Bermuda Triangle

“ . . . an important and outstanding
contribution.” —Erich von Däniken,
bestselling author of Chariots of the
Gods “The Ancient Alien Question
provides a captivating adventure around
the world and sheds an interesting
perspective on the Ancient Astronaut
Theory.” —Giorgio A. Tsoukalos,
producer of Ancient Aliens: The Series
“Philip Coppens covers all the bases on
this controversial topic. His research is
thorough and he addresses each topic
with a balanced overview that cuts
through the jungle of confusion with a
very sharp machete of reason.” —David
Hatcher Childress, author of Technology

of the Gods The Ancient Alien Question reveals an array of astonishing truths, including: A radically different understanding of the pyramids and how they were constructed The extraordinary stories behind monuments such as the Nazca lines and Puma Punku How extraterrestrials came to our planet and the evidence that supports this Analyzing the historical and archaeological evidence, Philip Coppens demonstrates that there is substantial proof that our ancestors were far more technologically advanced than currently accepted, and that certain cultures interacted with nonhuman intelligences. Our ancestors were clearly not alone. Fifty years after Erich von Däniken posed these questions in Chariots of the Gods, Coppens provides clear, concise answers

to the great historical enigmas in an accessible, readable format. Your view of human history will never be the same again!

An Odyssey of Unexplained Disappearances at Sea ABDON Publishing Company

"Presents the legend of the Bermuda Triangle, including current theories and famous encounters"--Provided by publisher.

Bermuda Triangle Rowman & Littlefield

Presents information about the Bermuda Triangle and its reputation for unexplained disappearances and disasters, offering accounts of real incidents, theories that have been put forth about them, and scientific perspectives on the subject.

Pursuing the Truth Behind the World's Greatest Mystery Capstone Classroom
Speculates on the causes of the reported, and reportedly unexplained, disappearances of hundreds of ships, boats, and aircraft in the Great Lakes region

The Bermuda Triangle Mystery Solved
Strategic Book Publishing Rights Agency
Presents a sociological study on the belief in the paranormal, presenting profiles of believers, discussion about the persistence of their belief despite scientific evidence, and the effects of these beliefs on political and social movements.

Invisible Horizons Rowman &

Littlefield

Who doesn't love a great mystery? This book presents the eerie accidents and unexplained disappearances that have occurred in the region known as the Bermuda Triangle. Even before it was named, the Bermuda Triangle--roughly bounded by Miami, Bermuda, and Puerto Rico--had gained a mythic reputation. The Bermuda Triangle became famous for making boats and ships vanish, and for snatching planes right out of the sky. But are these stories true? And if they are true, is there a more sensible reason that refutes the bad karma of the region? With so many mystifying events to learn about, readers will love disappearing into this story.

True Mysteries of the Sea Capstone
Global Library Limited

From the arid desert to the cities of Phoenix and Tucson, Arizona is rich in tales of the paranormal.

Bermuda Triangle Red Wheel/Weiser
Since 1943 hundreds of plane and ships, and thousands of people, have disappeared in the ocean between Bermuda and the Florida coast, the Bermuda Triangle. Charles Berlitz set out to investigate and has spoken to numerous people who have escaped the terrifying forces of the Bermuda Triangle.

The Bermuda Triangle Penguin
Put on your detective hat and uncover the facts and myths about the Bermuda Triangle. Many people have wondered whether the swath of Atlantic Ocean east of Florida is especially dangerous. Topics discussed include notable

incidents in the Bermuda Triangle, including the disappearance of all the passengers aboard the Rosalie and the loss of the naval ship the Cyclops, the cargo ship Cotopaxi, the supply ships the Proteus and the Nereus, and Flight 19. Supernatural explanations, natural explanations, and other theories are also highlighted. Features include a Tools and Clues section that highlights research tools, technology, and investigative methods, a timeline, a glossary, selected bibliography, further readings, places to visit, source notes, and an index. Unsolved Mysteries is a series in Essential Library, an imprint of ABDO Publishing Company. The History and Mysteries of the Devil's Triangle Red Wheel/Weiser
Deceptively gorgeous, hypnotically

inviting, the tropical Bermuda Triangle has lured thousands- not to their deaths but to eternal mystery. The Bermuda Triangle is the one true world mystery. It is not based on subjective claims. The ships and planes and the thousands they carried have vanished without trace. One man set out to find the truth. Beyond the Bermuda Triangle Capstone
The Bermuda Triangle, The Devils Triangle Call it what you will but this area off the coast of the southeastern United States has stirred peoples imaginations for hundreds of years You wont find it on any official maps, which hasn't actually stopped would be cartographers from adding it in anyway. As far as the U S Board of Geographic Names is concerned, it doesn't even exist. They do not recognize it nor do

they admit to maintaining any official file on it. However, as fans of the unexplained will insist, the Bermuda Triangle is very real. It is so named because of its proximity to the island of Bermuda, which forms one of its apexes. The others are roughly located in Florida and Puerto Rico, and together they cover an area of approximately 500,000 square miles. That's a lot of area for craft to get lost in.

Where Is the Bermuda Triangle?

Heinemann-Raintree Library

Like my first book published in 1999, *The Historical Roots of Proper Islamic Governance in Bermuda*, this is a history book. It clarifies some points in my first book, but more importantly, it addresses questions about the Bermuda Triangle that are continuously asked by Muslims

the world over, both by many of the Ulama as well as ordinary Muslims, and also asked by non-Muslims. No one prior to me has discovered the answers I relate in this book about the Bermuda Triangle. The so-called mystery is solved by me, a Bermudian Muslim, and all praise is due to God. Why shouldn't God's mercy allow a Bermudian to discover something unique about Bermuda? *The Bermuda Triangle Islamic Perspective: Within the Context of Bermuda Muslim History* begins to unfold in the year 2000 and takes us up to present day. It is a new perspective of untold proportions.

The Bermuda Triangle Stackpole Books

There is no scientific evidence whatsoever for the existence of the Loch Ness Monster. That is the conclusion

reached by Ronald Binns in his book, *The Loch Ness Mystery: Solved*. "The real mystery of the monster," writes Binns, "is why it should periodically seize the wider public imagination and continue to be given credence, even when much of the evidence can be shown to be suspect." Loch Ness, the most famous stretch of water in the British Isles, is a strange and compelling place. Its dark waters are shadowed by mountains, its shores craggy and inhospitable. Loch Ness provides a gloomy, romantic setting for what has come to be known as the greatest riddle of modern natural history. Since 1933, there have been hundreds of sightings of the alleged monster. This is the definitive account of the alleged monster and its curious environment. Ronald Binns takes a new

look at the enigma by investigating the original sightings of the beast and scrutinizing the eyewitness evidence for its existence. The book explains precisely what the monster is, and publishes for the first time many remarkable photographs. These pictures are shown alongside the "classic" pictures of the monster. Binns' pursuit and analysis of the evidence and his convincing solution of this great mystery are as enthralling as a detective story.

The Bermuda Triangle II McGraw Hill Professional

Oklahoma's ghostly legends are as varied as its history and culture. The state boasts hauntings by ancient Native Americans, Spanish miners, soldiers, outlaws, ranchers, performers, students, repairmen, and many more. Oklahoma's

stately mansions, theaters, and old hotels still have previous residents dwelling in a spectral form. One parallel that may be surprising is Oklahoma's uncanny number of headless ghosts. Haunted Oklahoma explores King Tut's Tomb on the Arkansas, Mr. Apple's Mausoleum and the Spooksville Triangle to name just a few. Eerie occurrences, spooky events, unsolved mysteries, and terrifying specters make for a scary journey through Oklahoma's haunted past.

Limbo of the Lost Paragon Agency, Publishers

Vigilante victims, murdered miners, and gunfight ghosts figure prominently in this collection of eerie tales from the Treasure State. From the windswept

prairies in the east to the towering mountains of Glacier National Park come a variety of stories and legends, including a phantom cowboy who continues to ride his ghost horse up the staircase of a Fort Benton hotel, figures from a hundred years ago and more who roam the streets of ghost towns Virginia City and Bannack all hours of the night, and long-gone regulars who continue to visit their favorite bars.

The Disappearance of Flight 19 Speedy Publishing LLC

Investigates over fifty incidents in which boats and airplanes have disappeared in the Bermuda Triangle, and offers logical explanations for the so-called mysteries that have been attributed to such phenomena as alien abductions, time warps, and strange electronic forces.
