studies will  
give you a  
flavour of the  
sorts of issues  
and  
challenges  
that a social  
worker deals  
with on a day  
to day basis.  
They cover  
three areas of  
social work -  
work with  
adults, with  
children and  
families and  
with young

people who  
have  
committed  
offences. Social  
Work: Study :  
Case  
Studies Social  
work is a  
demanding  
job that  
includes many  
challenges.  
Some of these  
may be faced  
on a day-to-  
day basis;  
others might  
be ongoing.  
These  
challenges are  
often two-fold:  
they may  
come from the  
social work  
case itself or  
from outside  
parties. As the  
US population  
ages and the  
opioid crisis  
continues,  
such

challenges are  
likely to rise.
