**The NKJV, MacArthur Study Bible, 2nd Edition, Ebook** BRILL

How to focus on Jesus during Lent Sometimes when we talk about Lent, it sounds like the goal is to learn to be more self-disciplined, diet a little, or kick a bad habit. But the truth is, Lent is about Jesus. This year, uncover Christ's love for you and learn to love others like never before. Read vignette's from Jesus's life in each devotional and discover a new aspect of His love. Each week: begins with an interactive family devotional for celebrating together offers five daily reflections that focus on that week's stories of Jesus includes suggestions for fun-filled family activities or service projects This devotional can be used on your own or in family worship. Don't let Easter pass you by this year. Reflect, engage, and be transformed as you uncover the love of Jesus and learn to love your neighbor like He would.

*Confessions* Uncovering the Love of JesusA Lent Devotional

A young boy follows Jesus through Jerusalem, collecting mementos to share with others and to

remind him of Jesus's teachings.

*Inspired* Wipf and Stock Publishers

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

*Uncovering the Image* Moody Publishers

Reveals the radical ancient practice of living resurrection, in which initiates ritually died and were reborn into a state of higher consciousness • Explores living resurrection initiation practices from world cultures, including Egyptian, Greek, Gnostic, Chinese, Celtic, and Native American traditions

- Describes the secret chambers and temples where Mystery Schools practiced "raising the dead"
- Shows why this practice was branded a heresy and suppressed by the Church More than two thousand years before the resurrection of Jesus, initiates from spiritual traditions around the world were already practicing a secret mystical ritual in which they metaphorically died and were reborn into a higher spiritual state. During this living resurrection, they experienced a transformative

spiritual awakening that revealed the nature of reality and the purpose of the soul, described as "rising from the dead." Exploring the practice of living resurrection in ancient Egyptian, Phoenician, Greek, Persian, Indian, Japanese, Chinese, Celtic, and Native American traditions, Freddy Silva explains how resurrection was never meant for the dead, but for the living--a fact supported by the suppressed Gnostic Gospel of Philip: "Those who say they will die first and then rise are in error. If they do not first receive the resurrection while they live, when they die they will receive nothing." He reveals how these practices were not only common in the ancient world but also shared similar facets in each tradition: initiates were led through a series of challenging ordeals, retreated for a three-day period into a cave or restricted room, often called a "bridal chamber," and while out-of-body, became fully conscious of travels in the Otherworld. Upon returning to the body, they were led by priests or priestesses to witness the rising of Sirius or the Equinox sunrise. Silva describes some of the secret chambers around the world where the ritual was performed, including the so-called tomb of Thutmose III in Egypt, which featured an empty sarcophagus and detailed instructions for the living on how to enter the Otherworld and return alive. He reveals why esoteric and Gnostic sects claimed that the literal resurrection of Jesus promoted by the Church was a fraud

and how the Church branded all living resurrection practices as a heresy, relentlessly persecuting the Gnostics to suppress knowledge of this self-empowering experience. He shows how the Knights Templar revived these concepts and how they survive to this day within Freemasonry. Exploring the hidden art of living resurrection, Silva shows how this personal experience of the Divine opened the path to self-empowerment and higher consciousness, leading initiates such as Plato to describe it as the pinnacle of spiritual development.

I viewed the consumptive nature of love as a threat to serious women. But the wonderful man I just married believes as I do—work is paramount, absolutely no children—and now love seems to me quite marvelous. These words are spoken to a rapturous audience by Joan Ashby, a brilliant and intense literary sensation acclaimed for her explosively dark and singular stories. When Joan finds herself unexpectedly pregnant, she is stunned by Martin's delight, his instant betrayal of their pact. She makes a fateful, selfless decision then, to embrace her unintentional family. Challenged by raising two precocious sons, it is decades before she finally completes her masterpiece novel. Poised to reclaim the spotlight, to resume the intended life she gave up for love, a betrayal of Shakespearean proportion forces her to question every choice she has made. Epic, propulsive, incredibly ambitious, and dazzlingly written, *The Resurrection* of Joan Ashby is a story about sacrifice and motherhood, the burdens of expectation and genius. Cherise Wolas's gorgeous debut introduces an indelible heroine candid about her struggles and unapologetic in her ambition.

Can I know for sure what's in store for the future? With so much hype about the signs of the times, it's more important than ever to know what God really said was going to happen. It's not enough to take someone else's word for it. You must know how to uncover prophetic truths in the Bible for yourself. In this easy-to-read yet extremely helpful guide to understanding the nature and purpose of the prophetic passages in Scripture, Jeff Kinley will show you... the five biggest mistakes people make when it comes to Bible prophecy how to sort fact from fiction and spot false prophets the major views and interpretive principles you need to know the difference Bible prophecy makes in your life right now! The future may seem like one big mystery—but it doesn't have to be! God has made His plans evident to all. And when you know what He has revealed, you can face the last days with a confident assurance of His provision and victory.

**Reawakened** Harmony

No more hiding or people-pleasing up in here, sisters. No more being sidelined in your own life. It is time for us to be brave, to claim our gifts and quirks and emotions. You are set free and set up and set on fire. NOW you can get busy doing what you were placed on this planet to do. NOW you can be honest, honest, honest about all of it, even the hard stuff, even the humiliating stuff, even the secret stuff. NOW you can walk in your convictions of faith and ask new questions unafraid. NOW you can be so free, because you are not searching for value from any source other than your own beautiful soul made piece by piece by God who adores you and is ready to get on with the business of unleashing you into this world. In this book, I break it down into five self-reflective categories—who I am, what I need, what I want, what I believe, and how I connect—and by working your way through them, you will learn to own your space, ground, and gifts (they are YOURS, sister); be strong in your relationships and lay down passive aggression, resentment, drama, and compliance; say GUILT-FREE what you want and what you need; and welcome spiritual curiosity and all the fantastic change that doing so creates. You with me, beloveds? If we do this work on our own selves now, not only will we discover a life truly worth living, but we will free our daughters to rise up behind us, with spines straight, heads up, and coated in our strength.

Religious themes, concepts, imagery, and terminology have featured prominently in much recent science fiction. In the book you hold in your hands, scholars working in a range of disciplines (such as theology, literature, history, music, and anthropology) offer their perspectives on a variety of points at which religion and science fiction intersect. From Frankenstein, by way of Christian apocalyptic, to Star Wars, Star Trek, Battlestar Galactica, and much more, and from the United States to China and back again, the authors who contribute to this volume serve as guides in the exploration of religion and science fiction as a multifaceted, multidisciplinary, and multicultural phenomenon. Contents List of Contributors / vii Introduction: Religion and Science Fiction--James F. McGrath / 1 1 The Dark Dreamlife of Postmodern Theology: Delicatessen, The City of Lost Children, and Alien Resurrection--Joyce Janca-Aji / 9 2 Sorcerers and Supermen: Old Mythologies in New Guises--C. **A Novel** Harper Collins

Inspired by true events...The first day of college gives every girl a chance to reinvent herself. I go and screw mine up by meeting the most gorgeous guy I've seen in five years while talking to my cat. But Andrew Crowner is far from judgmental. By the end of our interaction, he has me smitten by his easy manner and kind smile. And from the way his eyes linger on me before he leaves, I start to think that maybe I've caught his attention, too. I let myself believe that luck may finally be on my side. That is, until I stumble on my roommate, and her overnight guest: Spencer Ashford. Lean, tattooed, and sexy as sin, Spencer is exactly the type I need to avoid. I would have no trouble with that... were it not for his swift and inexplicable interest in me. Suddenly, I go from a girl with next-to-no experience with boys to one caught in the crosshairs of two completely different men. Andrew's interest is wholesome and sweet. Spencer's is edgy and raw. My choice should be easy. But there are always complications, and sometimes, matters of the heart take the least expected turns.

**Why Is God Laughing?** Flatiron Books

I am mentally exhausted. I am at my wit's end. I am in the dark, again, with no end in sight. But just when all hope seems lost, a light appears at the end of the tunnel. A confession... that breaks me from the stranglehold of hopelessness and despair. An admission... that brings new dimensions to the man who is shrouded in secrecy. Stonehart's revelation can never change what he's done to me. But can it be enough to make a difference in how I see him? As old questions are answered, new ones arise: Is it possible for a man to change? Is it possible for him to repent for all his sins? And, perhaps most important of all: Is it possible for me to forgive?

[Uncovering Sin](#) Thomas Nelson

A New York Times Bestseller! "Who do you say that I am?" Uttered by Jesus Christ, this profound question has presented an age-old challenge to believers, skeptics, scholars, and rulers. In attempting to answer this question, The True Jesus goes straight to the unimpeachable source: the books of Matthew, Mark, Luke, and John. Only in the Gospels, says #1 New York Times bestselling author David Limbaugh, do we come face-to-face with the Son of God, Whose sublime teachings, miraculous actions, and divine essence leap off every page and into our hearts. In this book, Limbaugh combines the four Gospel stories into a unified account (though not, he humbly admits, a perfect harmony) and guides readers on a faith journey through the Four Evangelists' testimonies of the life of Jesus Christ. Along the way, Limbaugh shares his insights on Jesus' words and deeds as well as His unique nature as fully human and fully divine. In *The True Jesus*, you will learn: - Why even the apostles failed to completely understand Jesus' true identity and mission until after His crucifixion - The real basis for the rejection of Jesus' message by skeptics in His hometown and elsewhere - The historical events preceding Jesus' birth that providentially paved the way for Christianity - How Jesus' message utterly contradicted modern attempts to portray Him

as being non-judgmental Limbaugh's passion for the Gospels infuses the pages of *The True Jesus*, which is both a primer for new Bible readers and an outstanding guide to the Gospels for long-time believers. Who really is the true Jesus? Open this book and begin your odyssey toward the answer. [A Jewish Perspective](#) Moody Publishers

I accept the resurrection of Jesus not as an invention of the community of disciples, but as an historical event. When a leading orthodox Jew makes such a declaration, its significance can hardly be overstated. Pinchas Lapide is a rabbi and theologian who has specialized in the study of the New Testament. In this book he convincingly shows that an irreducible minimum of experience underlies the New Testament account of the resurrection, however much of the details of the narrative may be open to objection. He maintains that life after death is part of the Jewish faith experience, and that it is Jesus' messiahship, not his resurrection, which marks the division between Christianity and Judaism. Dr. Lapide quotes Moses Maimonides, the greatest Jewish thinker, in his support: All these matters which refer to Jesus of Nazareth...only served to make the way free for the King Messiah and to prepare the whole world for the worship of God with a united heart.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

**The Case for the Resurrection of Jesus** Zondervan

One Woman's Journey Back to Loving the Bible If the Bible isn't a science book or an instruction manual, then what is it? What do people mean when they say the Bible is inspired? When Rachel Held Evans found herself asking these questions, she began a quest to better understand what the Bible is and how it is meant to be read. What she discovered changed her—and it will change you too. Drawing on the best in recent scholarship and using her well-honed literary expertise, Evans examines some of our favorite Bible stories and possible interpretations, retelling them through memoir, original poetry, short stories, soliloquies, and even a short screenplay. Undaunted by the Bible's most difficult passages, Evans wrestles through the process of doubting, imagining, and debating Scripture's mysteries. The Bible, she discovers, is not a static work but is a living, breathing, captivating, and confounding book that is able to equip us to join God's loving and redemptive work in the world.

*The Resurrection of Joan Ashby* Thomas Nelson

With Jesus takes us on a tour through Jesus' life to show us how we can find our place in the story of Christ. Christianity is not a only a faith founded on facts, but also a deeply personal experience of God's transforming grace in Christ. While our hope is rooted in history—the events of Jesus' life, death, resurrection, and ascension—the Scriptures also teach that every believer is included in these events. From the manger to the cross, from the empty tomb to his glorious throne, Jesus acted for us. And the mystery and wonder of the gospel is that we are crucified, buried, raised, and seated with him. The story of Jesus rewrites our stories.

*Immortality, Exposing the Lie* iUniverse

Is privilege real or imagined? Ken Wytsma, founder of the Justice Conference, unpacks what we need to know to be grounded in conversations about today's race-related issues. And he helps us come to a deeper understanding of both the origins of these issues and the reconciling role we are called to play as witnesses of the gospel.

[With Jesus](#) InterVarsity Press

An in-depth discussion among Reformed theologians on the thesis that only by a radical option for religion without ulterior motive - even good motives -, true religion can be safeguarded from abuse and be linked to God's love for man without ulterior motive.
