in London. Christopher chose to seek refuge in Little Moseley because it's such a tiny village that anyone without a reason to be there stands out. Neither he nor his office-appointed bodyguard expect to encounter any dramas. Then Christopher spots a lady from London he believes has been hunting him with matrimonial intent. He can't understand how she

tracked him to the village, but determined to avoid her, he enlists the children's help. The children discover their information-gathering skills are in high demand, and while engaging with the villagers as they usually do and taking part in the village's traditional events, they do their best to learn what Miss Marion Sewell is up to. But upon reflection, Christopher realizes it's unlikely the

Marion he was so attracted to years before has changed all that much, and he starts to wonder if what she wants to tell him is actually something he might want to hear. Unfortunately, he has set wheels in motion that are not easy to redirect. Although Marion tries to approach him several times, he and she fail to make contact. Then just when it seems they will finally connect, a dangerous stranger lures

Marion away. Fearing the worst, Christopher gives chase—trailed by his bodyguard, the children, and a small troop of helpful younger gentlemen. What they discover at nearby Parteger Hall is not at all what anyone expected, and as the action unfolds, the assembled company band together to protect a secret vital to the resolution of the war against Napoleon.

Fourth in series. A novel of 81,000 words. A Christmas tale of intrigue, personal evolution, and love. The World of Stephanie Laurens Harper Collins #1 New York Times bestselling author Stephanie Laurens returns with the next in her Cynster Sisters series... The Honorable Miss Mary Cynster always gets what she wants. As the last unwed Cynster of her

generation, she is determined to remain in charge of her life and of the man she will marry. At the very bottom of her list of potential husbands is Ryder Cavanaugh, the daring and devastating Marquess of Raventhorne, an overwhelming and utterly unmanageable lion of the ton. But destiny has a different plan. Ryder needs Mary as his wife, not just because she is delightful, fiery, and

tempting, but because he values all she could be. When fate and circumstance hand him the chance, he claims Mary as his marchioness... only to discover what he truly desires is not just to take her hand in marriage, but to capture her heart.

Once a Laird
Canelo
'One of the best!' Julia Quinn, Sunday Times bestselling author of the *Bridgerton* series A new series by Mary Balogh,

bestselling author of *The Westcott* series. If you loved *Bridgerton*, you'll adore Mary Balogh. The handsome and charismatic Earl of Stratton, Caleb Ware, has been exposed to the ton for his clandestine affairs-by his own son. As a child, Devlin Ware thought his family stood for all that was right and good in the world. They were kind, gracious, and shared the beauty of Ravenwood,

their grand country estate, by hosting lavish parties for the entire countryside. But at twenty-two, he discovered his whole world was an elaborate illusion, and when Devlin publicly called his family to account for it, he was exiled as a traitor. So be it. He enlisted in the fight against Napoleon and didn't look back for six years. But now his father is dead, the Ware family is broken, and as the heir he

is being called home. It's only when Gwyneth Rhys-the woman he loved and then lost after his family banished him-holds out her hand to help him that he is able make the difficult journey and try to piece together his fractured family. It is Gwyneth's loyalty, patience, and love that he needs. But is Devlin's war-hardened heart even capable of offering her love in return? Praise for

Mary Balogh 'A grand mistress of the genre' Romantic Times 'Balogh is the queen of spicy Regency-era romance, creating memorable characters in unforgettable stories' Booklist 'Mary Balogh sets the gold standard in historical romance' New York Times bestselling author Jayne Ann Krentz 'A romance writer of mesmerising intensity, Mary Balogh has the gift of making a

This world, known as Ghostwater, housed some of his most valuable experiments. Now, it has been damaged by the attack of the Bleeding Phoenix, and a team of Skysworn have been sent to

recover whatever they can from the dying world. Now, Lindon must brave the depths of this new dimension, scavenging treasures and pushing his skills to new heights to compete with new enemies. Because Ghostwater is not as empty as it seems. The Human Division MIRA Daughters of the Witching Hill brings history to life in a vivid and wrenching account of a family

sustained by love as they try to survive the hysteria of a witch-hunt. Bess Southern, an impoverished widow living in Pendle Forest, is haunted by visions and gains a reputation as a cunning woman. Drawing on the Catholic folk magic of her youth, Bess heals the sick and foretells the future. As she ages, she instructs her granddaughter, Alizon, in her craft, as well as her best friend, who ultimately

turns to dark magic. When a peddler suffers a stroke after exchanging harsh words with Alizon, a local magistrate, eager to make his name as a witch finder, plays neighbors and family members against one another until suspicion and paranoia reach frenzied heights. Sharratt interweaves well-researched historical details of the 1612 Pendle witch-hunt with a

beautifully imagined story of strong women, family, and betrayal. Daughters of the Witching Hill is a powerful novel of intrigue and revelation. Times bestselling author Stephanie Laurens explores the strength of a fated love, one that was left in abeyance when the protagonists were too young, but that roars back to life when, as adults, they meet again. A lady ready and waiting to be deemed on the shelf has her transition into spinsterhood disrupted when the nobleman she'd once thought she

loved returns to London and fate and circumstance conspire to force them to discover what love truly is and what it means to them. What happens when a love left behind doesn't die? Melissa North had assumed that after eight years of not setting eyes on each other, her youthful attraction to—or was it infatuation with?—Julian Delamere, once Viscount Dagenham and now Earl of Carsely,

would have faded to nothing and gasped its last. Unfortunately, during the intervening years, she's failed to find any suitable suitor who measures up to her mark and is resigned to ending her days an old maid. Then she sees Julian across a crowded ballroom, and he sees her, and the intensity of their connection shocks her. She seizes the first chance that offers to

flee, only to discover she's jumped from the frying pan into the fire. Within twenty-four hours, she and Julian are the newly engaged toast of the ton. Julian has never forgotten Melissa. Now, having inherited the earldom, he must marry and is determined to choose his own bride. He'd assumed that by now, Melissa would be married to someone else, but apparently not. Consequently, he's not

averse to the path Fate seems to be steering them down. And, indeed, as they discover, enforced separation has made their hearts grow fonder, and the attraction between them flares even more intensely. However, it's soon apparent that someone is intent on ensuring their married life is cut short in deadly fashion. Through a whirlwind courtship, a massive ton wedding, and finally, blissful

country peace, they fend off increasingly dangerous, potentially lethal threats, until, together, they unravel the conspiracy that's dogged their heels and expose the villain behind it all. A classic historical romance laced with murderous intrigue. A novel arising from the Lady Osbaldestone's Christmas Chronicles. A full-length historical romance of 127,000 words. "In this

Bridgerton-flavored Regency romance, two eligible young gentlefolk—Julian Delamere, seventh Earl of Carsely, and Melissa North—fake a betrothal to keep scandal at bay. This novel is half love story, half mystery, and wholly engrossing.” Kim H., Proofreader, Red Adept Editing “Fans of romances and mysteries set in Regency England will get their fill with this full-bodied novel of intense courtship and

murderous intrigue.” Virge B., Proofreader, Red Adept Editing “Stephanie Laurens fans who have followed the journey of Melissa and Dagenham, now Earl of Carsely, will be delighted to see these two meeting again as adults. Readers will enjoy trying to figure out who is behind the threats in this tale that’s as suspenseful as it is romantic.” Angela M., Copy Editor, Red Adept Editing

Niniver has vowed to return her clan to prosperity. The epitome of fragile femininity, her delicate and ethereal exterior cloaks a stubborn will and an unflinching devotion to the people in her care. She accepts that

in order to achieve her goal, she cannot risk marrying and losing control of the clan’s reins to an inevitably controlling husband. Unfortunately, too many local men see her as their opportunity. Lord Devlin
Cader, Earl of
Alverton,
married
Therese

Cynster five years ago. What he didn't tell her then and has assiduously hidden ever since—for what seemed excellent reasons at the time—is that he loves her every bit as much as she loves him. For her own misguided reasons, Therese had decided that the adage that Cynsters always marry for love did not necessarily mean said Cynsters were loved in return. She accepted that

was usually so, but being universally viewed by gentlemen as too managing, bossy, and opinionated, she believed she would never be loved for herself. Consequently, after falling irrevocably in love with Devlin, when he made it plain he didn't love her yet wanted her to wife, she accepted the half love-match he offered, and once they were wed, set about organizing to make their

marriage the very best it could be. Now, five years later, they are an established couple within the haut ton, have three young children, and Devlin is making a name for himself in business and political circles. There's only one problem. Having attended numerous Cynster weddings and family gatherings and spent time with Therese's increasingly married

cousins, who with their spouses all embrace the Cynster ideal of marriage based on mutually acknowledged love, Devlin is no longer content with the half love-match he engineered. No fool, he sees and comprehends what the craven act of denying his love is costing both him and Therese and feels compelled to rectify his fault. He wants for them what all Therese's

married cousins enjoy—the rich and myriad benefits of marriages based on acknowledged mutual love. Love, he's discovered, is too powerful a force to deny, leaving him wrestling with the conundrum of finding a way to convincingly reveal to Therese that he loves her without wrecking everything—especially the mutual trust—they've built over the past five

years. A classic historical romance set amid the glittering world of the London haut ton. A Cynster Next Generation novel—a full-length historical romance of 110,000 words.
