Best way to learn Hungarian by reading Do you want to learn Hungarian with real Hungarian stories? It's easy with Hungarian and interlinear English. This book contains 160+ pages of Hungarian Fairy Tales with every word translated so you can keep on reading. We have added an interlinear translation to the Hungarian text. This means that the meaning of every Hungarian word is immediately accessible, which in turn will make it much easier for you to expand your Hungarian

vocabulary fast. How to learn Hungarian with this book Use the following method to learn Hungarian vocabulary fast and easy. Read the stories and re-read them until you know almost all the words. This is a fast process because there's no lookup time. Then focus on the remaining words that you still don't know by marking those in the text or noting their pages. Because of the literal and idiomatic interlinear text this is the best way to learn Hungarian reading fast. Audio is available for free as well, just contact us or find it on shop.hyplern.com! Finally, we have a website on hyplern.com that integrates reading with word practice, for more learning options. Try our interlinear Dutch, French, German, Russian, Spanish, Swedish or many other languages as well! Find the paperback version on Amazon!

In addition, the various alphabets of the Slavonic languages - particularly Roman, Cyrillic and Glagolitic - are discussed, and the relationships of the Slavonic languages to other Indo-European languages and to one another, are explored. The last chapter provides an account of those

Slavonic languages in exile, for example, Russian, Ukrainian, Polish, Czech and Slovak in the USA. Each language-chapter is written by an expert in the field, in a format designed for comparative study.

Information on each language includes: an introductory description of social context and development (where appropriate); a discussion of phonology; a detailed presentation of synchronic

morphology, noting major historical developments; comprehensive treatment of syntactic properties; a discussion of vocabulary; an outline of main dialects; and an extensive bibliography, listing English and other sources.
