Even princes from faraway planets do not always remain small. Eventually they grow up and - no longer content with their tiny planet - set off once again to explore the universe anew. So the Little Prince, now a teenager, one day returns to Earth and finds himself on a lonely country road in the vast, desolate plains of Patagonia. There he meets the narrator of this novel, who rescues him and takes him on a journey. Slowly the Prince shares the stories of his adventures, and together they begin to explore some of life's most important questions, taking readers along with them on a wonderful spiritual journey. An inspiring, life-changing book.

to use the Dutch presence to institute far-reaching innovations in his society. It became apparent that, while the Company's initial involvement with South Sulawesi had required some military action, its subsequent activities were often limited to that of arbiter in local disputes. Yet its approval was an essential element without which no local prince could exercise authority confidently. The reputation of the Company helped to sustain its position and that of anyone fortunate or clever enough to become linked with it. Arung Palakka's repeated references throughout his life to this link served a dual purpose: it reaffirmed his continuing devotion and loyalty to the Company, while reminding the people of South Sulawesi of the weapon which he could wield if necessary to maintain power. Bearing the Company's trust as a right, Arung Palakka was able to introduce changes with little real opposition from within South Sulawesi. The Company has often been blamed for radical innovations in Malay-Indonesian societies, but as this study shows, in South Sulawesi at least the initiative clearly came from a local ruler. Only research in other areas influenced by the Company's presence will demonstrate whether or not the South Sulawesi experience was unique. A secondary but nonetheless important reason for this study was to examine the roots of the large scale emigrations from South Sulawesi in the second half of the 17th century.

The spread of Islam eastward into South and Southeast Asia was one of the most significant cultural shifts in world history. As it expanded into these regions, Islam was received by cultures vastly different from those in the Middle East, incorporating them into a diverse global community that stretched from India to the Philippines. In *Islam Translated*, Ronit Ricci uses the *Book of One Thousand Questions*—from its Arabic original to its adaptations into the Javanese, Malay, and Tamil languages between the sixteenth and twentieth centuries—as a means to consider connections that linked Muslims across divides of distance and culture. Examining the circulation of this Islamic text and its varied literary forms, Ricci explores how processes of literary translation and religious conversion were historically interconnected forms of globalization, mutually dependent, and creatively reformulated within societies making the transition to Islam.

'If not now, when?' Hillel, Pirke Avot, I 14. The text edition which I hereby submit to the reader has

been my constant companion for much of the last nine odd years. But the relative stability of my main preoccupation contrasted sharply with my wanderings during this same span of time. In fact, for most of it I was more or less constantly on the move, trekking from the Nether lands to Australia and back again, then to the United States, with three excursions; to Indonesia. On all these trips I carried my notes and kept working on this project, the conclusion of which continued to elude me. Even today I can hardly believe it is all over - and in fact it is not, as this volume will soon be followed by a companion containing a shortened English translation and dealing in much greater detail with the relationship between the Malay Hikayat Muhammad Hanafiyyah, its Persian source and Muslim literature in general. I sincerely regret that technical and financial considerations have combined to make inclusion of the apparatus criticus in this edition impossible. A limited number of copies of this apparatus are available on personal application either direct from the author (C/o the Indonesian Department, Monash University, Clayton, Victoria 3168, Australia), or from the Koninklijk Instituut voor Taal-, Land- en Volkenkunde, Stationsplein 10, Leiden, the Netherlands.

See me just as I see you . . . Colin Hancock is giving his second chance his best shot. With a history of violence and bad decisions behind him and the threat of prison dogging his every step, he's determined to walk a straight line. To Colin, that means applying himself single-mindedly toward his teaching degree and avoiding everything that proved destructive in his earlier life. Reminding himself daily of his hard-earned lessons, the last thing he is looking for is a serious relationship. Maria Sanchez, the hardworking daughter of Mexican immigrants, is the picture of conventional success. With a degree from Duke Law School and a job at a prestigious firm in Wilmington, she is a dark-haired beauty with a seemingly flawless professional track record. And yet Maria has a traumatic history of her own, one that compelled her to return to her hometown and left her questioning so much of what she once believed. A chance encounter on a rain-swept road will alter the course of both Colin and Maria's lives, challenging deeply held assumptions about each other

and ultimately, themselves. As love unexpectedly takes hold between them, they dare to envision what a future together could possibly look like . . . until menacing reminders of events in Maria's past begin to surface. As a series of threatening incidents wreaks chaos in Maria's life, Maria and Colin will be tested in increasingly terrifying ways. Will demons from their past destroy the tenuous relationship they've begun to build, or will their love protect them, even in the darkest hour? Rich in emotion and fueled with suspense, SEE ME reminds us that love is sometimes forged in the crises that threaten to shatter us . . . and that those who see us for who we truly are may not always be the ones easiest to recognize.

AKU AININ SOFIYA, hanya seorang pembantu rumah separuh masa. Tugasku bukan setakat mengemas rumah, malah urusan dapur diserahkan kepadaku. Buat pertama kalinya, asam pedasku mendapat pujian. Dalam diam, aku diintai oleh salah seorang anak majikanku, Ahmad Ziyad. Ruparupanya, asam pedasku menjadi kegemarannya. Namun tidak kusangka, dia ingin melamarku, hanya kerana ingin membantuku dari segi kewangan. Aku bukan mata duitan! Aku hanya bekerja di rumahnya dengan hasil usahaku sendiri. Setelah berfikir panjang, aku menerima lamarannya, tetapi dia meletakkan syarat. Perkahwinan ini harus dirahsiakan daripada pengetahuan keluarga dan teman wanitanya. Aku juga tidak dibenarkan hamil. Malah, aku tidak dimaafkan jika perkara itu berlaku. Sampai bila aku harus berlakon dan menyorok statusku? Jiwaku terseksa menjadi isteri rahsianya walaupun halal di sisi agama. Ziyad seolah-olah tidak memahami perasaanku. Hidupku terseksa dengan permainannya sehingga takdir menentukan aku hamil anaknya!

"A delightfully original take on...the prospects for liberal democracy in the broader Islamic Middle East."—Matthew Kaminski, Wall Street Journal As the Arab Spring threatens to give way to authoritarianism in Egypt and reports from Afghanistan detail widespread violence against U.S. troops and women, news from the Muslim world raises the question: Is Islam incompatible with freedom? In Islam without Extremes, Turkish columnist Mustafa Akyol answers this question by revealing the little-understood roots of political Islam, which originally included both rationalist, flexible strains and more dogmatic, rigid ones. Though the rigid traditionalists won out, Akyol points to a flourishing of liberalism in the nineteenth-century Ottoman Empire and the unique "Islamoliberal synthesis" in present-day Turkey. As he powerfully asserts, only by accepting a secular state can Islamic societies thrive. Islam without Extremes offers a desperately needed intellectual basis for the reconcilability of Islam and liberty.

This study examines the religious life of reformist Muslims in a Yogyakarta village. The foci of this discussion are on Muslim villagers' construction, with the help of the reformist paradigm, of the image of the 'good Muslim' and 'Muslim-ness', on their efforts to incorporate an (reformist) Islamic framework to question taken-for-granted practices and ideas, on the position of traditional practices and ideas and their relation to reformist Islam, and on the interplay of villagers who show a strong commitment to reformist Islam with those who do not. Another topic investigated in this study is the interactions between Muslim and Christian villagers and the impacts of Christian presence on the process by which Muslims define themselves, their neighbours, their religion and their religious community.
