KASH BREWER

Cambridge University Press

In this fascinating collection, Jacques Ranciere, one of the world's most important and influential living philosophers, explores the nature of consensus in contemporary politics. Consensus does not mean peace. Instead it refers to a map of operations of war, of a topography of the visible, of what is possible and what can be thought, in which war and peace live side-by-side. Lying at the heart of these consensual times are new forms of racism and ethnic cleansing, humanitarian wars and wars against terror. Consensus also implies using time in a way that sees in it a thousand devious turns. This is evident in the incessant diagnoses of the present and of amnesiac politics, in the farewells to the past, the commemorations, and the calls to remember. But all these twists and turns tend toward the same goal: to show that there is only one reality to which we are obliged to consent.

What stands in the way of this undertaking is politics. These chronicles aim to re-open that space wherein politics once more becomes thinkable.

Les Natchez: Roman Indien Editions Eyrolles

How To Be a Good Wife by Emma Chapman is a haunting literary debut about a woman who begins having visions that make her question everything she knows Marta and Hector have been married for a long time. Through the good and bad; through raising a son and sending him off to life after university. So long, in fact, that Marta finds it difficult to remember her life before Hector. He has always taken care of her, and she has always done everything she can to be a good wife—as advised by a dog-eared manual given to her by Hector's aloof mother on their wedding day. But now, something is changing. Small things seem off. A flash of movement in the corner of her eye, elapsed moments that she can't recall. Visions of a blonde girl in the darkness that only Marta can see. Perhaps she is starting to remember—or perhaps her mind is playing tricks on her. As Marta's visions persist and her reality grows more disjointed, it's unclear if the danger lies in the world around her, or in Marta herself. The girl is growing more real every day, and she wants something. [The Physiology of Marriage](#) Editions 1

History is forged through the travel of ideas across continents—as well as by bombs. The Age of Globalization is an account of the unlikely connections that made up late nineteenth-century politics and culture, and in particular between militant anarchists in Europe and the Americas, and anti-imperialist uprisings in Cuba, China and Japan. Told through the complex intellectual interactions of two great Filipino writers—the political novelist José Rizal and the pioneering folklorist Isabelo de los Reyes—The Age of Globalization is a brilliantly original work on how global exchanges shaped the nationalist movements of the time.

Petite philosophie pour surmonter les crises Verso Books

Voici toutes les clefs pour réussir tant l'oral des concours administratifs que sa carrière dans l'administration. Apprendre à communiquer le mieux possible à l'oral est un levier de réussite indispensable dans le monde d'aujourd'hui, et particulièrement dans le secteur public. Cet ouvrage, résolument tourné vers la mise en pratique professionnelle, propose, à partir de témoignages d'étudiants et de cadres chevronnés, des conseils clefs pour réussir l'épreuve orale des concours de catégories A, B et C, ainsi qu'une liste d'attitudes à éviter. Toutes les situations académiques sont reliées à des situations professionnelles que l'étudiant comme le jeune cadre

administratif seront amenés à rencontrer au cours de leur carrière.

Escape 9-5, Live Anywhere, and Join the New Rich Simon and Schuster

Documents the early life of Jane Addams, the founder of Hull House and a Nobel Peace Prize-winner, discusses her mental health, and her place in history

Note Conjointe Saint-Paul

“As fearless as a futuristic Game of Thrones.”— MARGARET STOHL, New York Times bestselling co-author of the Beautiful Creatures trilogy From Melissa de la Cruz and Michael Johnston, the New York Times bestselling authors of the Blue Bloods and Witches of East End series. Welcome to New Vegas, a city once covered in bling, now blanketed in ice. Like much of the destroyed planet, the place knows only one temperature—freezing. But some things never change. The diamond in the ice desert is still a 24-hour hedonistic playground and nothing keeps the crowds away from the casino floors, never mind the rumors about sinister sorcery in its shadows. At the heart of this city is Natasha Kestel, a young blackjack dealer looking for a way out. Like many, she's heard of a mythical land simply called “the Blue.” They say it’s a paradise, where the sun still shines and the waters are turquoise. More importantly, it’s a place where Nat won’t be persecuted, even if her darkest secret comes to light. But passage to the Blue is treacherous, if not impossible, and her only shot is to bet on a ragtag crew of mercenaries led by a cocky runner named Ryan Wesson there. Danger and deceit await on every corner, even as Nat and Wes find themselves inexorably drawn to each other. But can true love survive the lies? Fiery hearts collide in this fantastic tale of the evil men do and the awesome power within us all. This is a remarkable first book in a spellbinding new series about the dawn of a new kind of magic.

Challenging Climate Change Editions 1

Studies have shown it takes only 21 days for a new habit to take root. If there's a spiritual skill you've always wanted to take advantage of, the answer is just 21 days away with the 21 Days to Mastery series. Louise L. Hay's teaching on affirmations have sold over 39 million copies worldwide and provided a healing technique that have comforted and healed countless people over the last 30 years. 21 Days to Master Affirmations makes this infinitely powerful skill as easy and as quick to learn as its ever been. You'll discover the power of simple, soothing words can be applied to any problem. Whether emotional or physical, Louise's teachings are available for you to call on at any time. You'll also learn how to create your own personalised affirmation that target persistent, perhaps lifelong personal issues and ailments. This e-book is the ideal introduction to the defining spiritual technique of the last 30 years, now presented in a format that fits into 21st Century living. Start healing your life in just 21 days!

Debating the Woman Question in the French Third Republic, 1870-1920 University of Illinois Press

Au fil des pages, vous naviguerez de pensée en pensée, releverez peut-être des challenges en participant aux exercices, améliorerez votre relation à vous-même et aux autres. Vous briserez des schémas familiaux anciens rien qu'en changeant votre manière de percevoir les choses, de vous adresser à celles et ceux qui vous entourent et en manifestant le changement dans votre vie."

Francis de Sales on the Necessity of Spiritual Friendship Editions 1

A magisterial reconstruction and analysis of the heated debates around the 'woman question' during the French Third Republic.

365 pensées positives pour être heureux tous les jours Hassell Street Press

This stunning picture book from the bestselling team of Jean-Luc Fromental and Joelle Jolivet cleverly introduces many of the bones that make up the human body. A mysterious beast is terrorizing the resident skeletons of Bonesville. Under cover of darkness, it steals a different bone from each towns person, from cranium to phalanges. It takes the washerwoman's humerus, the butcher's fibula, and Dr. Strongbones's coccyx. Thanks to his patience and cleverness, Detective Sherlock Bones traps the monster, revealing that the beast is only the harmless Spot of the Baskervilles, on a mission to rebuild the lost skeleton of his master, Dr. Watsbones. Jolivet's bold illustrations and Fromental's witty storytelling make for a winning combination in this striking picture book, perfect for young Sherlock Holmes fans. "

Montaigne and Bayle MIT Press

"Beauvoir in Time situates Simone de Beauvoir's *The Second Sex* in the historical context of its writing and in later contexts of its international reception, from then till now. The book takes up three aspects of Beauvoir's work more recent feminists find embarrassing: "bad sex," "dated" views about lesbians, and intersections with race and class. Through close reading of her writing in many genres, alongside contemporaneous discourses (good and bad novels in French and English, outmoded psychoanalytic and sexological authorities, ethnographic surrealism, the writing of Richard Wright and Franz Fanon), and in light of her travels to the U.S. and China, the author uncovers insights more recent feminist methodologies obscure, showing Beauvoir is still good to think with today"--

The Equality of the Human Races St. Martin's Press

Il est simple de voir dans le cours des choses et des événements matière à désespérer. Ce recueil de courts textes philosophiques affirme qu'on peut être heureux... malgré tout. Des récits étonnants, des éclairs d'humour, des anecdotes poétiques sous-tendent une vraie réflexion philosophique. Ils invitent à penser la vie quotidienne et à y trouver des raisons de sourire, de résister, d'espérer.

Selected Quotations Lulu.com

Quel bilan tirer de la journée qui vient de s'écouler ? A-t-elle été aussi bonne qu'on le pensait ?

Comment ne plus répéter le lendemain les erreurs du jour ? A-t-on mis tous les atouts de son côté

pour atteindre ses objectifs ? N'avons-nous pas gâché des chances et des occasions par notre attitude ou par manque de recul, et, si oui, comment y remédier ? Petite philosophie du soir rassemble des conseils et des petites stratégies à méditer au terme de la journée afin de passer en revue nos actes, ceux que l'on a réussis et ceux que l'on a ratés, et d'en tirer des leçons pour l'avenir. Car tout ce qui nous arrive « a un sens et est utile », rappellent les stoïciens. Et quel meilleur moment que le soir pour réfléchir, faire le bilan des heures qui viennent de s'écouler et prendre des résolutions toutes simples pour l'avenir ? Conseils, résolutions, exercices pratiques, petites phrases à méditer, Petite philosophie du soir recèle 365 pensées (une par soir !) qui, si elles sont appliquées, assurent une existence plus sereine et plus épanouie. Un livre tonique et positif ! Catherine Rambert est l'auteur de Petite Philosophie du matin et du Livre de la sérénité (Editions 1). Elle est également journaliste et scénariste.

Petite philosophie de la paix intérieure University Press of America

This book seeks to establish the relevance of Albert Camus' philosophy and literature to contemporary ethics. By examining Camus' innovative methods of approaching moral problems, Whistler demonstrates that Camus' work has much to offer the world of ethics— Camus does philosophy differently, and the insights his methodologies offer could prove invaluable in both ethical theory and practice. Camus sees lived experience and emotion as ineliminable in ethics, and thus he chooses literary methods of communicating moral problems in an attempt to draw positively on these aspects of human morality. Using case studies of Camus' specific literary methods, including dialogue, myth, mime and syntax, Whistler pinpoints the efficacy of each of Camus' attempts to flesh-out moral problems, and thus shows just how much contemporary ethics could benefit from such a diversification in method.

21 Days to Master Affirmations Random House Digital, Inc.

In Egypt, from the Old to the New Kingdom, enigmatic texts were created on the basis of non-standardized lists of characters and phonetic signs, the exact principles of which are still unclear to this day. For the first time, this study examines in detail the three most comprehensive known inscription texts from the New Kingdom, which were discovered in the tombs of Tutenchamun, Ramses VI and Ramses IX. Darnell shows that these three texts have a theological, iconographic and formal connection, and calls them collectively the "Book of the Solar-Osirian Unity". Differentiated and lively, he presents the content and theological peculiarities of these texts that deal with the afterlife with each other and in relation to other enigmatic texts of the new as well as the Middle and Old Kingdom.

The Enigmatic Netherworld Books of the Solar-Osirian Unity L&PM Editores

Nous souhaitons tous réaliser nos ambitions, nous accomplir pleinement, réussir notre vie privée et notre vie professionnelle, vivre en accord avec nous-mêmes, nous dépasser, aller vers les étoiles. Catherine Rambert nous propose des clés pour y parvenir. Elle nous rappelle que notre valeur ne se mesure ni à nos dons naturels, ni à notre physique, mais bien à ce que nous saurons faire du potentiel qui repose en chacun de nous. Son livre nous offre 365 pensées à méditer au jour le jour ; il nous aide à prendre conscience que cheminer vers les sommets, c'est déjà une manière de poser un regard plus clair sur notre quotidien et de donner un sens nouveau à notre vie. Un livre indispensable pour progresser vers notre propre épanouissement.
