 The cultural universe of

middle class in India shows signs of growing inclusiveness as far as English is concerned. This phenomenon manifests itself in increasing forms of bilingualism (combination of English and one Indian language) in everyday forms of speech - advertisement jingles, bilingual movies, signboards, and of course conversations. It is also evident in the startling prominence of Indian Writing in English and somewhat less visibly, but steadily rising, activity of English translation from

Indian languages. Since the eighties this has led to a frenetic activity around English translation in India's academic and literary circles. Kothari makes this very current phenomenon her chief concern in *Translating India*. The study covers aspects such as the production, reception and marketability of English translation. Through an unusually multi-disciplinary approach, this study situates English translation in India amidst local and global debates on translation,

representation and authenticity. The case of Gujarati - a case study of a relatively marginalized language - is a unique addition that demonstrates the micro-issues involved in translation and the politics of language. Rita Kothari teaches English at St. Xavier's College, Ahmedabad (Gujarat), where she runs a translation research centre on behalf of Katha. She has published widely on literary sociology, postcolonialism and translation issues. Kothari

is one of the leading translators from Gujarat. Her first book (a collaboration with Suguna Ramanathan) was on English translation of Gujarati poetry (Modern Gujarati Poetry: A Selection, Sahitya Akademi, New Delhi, 1998). Her English translation of the path-breaking Gujarati Dalit novel Angaliyat is in press (The Stepchild, Oxford University Press). She is currently working on an English translation of Gujarati short stories by women of Gujarat, a study

of the nineteenth-century narratives of Gujarat, and is also engaged in a project on the Sindhi identity in India.

In the grip of lust, Raja Karan Vaghela abducts

the beautiful Roopsundari, his prime minister Madhav's wife. Fuelled by a desire for revenge, Madhav escapes to Delhi and persuades Sultan Alauddin Khilji to invade Gujarat and destroy Patan fort. This unleashes a dramatic chain of events that forever ends Rajput rule in Gujarat, heralding the dawn of a new age. Rich in psychological insight and imbued with a poetic vision, Karan Ghelo tells the spellbinding tale of a man who tragically failed his land and its people.

 The book 'Information and Communication Technology' has been written for engineering students preparing for ESE, conducted by UPSC, as well as for engineering graduates preparing for State Public Service Commission exams and PSUs. This fourth edition carries more than 370 objective questions covering all the important aspects of Information and Communication Technology. It makes sure that as a student finishes a chapter, she has hands-

on practice with questions that are very close to the ones that are asked in the real exams. All important information, keywords, tables, pictures, etc. have been incorporated in chapters in a manner that it creates a complete wireframe of all the important concepts in a unified manner. This makes it easier for students to read, digest, reproduce, and apply the knowledge in a pressure cooker situation of the exam hall.

 An invaluable encyclopedia of Hinduism  
 Hinduism is one of the world's oldest religions; an amalgam of diverse beliefs and schools, it originates in the Vedas and is rooted in Indian culture. *Hinduism: An Alphabetical Guide* illuminates complex philosophical concepts through lucid definitions, a historical perspective

and incisive analyses. It examines various aspects of Hinduism, covering festivals and rituals, gods and goddesses, philosophers, memorials, aesthetics, and sacred plants and animals. The author also explores pivotal ideas, including moksha, karma, dharma and samsara, and details the diverse commentaries on the Bhagavad Gita and other important texts. Citing extensively from the regional languages, the book describes Hinduism's innumerable myths and legends, and

looks at the many versions of texts including the Ramayana and Mahabharata, placing each entry in its historical context and tracing its evolution to the present. • Outlines all eighteen major Puranas, the 108 Upanishads, and a selection of Vaishnava, Sahiva and Tantric texts • Provides quotations from rare original texts • A product of years of research, with a wide range of entries

 India...a young country, a

timeless civilisation  
 Explore it with India's very own storyteller, Amish India, a culture that witnessed the dawn of civilisation. That witnessed the rise of other cultures and watched them turn to dust. It has been celebrated and attacked. Admired and vilified. But through all these millennia, after all the ups and downs of history, it's still here! And now, after a few centuries of decline, it's driving a new dawn once again.  
 Ajanaabhavarsh. Bharat.

Hindustan. India. The names may change, but the soul of this great land is immortal. Amish helps you understand India like never before, through a series of sharp articles, nuanced speeches, and intelligent debates. Based on his deep understanding of subjects such as, religion, mythology, tradition, history, contemporary societal norms, governance, and ethics, Amish lays out the vast landscape of an ancient culture with a fascinatingly modern

outlook. [Encyclopaedia of Indian Literature](#) Lulu.com In the West Bengal election of 2021, the longest state election in the history of India, Mamata Banerjee won the khela, and the BJP lost the plot. How did this happen? The author, Jayanta Ghosal, travelled to all the districts of West Bengal and unearthed certain key factors that helped the Trinamool win the state. For instance, there was a massive gap in the BJP's understanding of Bengali identity, which Mamata

was able to exploit. An 'overdose' of central intervention, ranging from paramilitary forces to intelligence agencies to target key TMC leaders, added to the BJP's disconnect with voters. Increasingly, the state felt the divide between New Delhi and Bengal grow. The book details how Mamata was successfully able to portray herself as the 'daughter of Bengal' who worked tirelessly for the state's poor and disadvantaged. It also asks the question: with the state elections under

her belt, what will be Mamata's path to the General Elections of 2024? Does she consider herself a candidate for the prime minister's post?

This is the first book in English on Narsinha Mehta, a major figure among the saint-poets of medieval India and the most celebrated bhakti (devotion) poet from Gujarat, whose morning hymns and sacred biography provided a vital source of moral inspiration to Gandhi. It explores how the songs and sacred narratives associated with the saint-poet have been sculpted into a popular source of moral inspiration by

performers and audiences.

This book provides a general survey of all the inscriptional material in the Sanskrit, Prakrit, and modern Indo-Aryan languages, including donative, dedicatory, panegyric, ritual, and literary texts carved on stone, metal, and other materials. This material comprises many thousands of documents dating from a range of more than two millennia, found in India and the

neighboring nations of South Asia, as well as in many parts of Southeast, central, and East Asia. The inscriptions are written, for the most part, in the Brahmi and Kharosthi scripts and their many varieties and derivatives. Inscriptional materials are of particular importance for the study of the Indian world, constituting the most detailed and accurate historical and chronological data for nearly all aspects of traditional Indian culture in ancient and medieval

times. Richard Salomon surveys the entire corpus of Indo-Aryan inscriptions in terms of their contents, languages, scripts, and historical and cultural

significance. He presents this material in such a way as to make it useful not only to Indologists but also non-specialists, including persons working

in other aspects of Indian or South Asian studies, as well as scholars of epigraphy and ancient history and culture in other regions of the world.
