The Story of Ford's Revival and Victory at the Toughest Race in the World Harlequin

A dense black cloud boiled up in the southeastern sky. It rose high and fast, like a time-lapse movie of the birth of a thunderhead. But it was no rain cloud. Wholly black, it reached up and up until it loomed over her, blocking out the sun. Somehow, she knew, it was Death coming for her. Pre-med student Coral is on vacation in Idaho when something terrible happens. The black cloud is followed by a wildfire and searing heat that lasts for days. She survives deep in a cave but emerges days later to find the world transformed, with blackened trees, an ash-filled sky, and no living creatures stirring--except for her. So begins her desperate journey: to find water, and food, and other survivors...and the answer to the mystery of what happened. *Gray I* is the first novel in a series. Whether I had to be taken into sleeplessness, loss of appetite, spiritual pressure, or financial deficit, I learned that the discipline of God is always consistent. Indeed, he is "not a respecter of persons" (Romans 2:11). Not only is his discipline consistent across the board, for all of his children, so is his reward for their pleasing and faithful behavior. Walking in obedience to his wooing and to his word pays dividends for this life and for eternity (1 Corinthians 3:9-15)! My story is only beginning in this book. Its focus is, indeed, about the phenomenal ways in which Holy Spirit has been the core driver of my life's circumstances and situations. No, not in interfering with my "free will," but using my life circumstances and choices to influence his sovereign will and plan for me. Indeed, he knows the plans he has for me which are to give me a future and a hope (Jeremiah 29:11). Though that verse was directed specifically to the children of Israel, it can certainly be generalized as applicable to all of us. My desire, above all, is that this book will encourage the hopeless. But it is also my desire to emphasize that God is not our genie, Santa Claus, or slot machine. If we choose to walk in willful perpetual disobedience,

the consequences are punishments, not rewards. I learned that truth the "hard way!"

"Easily the best baseball book ever produced by anyone."

—Cleveland Plain Dealer "This was the best baseball book published in 1966, it is the best baseball book of its kind now, and, if it is reissued in 10 years, it will be the best baseball book." — People From Lawrence Ritter (The Image of Their Greatness, The 100 Greatest Baseball Players of All Time), comes one of the bestselling, most acclaimed sports books of all time, *The Glory of Their Times*—now a Harper Perennial Modern Classic. Baseball was different in earlier days—tougher, more raw, more intimate—when giants like Babe Ruth and Ty Cobb ran the bases. In the monumental classic *The Glory of Their Times*, the golden era of our national pastime comes alive through the vibrant words of those who played and lived the game. It is a book every baseball fan should read!

In the beginning, there was wreckage. Dane Perry's mother was dead, and the father who always said he'd amount to nothing blamed him. Dane swore he'd become something. He would be someone. In the middle, there was escape. Rebuilding his life from the ashes of his mother's memory, Dane found success as a respected surgeon, and love in the form of Craig Dahl, a talented artist who became his everything. But there was also darkness, lies, and a crumbling foundation just waiting for the ground to shift. In the end, there was a spectacular fall, illusions shattered, and for Dane, nothing more to lose. He was broken, damaged, and left with fierce demons. But from the bottom, the only way left is up. Dane renewed friendships and salvaged his career. The only thing he cannot replace is Craig. But Dane has a plan. Brick by brick, his foundation is rebuilt, and all he needs is for Craig to listen one last time. In the beginning again, there's hope and tatters of love. Can Dane repair the damage with Craig? Can he rescue the only thing he amounted to that ever truly mattered? This book contains vivid descriptions of symptoms of PTSD and events that can cause anxiety. Reader discretion

advised.

It is shame that the modern world have lost the edge when it comes to the power of prayer. Prayer is so powerful that in the hand of a righteous person, that a man like us named Elijah prayed earnestly that it will not rain and it did not rain for three and half year. And to show how effective prayer can be, he prayed again and the heavens gave rain. The bible shows us time and time again how the less powerful have used prayer to

conquer their adversaries. Our Lord and savior, Jesus Christ told us Mathew 17:20, "I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you. Why will Jesus give us such an assurance? It is because, the weapon we fight with are not the weapons of the sinful world, we the children of God use divine power of God to tear down the strong hold of the evil one. So we must continue to pray even when you think your answers are not coming as quickly as you wanted. Remember when Martha and Mary send a message to Jesus that Lazarus is sick," his sisters sent unto him, saying, Lord, behold, he whom thou lovest is sick" even though the answer took two days to get to the sisters. The most important thing is that Jesus was called and that is when action was put in process and they did not put their request on the righteousness of Lazarus or his status in the ministry or how hard he works or even what he has given to the Church. The appeal was based on the love of Jesus Christ. "The one whom you love is sick," that is our clue; we must always focus our prayers on the love of God. We also have the confidence that God will answer our prayers if they are in agreement with His will. So I know that anything I ask that is according to His will be answered no matter how sinful the person praying may be. Even though we don't always get yes, but His answer are always in our best interest. And we don't have to follow any secret incantation before praying or offer some unnecessary repetition while praying. And the eloquence of our prayer will not make God answer our prayer. That is why in Matthew 6:7-8, Jesus rebukes those who pray using repetitions, "And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you ask him." "The Word of God is full of accounts describing the power of prayer in various situations. The power of prayer has overcome enemies (Psalm 6:9-10), conquered death (2 Kings 4:3-36), brought healing (James 5:14-15), and defeated demons (Mark 9:29). God, through prayer, opens eyes, changes hearts, heals wounds, and grants wisdom (James 1:5). The power of prayer should never be underestimated because it draws on the glory and might of the infinitely powerful God of the universe! Daniel 4:35 proclaims, "All the peoples of the earth are regarded as nothing. He does as he pleases with the powers of heaven and

the peoples of the earth. No one can hold back his hand or say to him: 'What have you done?'" So pray and God who loves you first will answer your prayers.

Believers know that when we die we enter heaven and will spend eternity there with God and the saints who have gone before us. But what actually happens in heaven? What are we going to be doing there? Won't it get boring at some point? According to Scripture, a large part of our experience of heaven will be a continual revealing of God's glory. Not just his glory in the moment, but during all of time. The mysteries of providence, the hidden movements of God throughout history, and the forgotten and unnoted works of even the most obscure of God's people will be unveiled so that we can see how wise, loving, gracious, and powerful our God is. And though we will experience perfection in heaven, we will never be omniscient, which means we will always be learning more about God's glory, inspiring us to return joyful praise and thanksgiving. If your vision of heaven has been limited

to clouds and harps and angels, it's time to expand that view with the truth found in this biblically based look at the afterlife.

Uncivilized Return To GloryThe Powerful Stirring of the Black Race

This book is a compilation of my thoughts-- transformed into poems, quotes, and self notes. At the unseasoned age of 20, I can testify to life taking me through some expected changes and detours. There were many days that I couldn't speak, think, or even write clearly. Through silence, prayer, and this little writing outlet, I've learned so much. I've found inspiration in the most unexpected places. I've learned that it's okay to cry. It's okay to not know all the answers. It's okay to be you-- Unapologetically you. Sometimes, it's even okay to feel lost.. So long as you remember who you are. We're all destined for greatness and success. I pray this book opens minds, encourages smiles, and inspires creativity. Above all, I'm forever grateful to my Heavenly Father for his magnificent plan over my life.

My Story for His Glory Aegis Consulting Group

First published in 1949, this spiritual classic by Neville Goddard captures the same intensity of thought and conviction which made Goddard famous amongst progressive thinkers. In this volume we see not only a profound religious feeling, but also a sense of the dignity and responsibility of human life. Our own feeling about the results of his experiments as a whole is that they are not just an addition to our existing knowledge, but require a revolution in our whole way of thinking about the world. A wonderful read!
