GWENDOLYN TATE

Maizy Chen's Last Chance A Parent's Guide to Minecraft There is an increasing amount of children that natter on about Minecraft all of the time. It can be something that parents feels alienates them from their children, because unless they actually play the game themselves, which most do not, they will have no idea what they are talking about. Chattering on about ender dragons, creepers, diamond swords and such like can be very difficult to listen to if you have no understanding of the game. However, most parents do not have the time to play it for themselves to discover more about it and most children get very impatient if their parents keep asking them questions. Therefore this five minute guide has been designed to help parents to have a basic enough understanding of the game so that they can follow a conversation that their children are having about the game and even give them some intelligent answers as well! The Minecraft Guide for Parents Down-to-earth Advice for Parents of Children Playing Minecraft "This is a Borzoi book published by Alfred A. Knopf"--Title page verso. *PopularMMOs Presents A Hole New World* Houghton Mifflin Harcourt Curious about Minecraft, but not sure where to start? This book is just what you need. Theme Park Adventure Minecraft for Beginners *The Ickabog* Random House Books for Young Readers The incredible tale of a little game that shook the international gaming world--now with new material including a behind-the-scenes look at the sale to Microsoft. For this second edition, the story has been enriched with more Minecraft than ever--a new section describes Minecraft's sale to Microsoft, Notch's less than heartwarming last day in the office, and Mojang's final days of independence. His whole life, all Markus Persson wanted to do was create his own games. Create his own games and get rich. Then in 2009 a strange little project of his quickly grew into a worldwide phenomenon and, in just a few short years, turned its maker into an international icon. Minecraft: The Unlikely Tale of Markus "Notch" Persson and the Game that Changed Everything is a Cinderella story for the Internet age—improbable success, fast money, and the power of digital technology to shake up a rock-solid industry. It's a story about being lost and finding your way, of breaking the rules and swimming against the current. It's about how the indie gaming scene rattled the foundations of corporate empires. But, above all, this is the story of how a creative genius chased down a crazy dream: the

evolution of a shy amateur programmer into a video game god.

From the #1 New York Times best-selling author of *The Darkest Minds* comes a sweepingly ambitious, high-octane tale of power, destiny, love, and redemption. Every seven years, the Agon begins. As punishment for a past rebellion, nine Greek gods are forced to walk the earth as mortals. They are hunted by the descendants of ancient bloodlines, all eager to kill a god and seize their divine power and immortality. Long ago, Lore Perseous fled that brutal world, turning her back on the hunt's promises of eternal glory after her family was murdered by a rival line. For years she's pushed away any thought of revenge against the man—now a god—responsible for their deaths. Yet as the next hunt dawns over New York City, two participants seek her out: Castor, a childhood friend Lore believed to be dead, and Athena, one of the last of the original gods, now gravely wounded. The goddess offers an alliance against their mutual enemy and a way to leave the Agon behind forever. But Lore's decision to rejoin the hunt, binding her fate to Athena's, will come at a deadly cost—and it may not be enough to stop the rise of a new god with the power to bring humanity to its knees.

or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House where every room bears the old man's touch--and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day, they would inherit billions. Heir apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

"Refreshingly voice-y, wildly smart, and genuinely hilarious." - Casey McQuiston, New York Times bestselling author of *Red, White & Royal Blue* From an exciting new voice comes a funny and heartfelt YA romance set in the world of competitive gaming, perfect for fans of *Opposite of Always* and *Slay*. Emilia Romero is living a double life. By day, she's a field hockey star with a flawless report card. But by night, she's kicking virtual ass as the only female member of a highly competitive eSports team. Emilia has mastered the art of keeping her two worlds thriving, which hinges on them staying completely separate. That's in part to keep her real-life persona, but also for her own safety, since girl gamers are often threatened and harassed. When a major eSports tournament comes to her city, Emilia is determined to prove herself to her team and the male-dominated gaming community. But her perfectly balanced life is thrown for a loop when a member of a rival team recognizes her . . . Jake Hooper has had a crush on Emilia since he was ten years old. When his underdog eSports team makes it into the tournament, he's floored to discover she's been leading a double life. The fates bring Jake and Emilia together as they work to keep her secret, even as the pressures of the tournament and their non-gaming world threaten to pull everything apart. Debut author Alexis Nedd has crafted a YA combo-punch of charming romance and virtual adventure that will win the hearts of gamers and non-gamers alike.

Minecraft: Story Mode Simon and Schuster

"Gorgeous and richly imagined."—Sara Raasch, New York Times bestselling author of the *Snow Like Ashes* series "Teeming with hidden magic and fiery romance."—Sabaa Tahir, #1 New York Times bestselling author of *An Ember in the Ashes* Perfect for fans of *Shadow and Bone* and *Red Queen*, *The Crown's Game* is a thrilling and atmospheric historical fantasy set in Imperial Russia about two teenagers who must compete for the right to become the Imperial Enchanter—or die in the process—from debut author Evelyn Skye. Vika Andreyeva can summon the snow and turn ash into gold. Nikolai Karimov can see through walls and conjure bridges out of thin air. They are enchanters—the only two in Russia—and with the Ottoman Empire and the Kazakhs threatening, the tsar needs a powerful enchanter by his side. And so he initiates the Crown's Game, an ancient duel of magical skill—the greatest test an enchanter will ever know. The victor becomes the Imperial Enchanter and the tsar's most respected adviser. The defeated is sentenced to death. Raised on tiny Ovchinin Island her whole life, Vika is eager for the chance to show off her talent in the grand capital of Saint Petersburg. But can she kill another enchanter—even when his magic calls to her like nothing else ever has? For Nikolai, an orphan, the Crown's Game is the chance of a lifetime. But his deadly opponent is a force to be reckoned with—beautiful, whip smart, imaginative—and he can't stop thinking about her. And when Pasha, Nikolai's best friend and heir to the throne, also starts to fall for the mysterious enchantress, Nikolai must defeat the girl they both love . . . or be killed himself. As long-buried secrets emerge, threatening the future of the empire, it becomes dangerously clear . . . the Crown's Game is not one to lose.

Crows Nest

From the team behind #1 New York Times bestseller *Five Feet Apart* comes a gripping new romance that asks: Can you find true love after losing everything? Kyle and Kimberly have been the perfect couple all through high school, but when Kimberly breaks up with him on the night of their graduation party, Kyle's entire world upends—literally. Their car crashes and when he awakes, he has a brain injury. Kimberly is dead. And no one in his life could possibly understand. Until Marley. Marley is suffering from her own loss, a loss she thinks was her fault. And when their paths cross, Kyle sees in her all the unspoken things he's feeling. As Kyle and Marley work to heal each other's wounds, their feelings for each other grow stronger. But Kyle can't shake the sense that he's headed for another crashing moment that will blow up his life as soon as he's started to put it back together. And he's right. This book includes bonus content.
