The Girl on the Train Harper Collins
 The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

Sophie's World Farrar, Straus and Giroux
 Before the notorious Five Families dominated U.S. organized crime, there was the one-fingered criminal genius Giuseppe Morello and his lethal coterie. Combining first-rate scholarship and pulse-quickening action, Mike Dash brings to life this little-known story, following the rise of the Mafia in America from the 1890s to the 1920s, from the villages of Sicily to the streets of Little Italy. Using an array of primary sources—hitherto untapped Secret Service archives, prison records,

and interviews with surviving family members—Dash has written a groundbreaking account of the crucial period when the criminal underworld exploded with fury across the nation.

 Renowned as Spain's *The Catcher in the Rye*, this passionate coming-of-age novel follows a rebellious college-age girl as she uncovers her family's secrets in chaotic, polarized, post-Civil War Barcelona. Andrea, an eighteen-year-old orphan, moves in with her volatile Barcelona relatives to attend the local University.

Living in genteel squalor in a mysterious house on Calle de Aribau, Andrea relies on her wealthy, beautiful, bohemian friend Ena to prove that normal life exists beyond the gothic dwelling she calls home. In one year, as her innocence melts away, Andrea learns the truth about her overbearing and religious Aunt Angustias, her cruelly sensual, musically gifted uncle Román and his violent brother Juan, and her lovely Aunt Gloria, who provides the family's bread with furtive gambling expeditions. She also learns the truth about Ena—and why her friendship goes hand in hand with her interest in Andrea's family. Peppered with dark humor, energy, and hope, Carmen Laforet's stunning classic is the story of a young woman who endures the harsh realities of post-Civil War Barcelona, emerging wiser and stronger, and with a bright future ahead of her.

World-renowned Stanford University psychologist Carol Dweck, in decades of research on achievement and success, has discovered a truly groundbreaking idea—the power of our mindset. Dweck explains why it's not just our abilities and talent that bring us success—but whether we approach them with a fixed or growth mindset. She makes clear why praising intelligence and ability doesn't foster self-esteem and lead to accomplishment, but may actually jeopardize success. With the right mindset, we can motivate our kids and help them to raise their grades, as well as reach our own goals—personal and professional. Dweck reveals what all great parents, teachers, CEOs, and athletes already know: how a simple idea about the brain can create a love of learning and a resilience that is the basis of great accomplishment in every area.

Or The Tragick-comedy of Calisto and Melibea Harlequin / SB Creative
Fifty years after its first publication, the multimillion-copy international bestseller is available again in English, sharing the heartbreaking tale of a gifted, mischievous, direly misunderstood boy growing up in Rio de Janeiro. When Zezé grows up, he wants to be a poet in a bow tie. For now the precocious young boy entertains himself by playing clever pranks on the residents of his Rio de Janeiro neighborhood, stunts for which his parents and siblings punish him severely. Lately, with his father out of work, the beatings have become harsher. Zezé's only solace comes from his time at school, his hours secretly spent singing with a street musician, and the refuge he finds with his precious magical orange tree. When Zezé finally makes a real friend, his life begins to change, opening him up to human tenderness but also wrenching sorrow. Never out of print in Brazil since it was first published in 1968, *My Sweet Orange Tree*, inspired by the author's own childhood, has been translated into many languages and has won the hearts of millions of young readers across the globe.

El Padrino Penguin

El tercer y último capítulo de la crónica épica de Mario Puzo sobre la familia Corleone—uno de los linajes más sólidos de la literatura y el cine norteamericano—logra un extraordinario crescendo con una historia en la que nos describe el papel de la mafia en el asesinato de un joven y carismático presidente. *El Padrino: La Venganza*, autorizada por Mario Puzo, sitúa a la familia Corleone en un escenario excepcional: la intersección del crimen organizado con la política nacional. Un

subordinado de Michael Corleone, Carlo Tramonti, el sottocapo de Nueva Orleans, es humillado públicamente cuando el fiscal general del Estado ordena su arresto y lo deporta a Colombia. Tramonti regresará resuelto a saldar las cuentas pendientes y ello desencadenará una serie de acontecimientos que cambiarán el curso de la historia norteamericana. Michael Corleone, obsesionado por la muerte de su hermano Fredo, sabe que no es el momento de flaquear. El hijo pródigo torturado está decidido a redefinir el legado de la familia.

The Godfather is an extraordinary novel which has become a modern day classic. Puzo pulls us inside the violent society of the Mafia and its gang wars. The leader, Vito Corleone, is the Godfather. He is a benevolent despot who stops at nothing to gain and hold power. His command post is a fortress on Long Island from which he presides over a vast underground empire that includes the rackets, gambling, bookmaking, and unions. His influence runs through all levels of American society, from the cop on the beat to the nation's mighty. Mario Puzo, a master storyteller, introduces us to unforgettable characters, and the elements of this world explode to life in this violent and impassioned chronicle.

Confessions of an Economic Hit Man
Simon and Schuster

Perkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an "economic hit man" for 10 years, helping U.S. intelligence agencies and multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.

The Jade Eye Vintage

The third and final installment in Mario Puzo's epic chronicle of the Corleone crime family—one of the most enduring lineages in American literature and cinema—achieves a stunning crescendo with a story that imagines the role of the Mafia in the assassination of a young, charismatic president. In *The Godfather's Revenge*—authorized by the Puzo Estate—Mark Winegardner moves the Corleone family onto the biggest stage of all: the intersection of organized crime and national politics. A subordinate to Michael Corleone, New Orleans underboss Carlo Tramonti is publicly humiliated when the US Attorney General—President Danny Shea's brother—has him arrested and deported to Colombia. Tramonti eventually returns, hell-bent on settling scores, and triggers a series of events destined to change the course of American history. Corleone, though haunted by the death of his brother Fredo, knows that this is no time for weakness—and so, with fearless consigliere Tom Hagen leading the way, a new path for the future is forged. As the dramatic twists of *The Godfather's Revenge* take the reader from Las Vegas to Miami to New Orleans, from the power alleys of Washington, DC, to the remote jungles of Colombia, the puppet master behind the curtain remains Michael Corleone, the tortured prodigal son who is determined to redefine his family's legacy and make his father—the original Godfather—proud.

Nadie sabe lo que va a ocurrir en 2012, pero este es el año que señalan antiguas sociedades como cataclísmico dentro de la historia humana. ¿Está preparado para lo que se viene? Vivimos en un universo hostil. El sol está recalentando la Tierra con una radiación excesiva y el Sistema Solar se está moviendo por una parte especialmente peligrosa de la galaxia que podría borrarlos del mapa en cualquier momento. Los expertos en geofísica aseguran que cada 65 millones de años hay una catástrofe de grandes dimensiones que liquida a la mayoría de las criaturas de la Tierra y ese momento se acerca nuevamente. Predicciones científicas y de antiguas culturas —los mayas, el Antiguo Testamento, el I-Ching— dicen que todo va a ocurrir en un año específico: el 2012. Con este panorama, probablemente prefiere mirar para otro lado, pero no podrá. Lawrence E. Joseph es tremendamente entretenido y seguramente el único que puede escribir sobre el desastre y hacerlo reír a la vez. Una vez que se empieza, no se puede dejar de leer este libro, en el que el autor cuenta su día a día mientras recibe malas noticias de astrónomos en Siberia y Sudáfrica, geofísicos, físicos nucleares, chamanes mayas y médiums. A su vez, es divertido ver cómo intenta mantener su vida personal a flote en medio del caos.

"A military space probe, sent to collect extraterrestrial organisms from the upper atmosphere, is knocked out of orbit and falls to Earth. Twelve miles from the crash site, an inexplicable and deadly phenomenon terrorizes the residents of a sleepy desert town in Arizona, leaving only two survivors: an elderly addict and a newborn infant. The United States government is forced to mobilize Project Wildfire, a top-secret emergency response protocol. Four of the nation's most elite biophysicists are summoned to a clandestine underground laboratory located five stories beneath the desert and fitted with an automated atomic self-destruction mechanism for cases of irremediable contamination. Under conditions of total news blackout and the utmost urgency, the scientists race to understand and contain the crisis."--P. [4] of cover.
