*The Wind that Swept Mexico* Wentworth Press

In this concise historical analysis of the Mexican Revolution, Gilbert M. Joseph and Jürgen Buchenau explore the revolution's causes, dynamics, consequences, and legacies. They do so from varied perspectives, including those of campesinos and workers; politicians, artists, intellectuals, and students; women and men; the well-heeled, the dispossessed, and the multitude in the middle. In the process, they engage major questions about the revolution. How did the revolutionary process and its aftermath modernize the nation's economy and political system and transform the lives of ordinary Mexicans? Rather than conceiving the revolution as either the culminating popular struggle of Mexico's history or the triumph of a new (not so revolutionary) state over the people, Joseph and Buchenau examine the textured process through which state and society shaped each other. The result is a lively history of Mexico's "long twentieth century," from Porfirio Díaz's modernizing dictatorship to the neoliberalism of the present day.

The Mexican Revolution, 1910-1940 Palala Press

The fall of Porfirio Diaz has traditionally been presented as a watershed between old and new: an old style repressive and conservative government, and the more democratic and representative system that flowered in the wake of the Mexican Revolution. Now this view is being challenged by a new generation of historians, who point out that Diaz originally rose to power in alliance with anti-conservative forces and was a modernising force as well as a dictator. Drawing together the threads of this revisionist reading of the Porfiriato, Garner reassesses a political career that spanned more than forty years, and examines the claims that post-revolutionary Mexico was not the break with the

past that the revolutionary inheritors claimed.

Report Presented by Gen. Porfirio Diaz, President of the United Mexican States to His Follow [Sic] Countrymen Covering His Administration During the Constitutional Period from the 1st of December, 1900 to the 30th of November, 1904 UNM Press

Study of diplomatic relations between Mexico and the U.S. during Diaz' first term as President of Mexico, 1877-1880.

The Story of Mexico Routledge

This judicious history of modern Mexico's revolutionary era will help all readers, and in particular students, understand the first great social uprising of the twentieth century. In 1911, land-hungry peasants united with discontented political elites to overthrow General Porfirio Díaz, who had ruled Mexico for three decades. Gonzales offers a path breaking overview of the revolution from its origins in the Díaz dictatorship through the presidency of radical General Lázaro Cárdenas (1934-1940) drawn from archival sources and a vast secondary literature. His interpretation balances accounts of agrarian insurgencies, shifting revolutionary alliances, counter-revolutions, and foreign interventions to delineate the triumphs and failures of revolutionary leaders such as Francisco I. Madero, Pancho Villa, Emiliano Zapata, Alvaro Obregón, and Venustiano Carranza. What emerges is a clear understanding of the tangled events of the period and a fuller appreciation of the efforts of revolutionary presidents after 1916 to reinvent Mexico amid the limitations imposed by a war-torn countryside, a hostile international environment, and the resistance of the Catholic Church and large land-owners.

**Porfirio Diaz, President of Mexico, the Master Builder of a Great Commonwealth ... With 60 Illustrations, Maps and Diagrams** Legare Street Press

After Mexico gained its independence from Spain in 1821, it began the work of forging its identity as

an independent nation, a process that would endure throughout the crucial nineteenth century. A weakened Mexico faced American territorial ambitions and economic pressure, and the U.S.-Mexican War threatened the fledgling nation's survival. In 1876 Porfirio Díaz became president of Mexico, bringing political stability to the troubled nation. Although Díaz initiated long-delayed economic development and laid the foundation of modern Mexico, his government was an oligarchy created at the expense of most Mexicans. This accessible account guides the reader through a pivotal time in Mexican history, including such critical episodes as the reign of Santa Anna, the U.S.-Mexican War, and the Porfiriato. Colin M. MacLachlan and William H. Beezley recount how the century between Mexico's independence and the outbreak of the Mexican Revolution had a lasting impact on the course of the nation's history.

*President Díaz* Prabhat Prakashan

Excerpt from Porfirio Diaz, President of Mexico: The Master Builder of a Great Commonwealth "I look at Porfirio Diaz, the President of Mexico, as one of the greatest men to be held up for the hero-worship of mankind." These words, uttered by Senator Elihu Root, when in 1907 and as Secretary of State of the United States, he visited the Mexican Republic, fully justify the publication of any work which, containing reliable data, may give an impartial and truthful account of the life of President Diaz. The wonderful career of this great man, both owing to his military achievements and to his great success as a statesman cannot fail, and has not failed up to now, to claim the attention not only of his countrymen, but also of the whole civilized world. In the English speaking countries, the desire to have a thorough knowledge of the past deeds and present achievements of General Porfirio Diaz, is frequently manifested. The writer of this work, therefore, thinks that a book prepared like the present one and based upon accurate information, a great deal of which has been obtained through personal observation, will prove interesting to the reading public of the United States and England. **Diaz, Czar of Mexico** Duke University Press

Excerpt from Porfirio Diaz: Seven Times President of Mexico Simply because he thought I had done something for his country in Mexico as I Saw It, and because I did not want to be commissioned or paid for my work - but undertook it as an independent person, and a friend. Simple reasons, but they won his heart, and I can only regret my own inability to draw his character more dramatically for the world. He deserves the pen of a John Morley, who has so graphically given us the characteristics and personality of a statesman in his Life of Gladstone, whom in some ways Diaz resembles. He resembles him in his quiet simplicity, the charm of his home life, and his keen interest in many varied subjects. By the hour, day after day, during my visit, the President, Madame Diaz and I talked. They knew I could not remain long in Mexico - not six months as previously - and they gave much of their time to help me. *Contemporary American Opinion of Porfirio Diaz, Dictator of Mexico* Rowman & Littlefield

During the Mexican Revolution a remarkable alliance of peasants, working and middle classes, and elites banded together to end General Porfirio Diaz's thirty-five year rule as dictator-president and created a radical new constitution that demanded education for all children, redistributed land and water resources, and established progressive labor laws. In this collection, Mark Wasserman examines the causes, conduct, and consequences of the revolution and carefully untangles the shifting alliances of the participants. In his introduction Wasserman outlines the context for the revolution, rebels' differing goals for land redistribution, and the resulting battles between rebel leaders and their generals. He also examines daily life and the conduct of the revolution, as well as its national and international legacy. The accompanying selected sources include political documents along with dozens of accounts from politicians and generals to male and female soldiers, civilians, and journalists. Collectively they offer insight into the reasons for fighting, the politics behind the war, and the revolution's international legacy. Document headnotes, a chronology, selected bibliography, and questions for consideration provide pedagogical support.

*Porfirio Diaz* U of Nebraska Press

Porfirio Diaz-President of Mexico, the Master Builder of a Great Commonwealth, is a 1910 biography of Porfirio Diaz (1830-1915), a Mexican general and politician who served seven terms as President of Mexico, a total of 31 years, from 1877 to 1880 and from 1884 to 1911.

*The Personal Recollections of Porfirio Diaz, President of Mexico* Macmillan Higher Education

Porfirio Diaz by Kalyani Mookherji: In this biographical work, Kalyani Mookherji delves into the life and legacy of Porfirio Diaz, the former President of Mexico. The book examines Diaz's political career, his leadership during a transformative period in Mexican history, and his complex

relationship with power and governance. Key Aspects of the Book "Porfirio Diaz": Political Leadership: The book provides insights into the political leadership of Porfirio Diaz and his impact on Mexico's development during his time in office. Mexican History: Kalyani Mookherji's work contextualizes Diaz's rule within the broader historical events and social changes in Mexico. Power and Governance: "Porfirio Diaz" explores the complexities of Diaz's governance and his strategies for maintaining control over the country. Porfirio Diaz by Kalyani Mookherji: Kalyani Mookherji, a distinguished historian and biographer, took readers on an enthralling journey through the life and legacy of Porfirio Diaz. Mookherji's meticulous research and insightful analysis shed light on the Mexican President and dictator's impact on the nation's political landscape. Through her biography, Mookherji contributed to a deeper understanding of Diaz's rule and the complexities of Mexican history.

**Porfirio Díaz** University of Texas Press

Barra became interim president of Mexico in 1911 after the fall of dictator Porfirio Diaz, whom he had long supported, and ruled only a short time before popular insurrection and revolution swept the country. Drawing on extensive archival material, Henderson (history, Winona State U., Minnesota) presents a biography that portrays him as a reformer and bridge between the old and new governments. Annotation copyrighted by Book News, Inc., Portland, OR

**Porfirio Diaz, Seven Times President of Mexico** Рипол Классик

"100 pages of text and 184 historical news photographs . . . This is the Mexican Revolution in its drama, its complexity, its incompleteness." —Bertram D. Wolfe The Mexican Revolution began in 1910 with the overthrow of dictator Porfirio Díaz. The Wind That Swept Mexico, originally published in 1943, was the first book to present a broad account of that revolution in its several different phases. In concise but moving words and in memorable photographs, this classic sweeps the reader along from the false peace and plenty of the Díaz era through the doomed administration of Madero, the chaotic years of Villa and Zapata, Carranza and Obregón, to the peaceful social revolution of Cárdenas and Mexico's entry into World War II. The photographs were assembled from many sources by George R. Leighton with the assistance of Anita Brenner and others. Many of the prints were cleaned and rephotographed by the distinguished photographer Walker Evans. "Here is the history of the revolution in 184 of the best photographs of the time. The whole disintegration and painful reintegration of a society is marvelously set before the eyes." —Times Literary Supplement "A classic and sympathetic statement of the first of the great twentieth century revolutions—its words and pictures command our attention and our respect." —Military History "One could not have seen it more closely and fully had one taken part in it." —Bertram D. Wolfe

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1914 edition. Excerpt: ... APPENDIX. In view of the developments which have occurred between the United States and Mexico, and the course which has been taken by the so-called Constitutionalists since October last, I believe I may be able to contribute to a clearer understanding of the issues involved by here publishing articles which were written and published by me in the Press of Mexico in October, November and December last. All of these articles were conspicuously displayed in the Press of the Mexican capital, and were published under the direct orders of President Huerta. They may be regarded as expressing the sentiment of President Huerta at the time, and were by the Mexican people considered as the authoritative announcement of his policy. El Imparcial and other leading newspapers in Mexico published on the 24th October, 1913, the following: -- N President President Huerta to-day authorised me to give his Hneru's most solemn assurance that the sole use that he has made or will make of his power as Interim President of Mexico is: First: To establish peace in the Bepublic. Second: To comply with the law of his country in holding fair elections in order that the choice of the Mexican people--whoever it may be--shall be installed in power. In point of courage and strength he can be compared to no Mexican except the immortal Porfirio Diaz. He has stated to me that his Government is determined at all costs to protect the lives and the interests of foreigners in Mexico, but that they are equally determined that the domestic affairs of Mexico shall be settled by the Mexicans themselves. President Huerta referred to the President of the United States of America in terms of the greatest respect, and expressed his unbounded admiration for the people and institutions of..
