Highlights the life and accomplishments of the wrestler known as "The Rock," documenting his famous wrestling feuds and his career as a movie star.

### **How to Save the World by Throwing a Dinner Party**

Harris Creative Studio

The Rock; He gained mainstream fame in the World Wrestling Federation (WWF/E) from 1997 to 2004 as a major figure in the company's Attitude Era, and was the first third-generation wrestler in the company's

history. He returned to wrestling part-time for WWE from 2011 to 2013 and continues to make sporadic non-wrestling appearances for the company. As of June 2016, he has had 17 championship reigns in WWE, including 10 as a world champion, winning the WWE Championship eight times and the WCW/World Championship twice. He won the Intercontinental Championship twice and the WWF Tag Team Championship five times. He is the sixth Triple

Crown Champion in WWE history, and won the 2000 Royal Rumble.

A call to arms against BRUNCH... and a how-to guide for fighting back, from the hosts of the hit podcast and public radio show The Dinner Party Download. Society is under threat. The culprit? BRUNCH. Not merely a forum for overpriced eggs, brunch is a leisure-time-squandering hellscape, embodying all that is soul-killing and alienating about modern

life. How to fight back? By throwing dinner parties--the cornerstone of civilized society! Dinner parties--where friends new and old share food, debate ideas, and boldly build hangovers together. If we revive the fading art of throwing dinner parties the world will be better off, and our country might heal its wounds of endless division... all without having to wait in a 9-hour line to eat toast. To that end, BRUNCH IS HELL takes hesitant hosts through every phase of throwing a great dinner

party, from guest list to subpoena. Loaded with wit, celebrity advice, and tongue-in-cheek humor--plus sincere insights about how humans can be more generous to each other--BRUNCH IS HELL is a spirited guide to restoring civility, in the bestselling tradition of *Adulting*, Amy Sedaris' *I Like You: Hospitality Under the Influence*, and the Bible.

**How to Outfox Your Friends When You Don't Have a Clue**

Hachette Go

'Can you smell what The

Rock is cooking?!' He has yet to encounter an obstacle he couldn't overcome. He's the WWE legend as eight-time champion, he's outlasted being buried up to his neck in a desert (The Scorpion King), battled the giant Tamatoa (Moana), ruthless mercenaries (Jumanji), and murderous racers (the Fast and Furious series) all thanks to his motivation and drive. Do you want to learn how to do the same? Then get inspired with this uplifting collection of quotes from

the man himself on success, wrestling, fitness, family and more. What else can we say, except, you're welcome?! MONETIZE YOUR CONTENT: HOW TO PRODUCE YOUR OWN SHOW Rowman & Littlefield This illustrated collection of humorous essays and fun extras makes the case for one of our most iconic celebrities, from Bill and Ted to John Wick. For an actor who's been in so many mega-hits and equally mega misses, it can be tough to track

Keanu Reeves's accomplishments. But true fans know that Keanu is so much more than his Bill and Ted persona, both onscreen and off. During his long career—over 30 years, though you wouldn't know it from his immortal looks—he has constantly subverted Hollywood stereotypes and expectations. He's the type to start his own publishing company, reread Hamlet, write a grown-up children's book, photobomb people's weddings, eat lunch alone in the park while looking

very sad, and give away his salary to the film crew. For Your Consideration: Keanu Reeves examines the ways in which Keanu strives to be kind and excellent in work and in life. The authors also explore various Internet conspiracies about his age, help you identify which Sad Keanu meme you are, give you the Keanu and Winona Ryder fanfic your heart desires, and much, much more. *Not Your Dad's Stroke* Harper Collins  
It is both interesting and inspirational to hear of the

great lengths that an individual has gone to achieve success. This is the reason many flock to motivational seminars and conferences, it is the reason we listen to speeches and read autobiographies and biographies of people we consider great. Their stories provide the inspiration we desperately needed and the opportunity to learn or relearn the way to success. Dwayne Johnson: An Extraordinary Life provides the opportunity to learn from one of the

greatest men of our time, Dwayne 'The Rock' Johnson. It evaluates his background, educational path, career choices, and life choices that have gotten him to where he is. Undeniably, Dwayne's story is one that many can relate to. Despite the fact that he is the son of a wrestling champion, Dwayne had a rather unstable childhood marred with instability from constantly moving from one state to the next, (he has lived in 38 states), to bouts of severe poverty that included

evictions and repossessions. From the bottom, he has gone on to achieve a level of success that only a select few get to experience. He is one of the best wrestlers to have ever lived, and one of the highest paid actors in Hollywood. Dwayne also has one of the largest social media following. It took incredible strength, decisiveness and hard work that turned Dwayne's situation around. To that end, the author hopes that reading about Dwayne and his unbelievable story will

allow you to appreciate the journey the star has taken to get to where he is. By taking notice of the struggle and hard work, you will learn how to overcome setbacks and challenges just like Dwayne did. Inside this book you will find: An elaborate explanation of the life of Dwayne Johnson's wrestling family background A detailed description of Dwayne Johnson's educational path A step-by-step description of Dwayne Johnson's career path, from football to wrestling

and into acting Why is Dwayne Johnson such a fan favorite? The clearest description of the setbacks and failures that rocked 'The Rock' A comprehensive list of fun facts you did not know about Dwayne Johnson A large collection of Dwayne Johnson's quotes about how to achieve success in life.

*Still the People Champion*  
Castle Point Books  
Not Your Dad's Stroke is written by a stroke survivor for stroke survivors and their loved ones. It documents the

author's recovery from a 2012 stroke, and examines the research and treatment advancements over the twenty years since his dad had his stroke. The author also discusses strategies and resources to help make recovery easier. The book includes personal accounts from other stroke survivors, caregivers, and a therapist. Not all the stories have happy endings, but all are informative and inspirational. Most newly diagnosed stroke patients

are in fear of the unknown. In the author's case, his first thought was of his dad's stroke, and how it had been the start of his dad's decline. However, as the author's treatment and recovery began, the first thing he realized was that things had changed for the better, with faster diagnoses and improved treatments. From the beginning, he had a better prognosis, with early discussions on recovery and preventing the next stroke. Everyone knows someone that has

had a stroke. It can happen to anyone at any age. No two strokes are the same, as no two recoveries are the same. The bottom line is that recovery is hard work, survivors have to keep at it, and at some point, learn to accept the new version of themselves. This book will be an informative resource and inspiration for newly diagnosed stroke patients, anyone who has suffered a stroke, and for the loved ones and caregivers of stroke survivors. The manuscript was built

around common questions about stroke identified though conversations with stroke survivors, caregivers, and peer support workers. Simon and Schuster In her first-ever (sort of) memoir, the beloved actor and YouTube sensation gets personal about everything from mental health to drunken debaucheries with this “brave, behind-the-webcam look at self-discovery” (Kirkus Reviews). As an only child raised in a town of less than 8,000 people and

without a Starbucks in sight, Meghan Rienks has always been pretty good at entertaining herself. Then one day—cue the dramatic voiceover—her life changed forever. In 2010, Meghan was diagnosed with mononucleosis. Mono is basically just a really bad case of the flu, right? Wrong. To a party crazed sixteen-year-old, mono is social suicide. More than anything, it’s just plain boring. So, Meghan opened up her MacBook, used the webcam for something other than a

bad Andy Warhol-style photobooth session, and recorded her first YouTube video. Since then, Meghan has shared the ups and downs of her life with the internet, documenting her teenage years for the whole world to see. Now that she’s (mostly) through her awkward stage, Meghan’s here to tell you that it gets better. You’re not alone in the thoughts you think. Sometimes a bad hair day feels worse than a punch in the gut and asking a boy out seems about as difficult as

achieving that perfect dewy glow. But despite what you've been told, your problems are not unique, and somebody else has felt the way you feel right at this very moment. You're not special. But you're also not alone on the bumpy road to adulthood.

What would middle school be like if you lived in a zoo? Just ask Ana Wright, star of the hilarious, award-nominated My Life is A Zoo series that combines first crushes, friendship fails...and pack dynamics. Surprise! Ana's long distance BFF is finally coming back to visit. But with her purple hair and

new attitude, Liv is barely the girl Ana remembers. This new Liv probably thinks a birthday party at the zoo is lame. Maybe if Ana has a super-secret sleepover instead, she'd never have to introduce Liv to Ashley, former enemy and now Ana's best-ish friend. What could go wrong? Creature File for Liv: Species Name: Best Friendicus Kingdom: New Zealand Phylum: girl who used to be Ana Wright's best friend, girl who used to like getting milkshakes at Shaken, Not Stirred Feeds on: video

Your organization - business, church, or nonprofit - will experience unprecedented growth when you close the gap between these two game-changing questions: What are we known for? What do we want to be known for? In *Know What You're FOR*, entrepreneur and thought leader Jeff

Henderson makes it clear that if we want to change the world with our products or our mission, then we must shift the focus of our messaging and marketing. Rather than self-promoting, we must transform our organizations to be people-centric. This sounds like a no-brainer, but looking closer shows just how little this is true and how impactful the change would be if it were. Whether you're a business leader, a change advocate, or a movement maker, *Know What You're*

*FOR* will help you - and your organization - thrive. It's what happens when you create an organization focused on who it is FOR. This is the future. Thriving organizations will be more concerned with becoming raving fans of their customers than they are trying to convince customers to become raving fans of the organization. This isn't theory. Jeff Henderson has experienced it. Working with companies like Chick-fil-A and the Atlanta Braves, then serving as a

pastor for 15 years at one of the country's largest and most influential churches, North Point, Jeff knows what success looks like for healthy organizations and healthy lives. With fascinating stories from a host of entrepreneurs and Jeff's remarkable career, Know What You're FOR equips you with a simple strategy and the tools for extraordinary growth. You'll discover how to: Work FOR your current and future customers with a new, effective method Be FOR your team and

help your people reach full potential Create a ripple impact by being FOR your community Live and work your best by caring FOR yourself In a hypercritical, cynical world, one that is often known for what it's against, let's be a group of people known for who and what we're FOR. It's a powerful strategy for business. But more importantly, it is a revolutionary way to live. **The Rock Say** Createspace Independent Publishing Platform THE ONLY ONE WHO CAN

In a civilized society, violence is rarely the answer. But when it is-it's the only answer. The sound of breaking glass downstairs in the middle of the night. The words, "Move and you die." The hands on your child, or the knife to your throat. In this essential book, self-protection expert and former military intelligence officer Tim

Larkin changes the way we think about violence in order to save our lives. By deconstructing our assumptions about violence-its morality, its function in modern society, how it actually works-Larkin unlocks the shackles of our own taboos and arms us with what we need to know to prevent, prepare for, and survive the unthinkable event of life-or-death violence. Through a series of harrowing true-life stories, Larkin demonstrates that violence is a tool equally

effective in the hands of the "bad guy" or the "good guy"; that the person who acts first, fastest and with the full force of their body is the one who survives; and that each and every one of us is capable of being that person when our lives are at stake. An indispensable resource, *When Violence is the Answer* will remain with you long after you've finished reading, as the bedrock of your self-protection skills and knowledge. [Cracking Up](#) Enslow
