AA and other 12-Step Fellowships: How to get involved in a mutual-support group and what it can do for you. Addiction Science and Neuroplasticity: How alcohol and drugs alter pathways in the brain, and how to use the same processes to remold the brain around recovery. Relapse Prevention: The Recovery Zone ReCheck, a simple new technique to anticipate and avoid relapses. Rebuilding Your Life: How to handle relationships, socializing, work, education, and finances. Physical and Mental Health: Tips for getting healthy; how to handle common ailments. Pain Control: How to deal with pain in recovery; how to avoid a relapse if you need pain control for surgery or emergency care. Family and Friends: How you can help a loved one with addiction, and how you can help yourself. Raising Substance-Free Kids: How to "addiction-proof" your child. The Epidemic of Prescription Drugs: Now a bigger problem than illegal drugs. Dr. Al J. Mooney has been helping alcoholics and addicts get their lives back for more than thirty years, using both his professional and personal experiences at his family's treatment center, Willingway, and most recently through his work as medical director for The Healing Place of Wake County (NC), a homeless shelter. The Recovery Book will help millions gain control of their mind, their body, their life, and their happiness. www.TheRecoveryBook.com
