**Who's Wealthy in America** Springer-Verlag Heart Failure in the Child and Young

Adult: From Bench to Bedside combines multiple etiologies for pediatric heart failure, including congenital heart disease, cardiomyopathies, infectious diseases and metabolic abnormalities. This comprehensive resource combines research from multiple contributors with current guidelines to bridge the knowledge gap for the recognition and management

of heart failure in children. Coverage begins with the basic science of heart failure, then progresses through diagnosis, management, treatment and surgery, finally concluding with advanced special topics, including genetics, self-management and nanomedicine. Provides coverage of the basic science of heart failure, its epidemiology and economic aspects,

outpatient and inpatient management, and advanced therapies, including mechanical circulatory support and heart transplantation. Combines cutting-edge research with current guidelines from the field.

Academic Press

Examines the legacy of the medieval poet composers of Northern France, the trouveres. For many years problems and difficulties

concerning the surviving melodies, have prevented us from accessing these songs. This book addresses many of these problems, helping us develop an understanding of the repertoire.

**EURO-PAR '95: Parallel Processing**

This book presents the proceedings of the First International EURO-PAR Conference on Parallel Processing, held in Stockholm, Sweden in August 1995. EURO-PAR is the merger of the former PARLE and CONPAR-VAPP conference series; the aim of this merger

is to create the premier annual scientific conference on parallel processing in Europe. The book presents 50 full revised research papers and 11 posters selected from a total of 196 submissions on the basis of 582 reviews. The scope of the contributions spans the full spectrum of parallel processing ranging from theory over design to application; thus the

volume is a "must" for anybody interested in the scientific aspects of parallel processing or its advanced applications. Lloyd's Register of Shipping 1805 Shipowners With reviews of 200 new cars, pickups, minivans, and SUVs, Consumer Reports cuts through the hype with solid information based on comprehensive testing and reliability data. 240 photos.
