the Bible allows us to read the scriptures as they were in the time of Jesus.

The Principles of Samaritan Bible Exegesis
BRILL
Digital Samaritans explores

rhetorical delivery and cultural sovereignty in the digital humanities. The exigence for the book is rooted in a practical digital humanities project based on the digitization of manuscripts in diaspora for the Samaritan community, the smallest religious/ethnic group of 770 Samaritans split between Mount Gerizim in the Palestinian Authority and in Holon, Israel. Based on interviews with members

of the Samaritan community and archival research, Digital Samaritans explores what some Samaritans want from their diaspora of manuscripts, and how their rhetorical goals and objectives relate to the contemporary existential and rhetorical situation of the Samaritans as a living, breathing people. How does the circulation of Samaritan manuscripts,

especially in digital environments, relate to their rhetorical circumstances and future goals and objectives to communicate their unique cultural history and religious identity to their neighbors and the world? Digital Samaritans takes up these questions and more as it presents a case for collaboration and engaged scholarship situated at the intersection of rhetorical studies and

the digital humanities. **The Hebrew of the Dead Sea Scrolls** Society of Biblical Lit It was destroyed nearly 2000 years ago, and yet the Temple of Jerusalem--cultural memory, symbol, and site--remains one of the most powerful, and most contested, buildings in the world. This glorious structure, imagined and re-imagined, reconsidered and reinterpreted

again and again over two millennia, emerges in all its historical, cultural, and religious significance in Simon Goldhill's account. The Septuagint with Apocrypha in English Baker Academic This volume represents the current state of Samaritan research. The studies, which were presented at the seventh international conference of the Société d'Études Samaritaines, deal with

several aspects of the field of Samaritan studies, like the connections of Samaritan history and religion to the Old Testament, problems of the temple building on Mount Gerizim in the Persian or Hellenistic period, linguistic characteristics of the Samaritan Hebrew language and Samaritan theological questions of the Arabic era. Papers were written by the leading scholars of Samaritan studies. Rhetorical Delivery and Engagement in the Digital Humanities Brill Archive This book is a compilation of writings from two Samaritan High Priests of the early 20th century. Both works layout the doctrine of the Samaritans with detailed explanations from the Torah. Mount Gerizim: The One True Sanctuary The Samaritans hold to the belief that Mount Gerizim is the sacred place which their worship and pilgrimage is to be directed to the rejection of the Jebusite mount of Jerusalem. Mount Gerizim plays a prominent role in the lives of the Patriarchs: Abraham, Isaac, and Jacob; is the place described in the Torah as the Mountain of Blessing; and was part of the inheritance of Jacob's favored son Josph. Samaritan High Priest Amram son of

Isaac lays out their claim that it is "The One True Sanctuary." (Originally published in the early 1900's) The Book Of Enlightenment For The Instruction Of The Inquirer Samaritan High Priest Jacob son of Aaron set out to answer twenty-five questions most frequently asked of him by outsiders as well as of those among his own community. He also set forth two arguments for

his opponents - the Jews - which show the distance in doctrine between these two Israelite sects. (Originally published in 1913) **Tradition Kept** UNC Press Books The first-ever Samaritan Cookbook takes you on an adventure into this little-known world of Israelite food and drink. We journey to both halves of the community: in Holon, outside Tel Aviv, and Kiryat Luza, on Mount

Gerizim near Nablus. Most people have heard the Parable of the Good Samaritan, but few realize that the community is once again going strong today, much less tasted or prepared any of their cuisine. Despite almost fading from the history books, the Samaritan way of life has survived 3,000 years in the Holy Land. From hummus and avocado sesame salad to lamb meatballs with pine nuts and

chicken with za'atar, Samaritan cuisine is a unique blend of Mediterranean traditions, reflecting the flavors and spices of contemporary Arabic and ancient Levantine neighbors.

Authoritative introduction to the Samaritan tradition from antiquity to the present

Most people associate the term "Samaritan" exclusively

with the New Testament stories about the Good Samaritan and the Samaritan woman at Jacob's well. Very few are aware that a small community of about 750 Samaritans still lives today in Palestine and Israel; they view themselves as the true Israelites, having resided in their birthplace for thousands of years and preserving unchanged the revelation given to Moses in the

Torah.

Reinhard Pummer, one of the world's foremost experts on Samaritanism, offers in this book a comprehensive introduction to the people identified as Samaritans in both biblical and nonbiblical sources.

Besides analyzing the literary, epigraphic, and archaeological sources, he examines the Samaritans' history, their geographical distribution, their version of the

Pentateuch, their rituals and customs, and their situation today. There is no better book available on the subject.

Tibât Mârqe

Eisenbrauns This book evaluates the methods often used for finding the origin of the Samaritans, assesses well known and new material, and suggests that the decisive event was the construction of the temple on Mount Gerizim in the first part of the fourth

century b.c.e.

The
Septuagint (or
"LXX") is the
Greek version
of the Old
Testament. It
is a translation
of the Hebrew
Old Testament
and certain
Apocryphal
books, which
was written in
the late 3rd
century BC by
the order of
Ptolemy II
Philadelphus,
the king of
Ptolemaic
Egypt (283 BC

to 246 BC).
Alexander the
Great had
spread Greek
influence and
language
throughout
"the known
world" and the
Jews of the
area were
losing their
Jewish roots
and tongue.
This Greek
translation
was created
for use by the
Alexandrian
Jews who were
fluent in Koine
Greek, but
were no
longer fluent
in Hebrew.
The
Septuagint is
quoted in the
New
Testament by
the Apostolic
Fathers. The

influence of
the Septuagint
on Christianity
cannot be
denied and
should be
studied by
students of
the Bible and
religion. This
translation of
the Septuagint
was written by
Sir Lancelot C.
L. Brenton and
published in
1851. It was
based on the
Codex
Vaticanus, one
of the oldest
surviving
manuscripts of
the Greek
Bible. This
version of the
Septuagint is
used by
scholars and
students of
Scripture,
religion, as

well and Old and New Testament history.

Studies in Hebrew Bible, Septuagint, and Dead Sea Scrolls in Honor of Emanuel Tov

BRILL

In 1986, Elisha Qimron published the first comprehensive study of the Hebrew language of the scrolls from Qumran, examining the orthography, phonology, morphology, syntax, and vocabulary of the language. Over twenty years later,

his work remains the standard reference on the subject. The History of a Myth Wipf and Stock Publishers This volume honors the lifetime of scholarly contribution and leadership of Professor Emanuel Tov. Colleagues from all over the world have contributed significant studies in the Hebrew Bible, its Greek translations, and the Dead Sea Scrolls. The Ark of Marq Edition, Translation,

Commentary

Walter de Gruyter The first-ever Samaritan Cookbook takes you on an adventure into this little-known world of Israelite food and drink. We journey to both halves of the community: in Holon, outside Tel Aviv, and Kiryat Luza, on Mount Gerizim near Nablus. Most people have heard the Parable of the Good Samaritan, but few realize that the community is once again

going strong today, much less tasted or prepared any of their cuisine. Despite almost fading from the history books, the Samaritan way of life has survived 3,000 years in the Holy Land. From hummus and avocado sesame salad to lamb meatballs with pine nuts and chicken with za'atar, Samaritan cuisine is a unique blend of Mediterranean traditions, reflecting the flavors and spices of	contemporary Arabic and ancient Levantine neighbors. <u>Digital Samaritans</u> BRILL In 1947, a Bedouin shepherd literally stumbled upon a cave near the Dead Sea, a settlement now called Qumran, to the east of Jerusalem. This cave, along with the others located nearby, contained jars holding hundreds of scrolls and fragments of scrolls of texts both biblical	and nonbiblical—in Hebrew, Aramaic, and Greek. The biblical scrolls would be the earliest evidence of the Hebrew Scriptures, or Old Testament, by hundreds of years; and the nonbiblical texts would shed dramatic light on one of the least-known periods of Jewish history—the Second Temple period. This find is, quite simply, the most important archaeological event in two
---	--	---

thousand years of biblical studies. The scrolls provide information on nearly every aspect of biblical studies, including the Old Testament, text criticism, Second Temple Judaism, the New Testament, and Christian origins. It took more than fifty years for the scrolls to be completely and officially published, and there is no comparable brief, introductory resource. Core

Biblical Studies fulfill the need for brief, substantive, yet highly accessible introductions to key subjects and themes in biblical studies. In the shifting tides of biblical interpretation, these books are designed to help students locate relevant meanings in conversation with the text. As a first step toward substantive and subsequent learning, the series draws

on the best scholarship in order to provide foundational concepts and contextualized information on a broad scope of issues, methods, perspectives, and trends.

Sexuality and Gender in Modern Mormonism

Abingdon Press

Engaged with previous scholarship and bringing to bear new material and literary evidence, this book offers a new understanding of the history, identity, and

relationship of early Samaritans and Jews. The Oldest Known Bible Translated for the First Time into English Mohr Siebeck The Keepers describes the remarkable history and survival of the Samaritans and the unique oppression and grace that have shaped their culture and religion. It is a history whose antagonists have included Jews, Christians, and Muslims, and it has contributed to

arguments between Roman Catholics and Protestants over the text of the Bible. The threads of the story disappear at times into Judaism, Christianity, and Islam, but ultimately succeed in affirming the unique Samaritan identity. Popularly associated with phrases like "The Lost Ten Tribes of Israel" and "The Good Samaritan," many are surprised to learn that the Samaritans

have a rich history and culture that includes a contemporary chapter. This history is illuminated by stories in the Hebrew Bible and documents from Persian, Greek, Roman, Byzantine, and Islamic sources. *Emanuel* BRILL This remarkable survey introduces critical knowledge and insights that have emerged over the past forty years, including

He was weeping over that broken heart. He was feeling the heart's hurt and loneliness. He wept over that wounded heart longing so much to heal the wound that tore it apart, but this young woman would not seek his comfort. I saw	Him pick up another heart, a heart of wounded veteran. That heart was cold and barren and I watched his tear drops just roll off that hardened heart. I could sense He was wishing that each tear would somehow penetrate that heart, but this brave warrior would not open it to Him to allow the tears of His Savior to enter and soften his heart. As He picked up another broken heart I reached out to Him and	touched His nail pierced hand and instantly I felt His sorrow and pain, the anguish felt by each heart and I too wept. All four of us wept. It was in this quiet, weeping room that I saw my own heart's desire. It was to not have a flourishing ministry, books published, or to even experience a healing of my body, it was only to seek and search for these hearts and let them know that there is a
