DRAVEN HOPE

Jesus the King Penguin
New York Times bestselling author of
The Prodigal Prophet Timothy Keller
explores how people are changed by
meeting Jesus personally—and how we
can be changed encountering him today.

The people who met Jesus Christ in person faced the same big life questions we face today. Like most of us, the answers handed down to them didn't seem to work in the real world. But when they met Jesus, things immediately started to change for them. It seems he not only had the answers—he was the answer. In *Encounters with Jesus*, Timothy Keller shows how the central events and meetings in Jesus' life can

change our own lives forever. "Keller's work belongs on the bookshelf of every serious Bible student." —Examiner
 "Keller has mined the gold from these texts of Scripture, and any Christian is bound to have their minds expanded and hearts stirred." —Grace for Sinners
Hope in Times of Fear Penguin

Timothy Keller: Generous Justice, The Meaning of Marriage, Every Good Endeavour, Preaching Penguin

In today's increasingly competitive and insecure economic environment, we often question the reason for work: why am I doing this? Why is it so hard? And what can I do about it? Work may seem

just a means to an end: we do it to earn the money to enjoy life outside the workplace. Here, Timothy Keller argues that God's plan is radically more ambitious: he actually created us to work. We are to work together to make the world a better place, to help each other, and so to find purpose for our lives. Our faith should enhance our work, and our work should develop our faith. With deep insight, Timothy Keller draws on essential and relevant biblical wisdom to address our questions about work. There is grace available if we have taken the wrong attitude, idolising money and using our careers to glorify ourselves rather than God. This book provides the foundations for a work-life balance where we can thrive both personally and professionally. Keller

shows how through excellence, integrity, discipline, creativity and passion in the workplace we can impact society for good. Developing a better attitude to work releases us to serve others humbly, to worship God everyday, and leaves us deeply fulfilled.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Bible begins talking about work as soon as it begins talking about anything, and it emphasizes the importance of work. God created the world as a work of art, not as a battlefield between warring cosmic forces. #2 God not only created the world, but also cared for it. He created human beings and then commissioned them to fill the earth and subdue it. God

works not only to create, but also to care for his creation. #3 The book of Genesis leaves us with a striking fact: work was part of paradise. We often think of work as a necessary evil or even a punishment, but we cannot thrive without it. #4 Work is so foundational to our existence that it is one of the few things we can take in significant doses without harm. Leisure and pleasure are great goods, but we can only take so much of them.
