The Book of Bible Answers Amazing Facts Incorporated
 James Vincent is a "world class" musician. That he is not a household name is entirely by his choice, yet almost all who have seen him perform or heard his recordings have become his fans. He has written a unique, brutally honest account of his life his childhood and discovery of the guitar; his going on the road at seventeen to play in seedy dives and military service clubs; later, in famous upscale clubs across the country; then making records and playing huge concert venues. James gives us an inside look at the recording industry the studios, the performers, producers and promoters. He gives us behind the scenes insights into many famous personalities names like Santana, Garcia, Harrison and Cetera, and acknowledges some unsung heroes in the music world. His cast of characters includes the very rich and the down and out, the saint and the prostitute, the famous, the infamous and the very bizarre. This is a story about learning the hard way; about dysfunctional families, choices and consequences, lust, infidelity, despair, triumph, tragedy, friendship and betrayal. Most

of all, it is a life's journey to discover the meaning of unconditional love and spiritual fulfillment. It is indeed, an odyssey. ?R.J.M.

Long after the death of Christ, the apostles seek out Mary Magdalene. They have come for her memories of Jesus, as she was closest to and most loved by him. Thus begins her story: her childhood and the murder of her parents; her education and service at a brothel; her first love. Mary recounts her intimate experience with Jesus of Nazareth--of meeting this remarkable man, their all-too-human relationship, and his journey toward destiny. Later, when she realizes the apostles are intentionally altering Christ's teachings to suit their own goals, Mary struggles to spread the undistorted teachings herself, joining with her sisters who would otherwise have no place, and no voice, in the new church the apostles are creating. In sharing her own story, Mary weaves a richly textured tapestry of people, landscapes, cultures, and beliefs, and provides new insight into the role of women in the early Christian church. Marianne Fredrikson masterfully breathes new life into the figure of Mary Magdalene in this triumphal novel of the life, death, and resurrection of Jesus Christ, seen through the eyes of the woman who loved him most. *Seven Steps to Salvation* iUniverse

Who Is Michael the Archangel? Amazing Facts Incorporated The headlines are unmistakable. Our world is on the precipice of extraordinary, cataclysmic change. The conflict between two great world religions—Islam and Christianity—is fast approaching a devastating climax that will shake the whole world. Indeed, the fact of Western Europe has already been transformed through rapid Islamic expansion, and the fear of terror and holy war pervade the American psyche as multiple conflicts rage in the Middle East. But what happens next, and when? In an age of constant unpredictability, how can we really know what the future holds? After a decade of careful study and scholarly legwork, international speaker Tim Roosenberg unveils a staggering new study of Bible prophecy that demonstrates that God's Word is not silent regarding Islam in these last days. Islam and Christianity in Prophecy carefully explores and unlocks the mysterious book of Daniel, specifically chapters 11 and 12, unveiling a thrilling picture of prophecy that includes the past, present, and future roles of Catholicism, Protestantism, Islam, and the United States in the final conflict ahead. Along the way, Pastor Roosenberg provides the answers you need to survive the coming holy war, answers that will give you complete confidence in God's Word, and faith in the promises of Jesus Christ. "From the ancestors of Abraham sprang the world's two largest religions today, Christianity and Islam. While there is still much that is unknown, it is hard to deny that Islam will have a significant role in last day prophecy. With Scripture, history, and reason, Pastor Tim Roosenberg presents a compelling scenario for the prominent place of Islam in future prophecy." —Doug Batchelor, Amazing Facts International

As the teenage son of a millionaire father and a show-business mother, Doug Batchelor had everything money could buy—everything but happiness. He used drugs, fought at school, and entertained suicidal fantasies. Disgusted with himself and convinced that life held no purpose, Doug was determined to grab all the fun and excitement he could find. Before his search ended, a cave in the hills above Palm Springs became his home. And although his father owned a yacht, a lear jet, and an airline, Doug would eventually scavenge for food in garbage bins. The happiness Doug wanted eluded him until the day he began reading the dust-covered Bible a fellow “searcher” had left behind in his cave. What happened next can only be described as a miracle.

Marriage is under attack! ... of course, this might be a shock to you if you weren't living in a culture in which 40 percent of people think marriage is a useless tradition—even with all the evidence that broken families are ravaged financially, physically, and emotionally by divorce. Yet God's Word is clear that this institution, created at the beginning of time, is the foundation of a healthy family and nation. Ultimately, marriage is God's idea. So what are believers to do in an age of rapid-fire marriages, rampant divorce, and tricky remarriages—individually and as a church? Pastor Doug Batchelor tackles these sensitive issues with tact and Bible clarity in an effort to help broken marriages mend, keep strong marriages together, and enable those dealing with divorce and remarriage to keep their lives in a biblical framework.
