## JAYLA DAPHNE

---

HarperColl

This is the 12th book in Lemony Snicket's 'Series of Unfortunate Events'.

**A Series of Unfortunate Events #6:  
The Ersatz Elevator** Egmont Books  
(UK)

The Baudelaire orphans disguise themselves as employees of the Hotel Denoument and find themselves pursued by the evil Count Olaf and others.

*The Babysitter* Egmont Books (UK)  
Forget Frosty the Snowman or Rudolph the Red-Nosed Reindeer. The next great holiday hero is a small, flammable chunk of barbecue fodder. He's impeccably dressed, he's terribly grumpy, and he's looking for a holiday miracle. It's unmistakably Snicket - here's the opening line: This holiday season is a time for stoytelling, and whether you are hearing the story of a candelabra staying lit for more than a week, or a baby born in a barn without proper medical supervision, these stories often feature miracles.

**A Series of Unfortunate Events: The Blank Book** Lulu.com

NOW A NETFLIX ORIGINAL SERIES In their most daring misadventure, the Baudelaire orphans are adopted by very, very rich people, whose penthouse apartment is located mysteriously close to the place where all their misfortune began. Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in A Series of Unfortunate Events, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent, hilarious and

deftly crafted, A Series of Unfortunate Events offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. Lemony Snicket's uproariously unhappy books continue to win readers, despite all his warnings. *The Magic Misfits* HarperCollins  
NOW A NETFLIX ORIGINAL SERIES Lemony Snicket returns with the last book before the last book of his bestselling A Series of Unfortunate Events. Scream and run away before the secrets of the series are revealed! Very little is known about Lemony Snicket and A Series of Unfortunate Events. What we do know is contained in the following brief list: The books have inexplicably sold millions and millions of copies worldwide. People in more than 40 countries are consumed by consuming

Snicket The movie was as sad as the books, if not more so Like unrefrigerated butter and fungus, the popularity of these books keeps spreading Even less is known about book the twelfth in this alarming phenomenon. What we do know is contained in the following brief list: In this book, things only get worse Count Olaf is still evil The Baudelaire orphans do not win a contest The title begins with the word 'The' Sometimes, ignorance is bliss.

**Bedtime for Bear** Egmont Books (UK) Wintertime is here, and that means it is bedtime for Bear. But Bear's friends don't think so. They want Bear to come and play outside in the snow. Bear can hear his friends calling. He hears them laughing and playing. Bear can't sleep. But it's bedtime! What is a bear to do?

The Slippery Slope Liveright Publishing The first book in a humorous series about a young governess and her three unusual charges--children who have been raised by wolves in the forest of Ashton Place. Illustrations.

The Penultimate Peril Harper Collins Dear Reader, If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives, I am sorry to say, are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched, and this one may be the worst of them all. If you haven't got the stomach for a story that includes a hurricane, a signalling device, hungry leeches, cold cucumber

soup, a horrible villain, and a doll named Pretty Penny, then this book will probably fill you with despair. I will continue to record these tragic tales, for that is what I do. You, however, should decide for yourself whether you can possibly endure this miserable story. With all due respect, Lemony Snicket *The Bad Beginning* Turtleback Books NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: If you have come this far, it is likely too late. Readers who have experienced the first nine volumes in A Series of Unfortunate Events by Lemony Snicket are usually so weakened by their dreadful knowledge of the Baudelaire orphans' story that they spend most of their time moaning and weeping, and have no strength to read *The Slippery Slope*, *The Grim*

*Grotto*, *The Penultimate Peril*, or *The End*. If, by chance, your moaning and weeping is more or less under control, there is no need to further risk your physical, emotional, and literary health by reading the four remaining volumes in the series. It would be better to regain your strength by spending your time indulging in less alarming activities, such as whistling or making cupcakes for the elderly. After all, this collection contains all of the calamities in the last four volumes of A Series of Unfortunate Events, including abandoned condiments, cigarette smoking, a shocking revelation, a ridiculous laugh, a fearsome storm, a herd of wild sheep, a truly haunting secret about the Baudelaire parents, another shocking revelation, and Phil. There is no need to

expose yourself to such atrocities, not after all you've been through already. *Poison for Breakfast* Harper Collins Readers incapable of running fast enough to escape Lemony Snicket's A Series of Unfortunate Events can breathe a sigh of relief now that the first six books of the series have been securely contained in a shrink-wrapped box disguised with exquisite Brett Helquist slip case art that will prevent this collection of woe from falling into the wrong hands.

The Penultimate Peril Harper Collins Jukebox Music is a collection of poems written in a lyrical yet gritty and uncensored free-flow style. Like all of Tony Nesca's books it is a unique and singular work, full of music, sexual energy and tons of fringe-living barroom

experiences.

The End Harper Collins

The Baudelaire orphans disguise themselves as employees of the Hotel Denoument and find themselves pursued by the evil Count Olaf and others.

**The Bad Mood and the Stick** Little, Brown Books for Young Readers

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . Like handshakes, house pets or raw carrots, many things are preferable when not slippery. Unfortunately the Baudelaires run into more than their fair

share of slipperiness during their harrowing journey up and down a range of strange and distressing mountains in *The Slippery Slope*. In order to spare you repulsion it is best not to mention any more regarding a secret message, a toboggan, a deceitful trap, a swarm of snow gnats and a scheming villain. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake. *The Penultimate Peril* Harper Collins  
With 5 million copies sold in the UK

alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake. *The Penultimate Peril* Harper Collins  
This terribly tempting blank book offers ruled pages detailed with illustrations and quotable quotations from Mr. Snicket's archives. This journal is resilient enough to hold even the most revolting revelations from any budding young researcher or writer in disguise. Consumable.  
*The Bad Beginning 20th Anniversary Gift Edition* Harper Collins

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . The End is the last in A Series of Unfortunate Events, and even if you braved the previous twelve volumes, you probably can't stand such unpleasantries as a fearsome storm, a suspicious beverage, a herd of wild sheep, an enormous bird cage, and a truly haunting secret about the Baudelaire parents. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade.

We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

### **My Summers with a Serial Killer**

Harper Collins

NOW A NETFLIX ORIGINAL SERIES Like bad smells, uninvited weekend guests or very old eggs, there are some things that ought to be avoided. Snicket's saga about the charming, intelligent, and grossly unlucky Baudelaire orphans continues to alarm its distressed and suspicious fans the world over. The tenth book in this outrageous publishing effort features more than the usual dose of distressing details, such as snow gnats, an organised troupe of youngsters, an evil villain with a dastardly plan, a secret

headquarters and some dangerous antics you should not try at home. With the weather turning colder, this is one chilling book you would be better off without.

A Series of Unfortunate Events #3: The Wide Window Egmont Books (UK)

Dear Listener, You are presumably looking at the back of this audiobook, or the end of the end. The end of the end is the best place to begin the end, because if you listen to the end from the beginning of the beginning of the end to the end of the end of the end, you will arrive at the end of the end of your rope. This audiobook is the last in A Series of Unfortunate Events, and even if you braved the previous twelve volumes, you probably can't stand such unpleasanties as a fearsome storm, a suspicious

beverage, a herd of wild sheep, an enormous bird cage, and a truly haunting secret about the Baudelaire parents. I also shouldn't mention the features of the interactive CD, which include: Perplexing word games Photos from The Lemony Snicket Archives Art from The Brett Helquist gallery It has been my solemn occupation to complete the history of the Baudelaire orphans, and at last I am finished. You likely have some other occupation, so if I were you I would drop this audiobook at once, so the end does not finish you. With all due respect, Lemony Snicket

A Series of Unfortunate Events: The Notorious Notations Little, Brown Books for Young Readers

'If you are interested in stories with happy endings, you would be better off

reading some other book.' Violet, Klaus and Sunny Baudelaire are most unfortunate children. Orphaned after the sudden death of their parents in a house fire, they are left in the hands of their guardian, Count Olaf, who has diabolical plans for them . . . 'A Series of Unfortunate Events' has sold more than 60 million copies worldwide, has been translated into 41 languages and was adapted into a 2004 film starring Jim Carrey. 'Wicked good fun' - Kirkus Reviews

**The Composer Is Dead** Little, Brown Books for Young Readers

There's dreadful news from the symphony hall-the composer is dead! If you have ever heard an orchestra play, then you know that musicians are most

certainly guilty of something. Where exactly were the violins on the night in question? Did anyone see the harp? Is the trumpet protesting a bit too boisterously? In this perplexing murder mystery, everyone seems to have a motive, everyone has an alibi, and nearly everyone is a musical instrument. But the composer is still dead. Perhaps you can solve the crime yourself. Join the Inspector as he interrogates all the unusual suspects. Then listen to the accompanying audio recording featuring Lemony Snicket and the music of Nathaniel Stookey performed by the San Francisco Symphony. Hear for yourself exactly what took place on that fateful, well-orchestrated evening.
