This book is
 an
 ethnographic
 and historical
 study of the
 main Albania-
 Greece
 highway. But
 more than an

ethnography
 on the road, it
 is an

anthropology
 of the road.
 Highways are
 part of an
 explicit
 cultural-
 material
 nexus that
 includes
 houses, urban
 architecture
 and vehicles.
 Complex
 socio-political

phenomena
 such as EU
 border
 security,
 nationalist
 politics, post-
 Cold War
 capitalism and
 financial crises
 all leave their
 mark in the
 concrete. This
 book explores
 anew classical
 anthropologic
 al and
 sociological

categories of analysis in direct reference to infrastructure, providing unique insights into the political and cultural processes that took place across Europe after the Cold War. More specifically, it sheds light on political and economic relationships in the Balkans during the socialist post-Cold War period, focusing especially on Albania, one of the most under-researched countries in

the region. Springer Science & Business Media Ringed by high mountains crossed by a series of rulers over the centuries, Kosovo boasts Ottoman mosques, Tito-esque administration buildings, Serbian Orthodox churches, monasteries, vineyards and extravagant KLA war memorials. This title is suitable for visitors from the country's diaspora. **Wir sind die**

Kalman Dubov Multilingual Aspects of Speech Sound Disorders in Children explores both multilingual and multicultural aspects of children with speech sound disorders. The 30 chapters have been written by 44 authors from 16 different countries about 112 languages and dialects. The book is designed to translate research into clinical practice. It is divided into three sections:

<p>(1) Foundations, (2) Multilingual speech acquisition, (3) Speech-language pathology practice. An introductory chapter discusses cross-linguistic and multilingual aspects of speech sound disorders in children. Subsequent chapters address speech sound acquisition, how the disorder manifests in different languages, cultural contexts, and</p>	<p>speakers, and addresses diagnosis, assessment and intervention. The research chapters synthesize available research across a wide range of languages. A unique feature of this book are the chapters that translate research into clinical practice. These chapters provide real-life vignettes for specific geographical or linguistic contexts. <u>Canonical Morphology</u></p>	<p><u>and Syntax</u> Multilingual Matters Mit dem Gedenkband "Wir sind die Deinen" für Martin Camaj (21.07.1925-12.03.1992), der von 1971 bis 1988 die erste Professur für Albanologie im deutschsprachigen Raum innehatte, mochten 33 ehemalige Freunde, Schüler, Kollegen und Kenner seines literarischen und wissenschaftlichen Werkes ein Zeichen ihrer persönlichen und</p>

wissenschaftli- chen Verbundenheit setzen. Mehr als eine einfache Widmung an diese zentrale Figur der albanischen Exilliteratur und der albanologisch en Forschung in der zweiten Halfte des letzten Jahrhunderts ist der von Bardhyl Demiraj herausgegebe- ne Gedenkband bestrebt, den Kenntnisstand in verschiedenen Bereichen der albanologisch en Forschung darzustellen	und die Albanologie als komplexe Disziplin zu präsentieren. Dabei werden denjenigen Fragen besondere Aufmerksamk- eit geschenkt, die den Schwerpunkte n im Wirkungsfeld des Schriftstellers und Albanologen Martin Camaj Rechnung tragen, darunter Albanische Sprachwissens- chaft und Literaturwisse- nschaft und Volks- und Kulturgeschich- te. Der Band richtet sich an	alle verwandten Disziplinen sowie an alle Interessenten albanischer und balkanischer Themenbereic- he. <u>Colloquial Albanian</u> Otto Harrassowitz Verlag Approximately five million people worldwide speak Albanian. The opening of Albania in the 1990s to broader trading and diplomatic relations with other nations has created a need for better knowledge of
---	---	--

the language and culture of this country. This book teaches the student to communicate in everyday situations in the language, with each chapter introducing a new situational context. Students learn to discuss work, vacations, health, and entertainment. Students also learn to practice basic skills such as shopping, ordering tickets, and renting an apartment. Upon

completing this textbook, students will be at the A2/B1 level of proficiency on the scale provided by the Common European Framework of Reference for Languages (CEFR). The textbook includes: • eighteen lessons based on real-life situations, including three review lessons • dialogues to help introduce vocabulary and grammatical structures • comprehension questions and exercises

• related readings at the end of each chapter • full translations for all examples discussed in grammar sections • a series of appendixes with numerous charts summarizing main classes of nouns, adjectives, and verbs • an appendix with the solutions to most of the exercises in the book • a glossary with all the words in the dialogs and readings. Das Rumänische

im romanischen Kontrast John Wiley & Sons Colloquial Albanian: The Complete Course for Beginners has been carefully developed by an experienced teacher to provide a step-by-step course to Albanian as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Albanian in a broad range of situations. No prior knowledge of the language is required. Colloquial Albanian is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills. Jargon-free, succinct and clearly structured explanations of grammar. An extensive range of focused and dynamic supportive exercises.

Realistic and entertaining dialogues covering a broad variety of narrative situations. Helpful cultural points explaining the customs and features of life in Albania. An overview of the sounds and alphabet of Albanian. Balanced, comprehensive and rewarding, Colloquial Albanian is an indispensable resource both for independent learners and students taking courses in Albanian. Audio material

to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills. [Islam in the Balkans](#) Scarecrow Press. Written by an insider and Albania enthusiast, the Bradt guide to

Albania takes a fresh look at how and where to explore the heritage of this hidden corner of eastern Europe. **Kosovo** Walter de Gruyter. Utilizing a historical and international approach, this valuable two-volume resource makes even the more complex linguistic issues understandable for the non-specialized reader. Containing over 500 alphabetically

arranged entries and an expansive glossary by a team of international scholars, the Encyclopedia of Linguistics explores the varied perspectives, figures, and methodologies that make up the field.

Bradt's Kosovo is the only full-length English guidebook to this land rich in cultural heritage, generous hospitality and stunning scenery which is celebrating its 10th anniversary of unilateral independence from Serbia. Updated by two resident tourism experts, this new edition is an ideal companion for all visitors, offering maps, contacts and detailed information not easily accessible

online, insider knowledge of one of Europe's last unspoiled destinations, and comprehensive detail on sites, attractions and practical information. What was once a hub for adventurous backpackers and international organisations has become an outdoor adventure destination in its own right with a compelling buzz thanks in part to a vibrant and dynamic young

population: the average age here is 26. Mega-hiking trails like the Via Dinarica and Peaks of the Balkans have brought attention to the country's unmatched scenery and multitude of 2,500+ metre peaks. New via ferratas - climbing routes - in the country's north and west appeal to the adventurous set, while newly restored archaeological sites offer a haven for history buffs

as well. This third edition contains a wealth of new tour operators and fully updated maps to key cities and regions that make it easier than ever to explore Europe's youngest country. Ringed by high mountains and recovering from a turbulent past, Kosovo is enjoying a tourism renaissance. Following this guide, visitors can ski over pristine snowfields

and hike among saw-toothed mountains, explore the ebb and flow of Islam and of Orthodox Christianity at beautiful shrines such as Gracanica Monastery or Prizren's Sinan Pasha Mosque, sample raki at one of the vineyards, visit a traditional stone kulla, and be initiated into Prishtina's coffee-drinking culture. Bradt's Kosovo caters for all travellers.

With detailed descriptions of the country's lively cafés and wide-ranging restaurants, as well as the thriving outdoor adventure scene, plus accommodation to suit all budgets, this new edition is the ideal companion for tourists, NGOs and long-term visitors.

Historical Dictionary of Albania Bradt Travel Guides Die vorliegende Untersuchung ist keine historische, sondern eine sprachtypologi

<p>sche. Durch einen innerromanischen Vergleich sollen die Besonderheiten des Rumänischen als heutiger Standardsprache dargestellt werden. Es geht nicht um die Latinität/Romanität oder die Balkanität des Rumänischen, sondern um die Eruerung seiner kreativen Idiosynkrasie, der besonderen, sich von anderen Sprachen unterscheiden den morphologischen und</p>	<p>syntaktischen Konstrukte zum Ausdruck von Denkstrukturen und pragmatischen Strategien. Wie der damalige rumänische Außenminister Mihail Kogălniceanu am 9. Mai 1877 im Parlament deklarieren konnte: „suntem națiune de sine stătătoare“, soll hier gezeigt werden, dass das Rumänische unabhängig von der Herkunft seiner</p>	<p>Materialien wie jede Hochsprache eine „limbă de sine stătătoare“ ist. <i>Kontaktlinguistik / Contact Linguistics / Linguistique de contact. 2. Colloquial Albanian Scarecrow Press This book discusses the morpho-syntactic Balkan Sprachbund features in nine languages in which they are most numerous. It contains a wealth of Balkan linguistic material. The focus is on displaying similarities and differences in the representation of the most widely acknowledged Balkan Sprachbund morpho-syntactic features and their interaction with other features in the structure of the DP or the sentence of individual languages.

The Peaks of the Balkans Trail Scarecrow Press The tragic events that began to unfold in the former Yugoslavia at the beginning of the 1990s have drawn the world's attention to the history and rich

culture of the Muslim communities of Bosnia especially, but also of Albania, Kosovo and Macedonia - the historic heartland of Muslim Europe. Here H. T. Norris breaks new ground by focusing on their religious and intellectual links with the Arab world, Persia and Central Asia, whereas the few previous publications on the subject have been mostly concerned with the more

obvious links between the Balkan Muslims and the Turks. Norris illustrates from a wide range of sources the many channels through which the Arabs and Persians were linked with Balkan peoples, especially after the Ottoman conquest, in their art, architecture, literature and religion - direct contacts were also forged through Sufism. From the earliest

times, also, many Balkan Muslim soldiers and bureaucrats, as well as scholars and poets, made an impact on the wider Islamic world, the most prominent being Mohammed Ali, the founder of modern Egypt. The resurgence of Muslim identity in Bosnia-Herzegovina and Kosovo has of course much to do with the aggressive nature of Serbian nationalism.

But it is also a legacy of the region's relations over many centuries with the Arab countries and Persia, now given a new meaning in the wake of Serbian attempts to 'cleanse' Sarajevo and other cities of their Muslim inhabitants. As the wider world has become aware, for the first time in several generations, of the phenomenon of Muslim Europe, many people of all persuasions

now want to know and understand more about it, and the forces which have been tearing ancient communities apart and threatening a wider conflagration. Up till now, the sources available to them have been largely concerned with power politics, economics and demography. H. T. Norris's cultural investigation, the fruit of many years' research, corrects this imbalance.

Bradt Travel Guides

A guidebook to trekking the Peaks of the Balkans Trail. Passing through Albania, Kosovo and Montenegro, the 183km circular route

can be completed in around a fortnight. The walking itself is not difficult, although the route passes through some remote areas and demands a moderate level of fitness. The route is presented anti-clockwise from Theth (Albania) in 10 stages of between 10 and 28km. Also included are a handful of optional detours to climb neighbouring peaks and visit local sites of interest. 1:50,000

mapping and elevation profile provided for each stage Everything you need to plan a successful trip: how to get to the route, when to go, what to take, and information on cross-border permits Accommodati on listings included Geology, history, plants and wildlife Language notes and glossary Jews and the Mediterranean Manchester University Press Although tiny

in comparison with other European countries, Albania looms large in terms of its people, culture and history. Blessed by an abundance of natural resources, together with the resourcefulness of its people, it stands strong in the face of much larger countries that have tried to control it and subjugate its people. In the face of overwhelming odds, Albania stood firm, refusing to be subdued to

others despite that dominant country remaining on its soil for centuries. Descendants from the ancient Illyrians, a relatively unknown group, together with an obscure language unlike any other in Europe, its people are a mystery and a conundrum in the face of larger and more powerful countries. The Ottoman Empire, for example, dominated Albania and the Balkans

for five centuries, but were unable to subjugate these people. Albanian embers for independence were nurtured and kept alive until, in the end, it achieved its national aspirations. Its core identity remained unchanged and strong in the face of such challenge. Perhaps the most remarkable aspect of Albanian is the concept of besa, a term denoting a code of honor. Once given to

another, whether an Albanian or a stranger, the Albanian would rather forfeit his life than violate this code and promise. It was due to this concept and code that Jews in Albania, were protected and every manner of succor was extended to them. Albania remains the only country in Nazi-occupied Europe when at the end of that world war there was an increase in its Jewish population rather than

the reverse. The Nazis considered the Jewish population in Albania to be about 200 persons. In fact, by war's end, 2,000 people emerged, relating tales of the extraordinary courage and heroism extended to them by either Muslim or Christian Albanians. To date the State of Israel's Yad Vashem has recognized 75 Albanians for its prestigious award of Righteous Among the Nations.

Ironically, the very same code of honor that protected Jews during World War Two is now used by Albanians to perpetrate criminality across the world. The Albanian Mafia controls a vast international enterprise, overseeing every form of crime. At its basest element, the clannish hallmark of its membership is based on familial connections, with the code of besa given to its leadership and

other members. Thereby, all in the clan are considered family for whom the code connects and protects, demanding total unquestioned obedience. Efforts to infiltrate these clans has proven an impossible task because of the interconnected webs of duty and control exerted on all in that organization. Betrayal of the clan is a violation of family and community so that total

obedience is a given at all times. Hence, the same nobility of besa is also used negatively, against society and normative social frameworks. In addition, Albania still retains the cultural phenomenon of the 'third sex' where women become 'sworn virgins.' They are released from their

traditional feminine role and become a 'man,' doing so by a formal oath given to twelve elders in the community. Afterwards, none may remind this 'man' of a previous life as a woman. Though the number of sworn virgins in Albania is small, it is still present and any woman may assume this transformation

despite modernity and its claims of equality. The Albanian diet reflects its Mediterranean culture, using olive oil and an array of vegetables that provides an abundance of health to its people. There is much to learn from this ancient society. I hope this book does justice to the many traditions and culture of this unique people.
