CHANEL HEATH

Dominated St. Martin's Griffin Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and

my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion

and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to

Nicholas Hunt.Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it.They

say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure-I intend to find out.

From J. Kenner comes the second novel in the fast-paced trilogy that started with *Release Me*. This sexy,

emotionally charged romance continues the story of Damien Stark, the powerful multimillionaire who's never had to take "no" for an answer, and Nikki Fairchild, the Southern belle who only says "yes" on her own terms. For Damien, our obsession is a game. For me, it is fiercely, blindingly, real. Damien Stark's need is palpable—his need for pleasure, his need for control, his need for me. Beautiful and

brilliant yet tortured at his core, he is in every way my match. I have agreed to be his alone, and now I want him to be fully mine. I want us to possess each other beyond the sweetest edge of our ecstasy, into the deepest desires of our souls. To let the fire that burns between us consume us both. But there are dark places within Damien that not even our wildest passion can touch. I yearn to know his

secrets, yearn for him to surrender to me as I have surrendered to him. But our troubled pasts will either bind us close . . . or shatter us completely. NOTE: This edition includes an excerpt from J. Kenner's *Say My Name*. *Claim Me* is intended for mature audiences. *Carnal Thirst* Penguin Captivated by You will take you to the very limits of obsession - and introduce you to a hero you'll never

forget . . . One of the bestselling love stories of the century _____ Gideon is gorgeous, wounded warrior, determined to slay my demons. But he refuses to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened up old wounds . . . I felt him slipping from my grasp; my greatest fears becoming my reality; my love tested in ways I wasn't sure I was

strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. What the Cat Dragged In

Harper Collins
 A thief-taker is out to steal the heart of a bluestocking heiress in this sexy Regency romance by the #1 New York Times bestselling author.
 London, 1818.
 There are disadvantages to being an heiress, as Eliza Martin knows well. Fortune hunters corner her, friends become opportunistic, and lately, someone is engineering "accidents" designed to propel her into marriage. But Eliza is too

smart to be bullied. To find the culprit, she just needs the right man to infiltrate the nest of suitors—and none comes more highly recommended than thief-taker Jasper Bond. One look at the devastatingly handsome Jasper and Eliza knows he's the wrong man for the job. No one will believe an intellectual like her could be matched with a man of action like him. But Jasper is determined to

change her mind. The intriguing mystery—and the undeniable attraction they share—makes this a case he can't resist. For Jasper, client satisfaction is a point of pride. And it's his pleasure to prove he's just the man Eliza needs. "A flawless blend of captivating characters, clever plotting, and searing sensuality."—**Booklist**

Weekly on Like Cats and Dogs
A Crossfire Novel HQN Books
 Captivated by You: Crossfire Series, Book 4, is built using alternating chapters from the two main characters', Gideon's and Eva's, first-person perspectives. Captivated by You uses a unique and most refreshing literary device for romance genre, and one which proves emotional-ly anchoring for the reader

and the couple. Also, unlike many other romance flicks, this book attempts to bring in and deal with some weightier, real-life issues. The narrative in this book is female focused, as every attention is given to what we know about female readership preferences. Our male hero, Gideon, is attentive, rich, good-looking - and (bonus, cherry-on-top) yes ladies he cooks in the

kitchen - not just in bed! Eva and most fe-male readership will resonate with his continual doting. Gideon is very needy on the love he both gives to and gets from Eva. This is so much so, that the book's title *Captivated By You* is understated and might be better renamed, *Can't Live an Hour Without You*. (Yes, it's a tongue in cheek title - or at least his tongue in her cheek(s) title.)The two main characters are, Gideon, the book's central character, and Eva, the protagonist. Gideon and Eva are two professional 20-somethings and painfully needy. Largely, their needi-ness stems from their abusive sexual pasts. While, both characters come from prior dysfunction, they meet their codependent states mostly with boxers down and skirts up. In this novel, sex is the glue holds all chapters together. There is Monday-night sex, early morning sex, wet shower sex, dry sex, make-up sex, midday sex, weekend sex, after work sex, and sex after sex And, yes, this sex starts to wear thin (as likely so do the sheets) about chapter 10 or 11. However, somewhere between psychosis and gratification, the two seem to truly love one another, as even the

primal nature of the page garners Gideon's "Angel mine," and reflective poetry. The softness of Gideon's poetic times provide balance for the violent foreshadowing which may be occurring in Day's narrative. Download your copy today! It takes the story further and

encompasses the period between Gideon and Eva eloping and their actual wedding. At this time very few of their good friends know of their real marital status. The novel may be read as a standalone book, but when read as part of the series; it offers a more in-depth reading experience, since there are a number of references to characters and past events from the earlier

books. Captivated By You is more than just a romance. It may have sexual and steamy love-making scenes, but that is now part of the genre.
