LEON DAPHNE

Bodies of horror Good Press
 A reassessment of Romantic religion and the structure of modern religious debate argued through the history of interpretation of Blake's and Wordsworth's religious visions.
The Drawings and Engravings of William Blake (Fully Illustrated) Delphi Classics
 This fresh look at the social and political themes of Blake's poetry shows that he was a phenomenologist of liberation," who contested the dominant ideology of his time and who still speaks passionately to our fears and hopes. Originally published in 1985. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-

print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. William Blake Cambridge University Press

William Blake, Painter and Poet McGill-
 Queen's Press - MQUP

Blake's comic brilliance has been variously
 dismissed as the nervous ramblings of a
 neglected genius, the tomfool doodles of a
 distracted youngster, or a crude tool for
 destabilizing textual authority. But, for the
 eighteenth century, comedy played a
 pivotal role in debates on aesthetics,
 education, spirituality and morality. This
 exciting new study blends a close reading
 of Blake's early work with fascinating
 historical research to demonstrate that the
 comic was an essential component of
 Blake's artistic Vision.

Blake Bibliography Courier Corporation
 Poet, draughtsman, engraver and painter,
 William Blake's work is made up of several
 elements - Gothic art, Germanic reverie,
 the Bible, Milton and Shakespeare - to
 which were added Dante and a certain
 taste for linear designs, resembling
 geometric diagrams, and relates him to
 the great classical movement inspired by
 Winckelmann and propagated by David.
 This is the sole point of contact discernible
 between the classicism of David and
 English art, though furtive and indirect.
 Blake is the most mystic of the English
 painters, perhaps the only true mystic. He
 was ingenious in his inner imagination,
 and his interpretations of ancient and
 modern poets reveal as true and candid a
 spirit as the title of his first work - poems
 he composed, illustrated and set to music,
 Songs of Innocence and Songs of
 Experience. Later he achieved grandeur,
 power and profundity, especially in certain
 tempera paintings. Just like others, Blake
 was considered an eccentric by most of his
 contemporaries, until his genius was
 recognised in the second half of the
 nineteenth century.

William Blake's Comic Vision Routledge

In *Imagining Nature* Kevin Hutchings
 combines insights garnered from literary
 history, poststructuralist theory, and the
 emerging field of ecological literary
 studies. He considers William Blake's
 illuminated poetry in the context of the
 eighteenth-century model of 'nature's
 economy,' a conceptual paradigm that
 prefigured modern-day ecological insights,
 describing all earthly entities as integrated
 parts of a dynamic, interactive system.
 Hutchings details Blake's sympathy for -
 and important suspicions concerning - the
 burgeoning contemporary fascination with
 such things as environmental ethics,
 animal rights, and the various fields of
 scientific naturalism. By focusing on
 Blake's concern for the relationship
 between nature and ideology (including
 the politics of class, gender, and religion)
 Hutchings avoids the sentimentalism and
 misanthropic pitfalls all too often
 associated with environmental
 commentary. He articulates a distinctively
 Blakean perspective on current debates in
 literary theory and eco-criticism and
 argues that while Blake's peculiar
 humanism and profound emphasis upon
 spiritual concerns have led the majority of
 his readers to regard his work as patently
 anti-natural, such a view distorts the
 central political and aesthetic concerns of
 Blake's corpus. By showing that Blake's
 apparent hostility toward the natural world
 is actually a key aspect of his famous
 critique of institutionalized authority,
 Hutchings presents Blake's work as an
 example of "green Romanticism" in its
 most sophisticated and socially responsive
 form.

William Blake, Seer, Poet, & Artist

William Blake, the Seer and His Visions
 William Blake's series of interpretive
 illustrations to six poems by John Milton
 represent Blake's rethinking of Milton's
 themes. The author insists upon the
 integrity of the separate series and
 investigates the distinctive properties of
 each. Illustrated.

William Blake, the Man Read Books Ltd
 First published in 1953, this book
 examines Blake's vision and its impact on
 the work of Yeats who imitated Blake in
 the hope that he might find that same
 vision. Margaret Rudd's approach is
 literary as well as philosophical, and
 psychological and she discusses the work
 of both poets in this way.

Blake's Environmental Poetics U of
 Minnesota Press

The collection of essays presented in this
 volume represents some of the best
 recent critical work on William Blake as
 poet, prophet, visual artist, and social and
 political critic of his time. The critical

range that is represented includes
 examples of Marxist, New Historicist,
 Feminist and Psychoanalytical approaches
 to Blake. Taken together, the essays
 consider all areas and moments of Blake's
 career as poet, from the early lyrics to his
 later epic poems, and they have been
 chosen to reveal not only the range of
 Blake's concerns but also to alert the
 reader to the rich variety of contemporary
 criticism that is devoted to him. Although
 the majority of essays are devoted to
 Blake as poet, others consider his work as
 printmaker, illustrator, and visionary artist.
 However severely individual essays
 choose to judge him, ultimately all the
 contributions to this book affirm Blake as
 one of the great geniuses of English art
 and letters. William Blake provides a
 valuable introduction by one of Britain's
 foremost critics and will be welcomed by
 students wanting to familiarise themselves
 with the work of Blake.

William Blake SUNY Press

Collects essays, based on the works of
 William Blake, that reflect upon such
 recurrent themes as art, religion, and
 politics.

Life of William Blake Nabu Press

This work has been selected by scholars
 as being culturally important, and is part
 of the knowledge base of civilization as we
 know it. This work was reproduced from
 the original artifact, and remains as true to
 the original work as possible. Therefore,
 you will see the original copyright
 references, library stamps (as most of
 these works have been housed in our most
 important libraries around the world), and
 other notations in the work. This work is
 in the public domain in the United States of
 America, and possibly other nations.
 Within the United States, you may freely
 copy and distribute this work, as no entity
 (individual or corporate) has a copyright
 on the body of the work. As a reproduction
 of a historical artifact, this work may

 for being an important part of keeping this
 knowledge alive and relevant.

William Blake and the Moderns

Springer

Robert Bertholf and Annette Levitt have
 assembled thirteen essays that establish
 Blake as a central voice molding modern
 literature and thought. The essays in this
 volume examine Blake's influence on
 modern poetry, the modern novel, and
 modern thought from various critical

approaches. This collection maps out the lines of direct literary influences and indirect intellectual affinities that make up the tradition of enacted form. Through the use of various aspects of Blake's form and ideas, this book reasserts the idea of continuity, the drive for wholeness, and the arrival of new poetic forms. Blake is considered one of the major and most modern of Romantics. This collection positions him as a precursor of the modern, using his vision and poetry as a base for discussing a central issue in literary theory today—'influence and the literary tradition'—just how is the legacy of a literary artist passed on, and how is it resurrected in the works of subsequent generations.

William Blake Mittal Publications

"Gerda Norvig has written a book on Blake's Bunyan illustrations that is much more than that: it revises our sense of Blake, of the relationship of illustrator to illustrated text, and the assumptions of Romantic and Romanticist writing. Blake, certainly, will not be the same after Norvig's vigorous analysis, and it is arguable that the same may be true of Romanticism."—Ronald Paulson, author of "Figure and Abstraction in Contemporary Painting" "Specialists in both Blake studies and English Romanticism will find this book extremely interesting and useful. Norvig carefully analyzes for the first time a set of Blake's most accomplished illustrations, a set that (as she points out) has very rarely been reproduced or exhibited. These designs certainly deserve to be better known, and Norvig's insightful and stimulating interpretation of them makes their importance to Blake's thought and career amply clear. This is certainly a book that all Blake specialists will have to know."—Anne K. Mellor, author of "Mary Shelley: Her Life, Her Fiction, Her Monsters"

With Complete Texts e-artnow

116 watercolors illustrate 13 best-loved poems by Thomas Gray, including "Elegy Written in a Country Churchyard" and "Ode on the Death of a Favourite Cat." First inexpensive full-color reproduction, with complete text of poems.

The Works of William Blake : Poet, Artist,

and Seer Routledge

This carefully crafted ebook: "The Drawings and Engravings of William Blake (Fully Illustrated)" collects the some of the best of William Blake's unique and evocative artwork. William Blake (1757 - 1827) was an English poet, painter, engraver; one of the earliest and greatest figures of Romanticism. His work was filled with religious visions rather than with subjects from everyday life. Blake's fame as an artist and engraver rests largely on a set of 21 copperplate etchings to illustrate the Book of Job in the Old Testament. However, he did much work for which other artists and engravers got the credit. Blake was a poor businessman, and he preferred to work on subjects of his own choice rather than on those that publishers assigned him. Blake is acclaimed one of England's great figures of art and literature and one of the most inspired and original painters of his time. Yale University Press

"William Blake, the Man" by Charles Gardner. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Blake's Illustrations to The Pilgrim's Progress Palala Press

William Blake was a prominent English poet, painter, and printmaker. He was largely unrecognized during his life but is now considered a seminal figure in the history of the poetry and visual art of the Romantic Age. This book gives a detailed account of his life and works.

Northrop Frye to the Present Manchester University Press

This vintage book contains a detailed biography of William Blake. William Blake (1757-1827) was an English painter and poet. As with many of his ilk, Blake's artistic endeavours were unrecognised during his lifetime, but he is considered today to be one of the most seminal figures in the history of poetry. This volume is highly recommended for those with an interest in poetry, and would make for a worthy addition to any bookshelf. Contents include: "Childhood", "Engraver's Apprentice", "A Boy's Poems", "Student and Lover", "Introduction To The Polite World", "Struggle and Sorrow", "Mediation: Notes on Lavater", "Poems of Manhood", "Books of Prophecy", "Bookseller Johnson's", "The Gates of Paradise, America, Etc.", "The Songs of Experience", "Productive Years", "At Work For The Publishers", "A New Life", "Poet Hayley and Felpham", etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, high-quality edition complete with a specially commissioned new introduction. This book was first published in 1863.

Blake. Wordsworth. Religion. Bucknell University Press

While overlooked by extant studies of the Gothic, William Blake's literary and visual oeuvre embodies the same obsessions and fears that inform the Gothic revival with which he was contemporary.
