A zoo volunteer shares her diary of 12 years working in the World of Primates at the Houston Zoo. She helped raise three orangutan babies and a baby siamang gibbon, and was loved, hugged, and peed on by all four. When she wasn't helping with the babies, she helped clean orangutan cages and continues to do so. In this book she shares her experience

learning about the orangutans; watching their interactions with each other, the keepers, other volunteers, and vet staff. Orangutan means "person of the forest" and that's how she thinks about her orange ape buddies. They are her friends. This diary lets you share her experiences as a zoo volunteer; the best non-paying job in the world according to her.

This Practical Performing Edition is a well-rounded introduction to Chopin's easiest piano pieces. It contains the familiar "Prelude in A Major," "Prelude in B minor"

and "Prelude in E minor," three waltzes (published posthumously), six mazurkas and additional works. Ornaments are realized and fingering and pedal suggestions are provided. Biographical information and a brief discussion of each work further assist students with Chopin's style. Included is an outstanding CD recording from the Naxos label by internationally renowned artist Idil Biret. Canadian recording artist and piano professor Valery Lloyd-Watts also performs some of the selections.

I began listening to Celtic music in the

early 90's when a friend introduced me to Fiona Ritchie's NPR radio program, The Thistle and Shamrock. I'd already become aware of some session tunes through the pennywhistle primer my father had given me in the 80's (when he was still a well, active musician and would play duets with me at family Christmas parties), but I had never before heard recordings of the masters of the whistle, fiddle, harp and uilleann pipes. Needless to say, it was a revelation. Shortly thereafter it seemed like the entire world was listening to the lilting jigs and high-stepping dance tunes in the wake of 1995's Riverdance phenomenon. I loved most everything I heard in that period, from the very traditional, but incredibly virtuosic playing of The Chieftains to the dreamy Celtic-inspired pop of Enya, to the amazing blend of the two extremes by artists like Loreena McKennitt. Fast forward to 2010s . . . Ever since I started writing and arranging for the ukulele I've been planning this book; one that combines my love of traditional Celtic music with my love of the reentrant ukulele (gCEA), which sounds fantastic on solo dance tunes played in the campanella-style (where you try to avoid

playing two consecutive notes on the same string to give the sonic illusion of playing on a harp). I'd like to acknowledge Alistair Wood for introducing me to this style of playing as well as three other inspiring arrangers of Celtic tunes for uke: Jonathan Lewis, Rob MacKillop and Wilfried Welti (though I've avoided their books while working on this title to avoid any unintentional borrowing). If you love this style, please check out their work as well! How were the 'Top 25' Celtic session tunes chosen out of the thousands of tunes and variations that are available? Quite simply, I went to the top two sites for traditional tunes and chose to arrange the 25 most bookmarked tunes. Hardly scientific, but a good measure of tune popularity nonetheless. I hope you enjoy the results! Slainte mhaith (good health)! M. Ryan Taylor CONTENTS: There are no page numbers in this book. The contents are listed in alphabetical order, as follows. Although there are no 'easy' tunes in this volume, 10 of the 'easier' tunes are marked with an asterisk. Banish Misfortune Banshee* Blarney Pilgrim* Boys of Bluehill Butterfly Conaughtman's Rambles Cooley's Drowsy Maggie Gravel

Walks* Harvest Home* Jimmy Ward's* Kesh Kid on the Mountain King of the Fairies Lilting Banshee* Maid Behind the Bar Mason's Apron Morrison's* Mountain Road Musical Priest* Out on the Ocean Rights of Man Silver Spear Tam Lin* Wind that Shakes the Barley* NOTES: * All of the tunes (except 'King of the Fairies') are arranged in the campanella-style. There are some places, however, where a repetition of a note on separate strings was not practical. * Slur marks have been used in the staff notation to indicate places you may wish to use a hammer-on, pull-off or slide. * A number of the arrangements go up to the 14th fret. I realize not all players have more than 12 frets, but I think enough do to warrant the inclusion. If your ukulele does not go above the 12th fret, experiment with taking these sections or phrases down an octave. * Although there are no 'easy' tunes in this volume, 10 of the 'easier' tunes are marked with an asterisk on the contents page."

A First Book of Chopin Courier Corporation Gentry was a simple baker who knew there was more to life but did not know what it was or how to get there. One day, a traveler came to town and told Gentry that he is seeking The Destination. However, the traveler provides a warning. The path to The Destination is guarded by dragons that only seek to take travelers off of the path. Armed with a scroll, a shield and a sword, Gentry sets out on his quest. As Gentry heads towards The Destination, he is expecting to face fierce dragons that he heard so many stories about growing up. He pictured himself

doing battle with a large scaly beast. But what he found surprised him. The dragons were not the fire breathing animal he expected but much more deceiving. Gentry had to face each dragon before he can travel on towards The Destination or be sent back to the town as a failure. Each dragon, however, has a different name and affect on Gentry. He must use the wisdom he finds in the scroll in order to defeat each of the dragons. As we each travel the journey to success, we are often times side tracked by dragons of our own. Through this book and as you travel with Gentry, you will learn the secrets to defeating many of the common dragons that only seek to hold us back from reaching our destination.
