What an achievement! It is a major work. The letters taken together with the excellent introductory sections - so balanced and judicious and informative - what emerges is an amazing picture of William Sharp the man and the writer which explores just how fascinating a figure he is. Clearly a major reassessment is due and this book could make it happen. —Andrew Hook, Emeritus Bradley Professor of English and American Literature, Glasgow University William Sharp (1855-1905) conducted one of the most audacious literary deceptions of his or any time. Sharp was a Scottish poet, novelist, biographer and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod. This was far more than just a pseudonym: he corresponded as Macleod, enlisting his sister to provide the handwriting and address, and for more than a decade "Fiona Macleod" duped not only the general public but such literary luminaries as William Butler Yeats and, in America, E. C. Stedman. Sharp wrote "I feel another self within me now more than ever; it is as if I were possessed by a spirit who must speak out". This three-volume collection brings together Sharp's own correspondence - a fascinating trove in its own right, by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti, Walter Pater, and George Meredith - and the Fiona Macleod letters, which bring to life Sharp's intriguing "second self". With an introduction and detailed notes by William F. Halloran, this richly rewarding collection offers a wonderful insight into the literary landscape of the time, while also investigating a strange and underappreciated phenomenon of late-nineteenth-century English literature. It is essential for scholars of the period, and it is an illuminating read for anyone interested in authorship and identity.

Viz. Pamela, Clarissa Harlowe, And Sir Charles Grandison. 6-8 The Family Herald A Domestic Magazine of Useful Information and Amusement ... English for Academic Correspondence Continuing from Volume I, Volume II intersperses numerous soldiers' letters with those from home. The issue of slavery from both the owners and individuals is brought forth. Did colored men really serve as Confederate soldiers? Did free black men? Union soldiers described southern women as defiant, beautiful, crude, and pitiful. Read of women aboard blockade-runners, the fall of Wilmington, Sherman's march, Stoneman's western raiders, and the end of the war. Did any civilians die due to these raids? Did they idly sit by as their lives and homes were destroyed? The war did come to their doorstep during the second half of the conflict. Both Volume I and II tell something from each of the state's 87 counties. Perhaps you may find information about your ancestor among these pages. Information from period newspapers, as well as mostly unpublished letters, tell their stories.

Hearings Before the Committee on Mines and Mining, House of Representatives, Sixty-sixth Congress, Third Session, Dec 10, 1920 Open Book Publishers

In a chapel service in rural Wales, all is not what it seems . . . A stage adaptation of one of the most celebrated and controversial short-story collections in the history of Anglo-Welsh literature.

Originally published in 1915, the searing stories of My People - darkly comic, poignant, with flashes of savagery - exposed the hypocrisy and avarice nestling side-by-side in a Nonconformist community in the rural West Wales of the early 1900s. First produced in the centenary year of the publication of the original collection, this radical reimagining makes us question whether the events depicted in these remarkable stories are consigned to the past, or can we discern uncomfortable parallels in our modern life? This programme text edition was published to coincide with the world premiere of the stage adaptation on 5 November 2015 at Clwyd Theatr Cymru, in a co-production

with Invertigo Theatre.

The Making of an American Springer

To know you have the right to do something is one thing, but then again, actually doing that thing is another. We always talk to the Lord when trouble comes and when we pray at night or when we say Thank you when we receive that special blessing, but do we really feel comfortable holding a conversation with the Lord like talking to a neighbor or a friend? Probably not! This book challenges you to communicate with the Lord. You will begin to ask him those tough questions that have been tugging at your heart. I sure did. I asked some of them for you, and I hope his replies will serve as discernment and wisdom for you, my faithful readers, for years to come. Just get in a quiet room and say, Speak, Lord, I'm listening. Just ask today, then wait for his reply. Other inquiring minds want to

know, so ask away!
