From the winner of the 2011 Man Booker Prize for Fiction comes the highly entertaining sequel to Talking it Over. In Talking it Over Gillian and Stuart were married until Oliver - witty, feckless Oliver - stole Gillian away. In Love, etc Julian Barnes revisits the three of them, using the same intimate technique of allowing the characters to speak directly to the reader, to whisper their

secrets, to argue for their version of the truth. Darker and deeper than its predecessor, Love, etc is a compelling exploration of contemporary love and its betrayals.
